AMERICAN BOY MAGAZINE COMPANION TO THOUSANDS Hundreds of thousands of boys and young men read THE AMERICAN BOY Magazine every month and consider it more as a living companion than as a magazine. "It's as much a buddy to me as my neighborhood chum," writes one high school senior. "THE AMERICAN BOY" shows to understand a boy's problems and considers them in such a sympathetic and helpful way. It gives advice and entertaining reading on every subject in which a young fellow is interested. It is particularly helpful in sports. I made our school basketball team because of playing tips I read in THE AMERICAN BOY. Many famous athletes in all sports credit much of their success to helpful suggestions received from sports articles carried in THE AMERICAN BOY Magazine. Virtually every issue offers advice from a famous coach or player. Football, basketball, track, tennis, in fact every major sport is covered in fiction and fact articles. Teachers, librarians, parents and leaders of boys clubs also recommend THE AMERICAN BOY enthusiastically. They have found that as a general rule regular readers of THE AMERICAN BOY advance more rapidly and develop more worth-while characteristics than do boys who do not read it. Trained writers and artists, famous coaches and athletes, explorers, scientists and men successful in business and industry join with an experienced staff to produce in THE AMERICAN BOY the sort of reading matter boys like best. THE AMERICAN BOY sells at most newsstands at 15c a copy. Subscription prices are \$2.00 for one year or \$3.50 for three years. For- eign rates 50c a year extra. To subscribe simply send your name, address and remittance direct to THE AMERICAN BOY, 7430 Grand Blvd., Detroit, Michigan. (Adv.)

Sonja Henie In Wednesday Hit

The incomparable Sonja Henie, who grows more popular with each dazzling new picture, brings her latest film dazzer, "Everything Happens at Night," to the Craterian theatre tomorrow for a four day run. A timely tale of modern intrigue, "Everything Happens at Night," with the added attraction of Sonja's matchless artistry on silver blades and slippery skis, is something entirely different than anything the blonde star has yet brought to the screen. With the locale in Switzerland, the Alpine settings are a natural background for not only the ice and snow scenes, but also for the mysterious danger constantly at hand. Ray Milland and Robert Cummings top the supporting cast.

Other grains also advanced, rye soaring more than 4 cents to a new high for the season, and corn rising about 2 cents. Wheat close 1/4c higher than Saturday, May \$1.03 1/2, July \$1.01 1/2, Sept. 99 1/2, corn 1 1/4c up, May 58 1/2, July 59c, Sept. 57 1/2c higher.
