For the first time in the history of boy scouting here, a court of honor was held at a meeting of a different organization here last night when troop 3 bestowed honors at the regular weekly dinner-meeting of the Lions club in the Hotel Medford.

Awards made to the Boy Scouts were: tenderfoot investitures, Donald Nissen, Bill Patton and Billy Sims, with tenderfoot mothers' pins presented to their mothers; second class merit badges, Dick Alford, for handicraft, Marvin Doty, for wood carving; first class merit badges, Ralph Burgess, for first aid to animals and scholarship, and Richard McElhose, for bird study.

The troop presented a desk lamp and fountain pen set to Scoutmaster Jack Thompson as a Christmas gift.

Committee presiding at the court of honor was composed of Eston Humphrey, Frank Runtz, J. A. McDougall and Rexford M. Schino. Troop 3 is sponsored by the Lions club.

Finns Put It on the Line

Finland's war with Russia did not prevent Finnish minister to Washington Hjalmar J. Procope (left) from paying his country's war debt installment, handing Secretary of the Treasury Henry J. Morgenthau (right) a check for \$234,693. Other nations said they couldn't pay.

FINNS WILL GET 100 CENTS ON DOLLAR OF MONEY CONTRIBUTED

New York, Dec. 20.—(Sp.)—Every dollar collected in America for the relief of non-combatant civilians of war-torn Finland will actually reach the Finnish sufferers, with all administration expenses borne by private subscription, former President Herbert Hoover, chairman of the Finnish Relief Fund, Inc., announced today.

At the same time, Mr. Hoover disclosed that Bernard M. Baruch, former chairman of the war industries board, had sent a check for \$5,000 to the New York chapter of the fund, with the comment that he "regards it as a privilege to be included among the many Americans who are giving evidence of their sympathy by contributions to her support."

Revealing that he had arranged for outside interests to bear administration costs for the Finnish drive, Mr. Hoover said: "Expenses of the Finnish relief fund will be very small. But I have further arranged that such expenses of administration as there are will be wholly paid for outside the fund. Therefore, every dollar of donations will go one hundred cents to the Finns. I have arranged that a leading firm of auditors will not only audit the accounts, but will actually keep all the books."

Those wishing to contribute in Medford may do so by depositing their money in the local banks, which in turn forward the funds to the Finnish Relief Fund, Inc., in New York.

TRY NEW STIMULANT FOR CONSTRUCTION OF LOW COST HOMES

Washington, Dec. 20.—(P)—The federal loan agency, through Administrator Jesse H. Jones, announced today the RFC mortgage company would purchase up to \$2,500 loans made to finance the construction of new homes.

The plan, officials said, was developed in an effort to stimulate the construction of low-cost homes.

Jones said the RFC mortgage company would purchase class 3, title one, loans bearing 4 1/2 per cent interest and a service charge of 1/2 per cent, where the entire proceeds are used to finance new homes, the construction of which is started January 1, 1940.

Officials said the willingness of the RFC mortgage company to purchase these loans undoubtedly would result in private lending agencies being willing to make such loans. In the past, only a comparatively small number of such loans have been made. This was largely due, officials felt, to the fact that there was no federal agency willing to provide a secondary mortgage for the loans.

The associations made 173 loans amounting to \$327,969 in the month, compared with 129 loans totaling \$237,969 in November a year ago.

HUGE SUM ASKED FOR FRENCH WAR EXPENSE

Paris, Dec. 20.—(P)—The government tonight asked the finance committee of the chamber of deputies to approve military credits for the first three months of 1940 amounting to 55,034,000,000 francs (about \$1,265,000,000).

The military credits for the first three months of 1940 amount to almost a third of the 1939 budget, and are longer than the 69,000,000,000 francs voted as a war budget for the last four months of 1939.
