Quality Controlled Meats  
A Genuine Breakfast Treat

Here is what we call a real he-man breakfast—one that will not only dispel the morning grouch but will make any man lay aside the morning paper and indulge himself most cheerfully.

What is it? You've guessed it, but it's just a little different this time. It's Smoked Farm Style Sausage—real lean well seasoned all pork sausage smoked in a farm smoke house. The Hot Cakes? Sperry's of course. Their great popularity tells us they are your selection, so tomorrow let's all serve Sperry Golden Brown Hot Cakes and Smoked Sausage. Serve them often. You too will enjoy this "best of all" breakfast.

**GOLD BAR SALE**  
CANNED FRUITS, VEGETABLES, AND OTHER PRODUCTS

Dependable Quality! Dependable Prices! Dependable Always!

When we had our first car lot sale of Gold Bar in September many bought just a few cans of each item as trial orders—Likewise some for various reasons were unable at the time to take advantage of the low prices quoted. Those who bought trial orders now say we should have another sale to give them a chance to really stock up while those unable to take advantage of the other sale also like Gold Bar so well that they, too, are asking for a chance to make the same saving as others made.

In response to the many requests we ordered out another car—about 1000 cases—all booked long before any price advances were made. To be able to offer the same savings we had to buy a carlot quantity getting full advantage of the carlot price and lower carlot freight rates. Only in this way can such supremely good foods be sold for so little. For this time only—the complete Gold Bar food assortment at these low prices.

**THE SAME PRICE TO ALL!**

You don't have to buy more than you need to get the lowest price. Just buy in units of three or six or more and you get the same price as if you bought a full case. A chance to stock up at carlot prices without overstocking.
