

92,000 To See Tennessee Battle Trojans in Rose Bowl Classic

VOLS UNDEFEATED FACE COAST TEAM TIED BY OREGON

Army Coach to Match Wits With Jones in Classic—Both Squads Have Stars.

By Robert Myers.

Pasadena, Cal., Dec. 30.—(AP)—The grandfather of all New Year's Day football games is ready for its 25th showing, the 1940 Rose Bowl encounter between Tennessee and the University of Southern California.

The largest crowd of all the post-season bowl affairs—a throng of 92,000—will jam the flower-trimmed bowl in the Arroyo Seco Monday to witness an engagement between two teams ranked among the greatest in the nation.

The orange-suited lads of Tennessee, moving into the big bowl for the first time with 23 consecutive victories behind them, boast a record for triumphs unequalled in the history of the Tournament of Roses series.

Southern California's mighty Trojans, never defeated in five trips to the post season game, is co-champion of the host Pacific Coast conference, with a season just closed marred by two ties but marked by seven victories, including intersectional wins over Notre Dame and the fighting Illini of Illinois.

Guiding the Trojans of U.S.C. into the game is Howard Harding Jones, a veteran of a quarter of a century of coaching and a man who has led the warriors of Troy through four of their five Rose Bowl conquests.

On the opposite side of the field, at the helm of the Volunteers, will be Robert R. Neyland, the Texas-born, army-trained expert who first began coaching at West Point in 1921 and took over the reins at Tennessee in 1926 after a year as assistant.

During the Neyland regime the vaunted Vols have won 108 games, tied eight—and lost a mere 12 games. Small wonder that Neyland is the idol of Tennessee, and small wonder that a Neyland-coached team commands respect on any grid-iron in the nation. And to add to the small wonders, it is no secret that the Trojans, despite their Rose Bowl record and the slim role of favoritism they carry into the 1940 appearance, bear great respect for the Volunteers from Knoxville and their coach.

There is little to add to the feats of the two teams. Their achievements have kept place in the sports headlines since the 1939 college grid wars began last September. The fire and leadership of George Cafego of the Vols, the scintillating broken field running of his understudy, Johnny Butler, and the pass-throwing record of another, Buist Warren, need hardly be repeated.

Nor does the work of a 21-year-old senior at U.S.C., Grenville Lansdell, the boy they call "Fog over Pasadena," because even his mates never know what to expect when he calls a signal, warrant further mention. Then there is Doyle Nave, the hero of the 1939 S. C. Rose Bowl victory over proud Duke; Duke which hadn't been scored upon all season, even as Tennessee this season. Then there is Amby Schindler, the so-called No. 3 quarterback for S. C., who was first string two years ago and missed service last year because of an injury.

Add to these the names of Bob Foxx and Frank Newman of Tennessee, Bobby Peoples, Jack Banta, Bill Sangster of S. C., or the Vols' Joe Wallen, Ike Peel or the senior fullback and a man who helped wreck Oklahoma in the Orange Bowl last January, Frank Newman. Put these names in a hat and you should have the answer to a hero in the 25th Rose Bowl battle.

Kickoff time: 2:15 o'clock (P.S.T.)

Dartmouth Skier Wins.

Sun Valley, Idaho, Dec. 30.—(AP)—Joe Dunford of Dartmouth University nosed out Ring Thorgenson of Washington State college by 46 seconds to win the cross-country event in Sun Valley's second annual intercollegiate ski meet today.

A.P. Editor Honored. Ithaca, N. Y., Dec. 30.—(AP)—Howard W. Blakelee, science editor of the Associated Press, today was granted the Wilson L. Fairbanks award of the American College Publicity association for 1939.

BOWL GAMES AND BASKETBALL HIT BY COLLEGE UNIT

New York, Dec. 30.—(AP)—Sports for sport's sakes is an old saw, but the College Physical Education association has revived it with a report criticizing post-season "bowl" football games and the fast-increasing program of basketball double-headers.

Joseph C. Clarke, of Trinity college, Hartford, Conn., told the closing session of the association's 43rd annual convention yesterday that the bowl games "serve no real educational purpose."

"We should remember at all times," he asserted, "that games exist for the education of youth, rather than that youth exists for the performance of games."

No effort was made toward formal action, but the report was discussed on the floor, and the majority of delegates obviously were in sympathy with the declaration.

Dr. J. H. Nichols of Oberlin (Ohio) college, who led the discussion, included basketball twin-bills in the indictment of commercialized sport.

The convention also considered the problem of making physical education a more integral part of general youth education. N. J. Degroot, athletic director at Springfield (Mass.) college, proposed that physical education departments be given equal footing with academic departments.

EXPERT OPINION ON GAME VARIES

Los Angeles, Dec. 30.—(AP)—How a few of the 92,000 persons who will see Tennessee and Southern California play football Monday in the Rose Bowl anticipate the outcome: Elmer Layden, Notre Dame coach: "I'll take Southern California and you don't need to ask me why."

Earl (Dutch) Clark, coach of Cleveland Rams (professional): "I'll string along with the power of the Trojans."

Francis Schmidt, Ohio State coach: "The Trojans have too much power."

Slip Madigan, St. Mary's coach: "I like the Trojans, but I fear the worst."

Johnny Mack Brown, movie actor and former Alabama university player: "I'll back Tennessee all the way, but would feel better about it if sure Caliego would play."

Bo McMillan, Indiana university coach: "I'll string with the Trojans. I'm warning all concerned Tennessee has a versatile attack."

Ky Aldrich, Texas Christian center: "Tennessee has a great defense. The team gets my vote."

Jimmy Phelan, Washington university coach: "The Trojans can win if they play football the full 60 minutes."

Portland, Dec. 30.—(AP)—Although outscored in the last half, the University of Oregon defeated the Rubenstein's Oregonians here tonight, 47 to 43, and ended its cross-country basketball junket with a record of five victories and five defeats.

The Webfeet, led by Sarpola and Dick, ran up a 30-12 half-time lead and used it to weather a headlong second half in which the Rubenstein's sliced their margin to four points.

STATERS SLATED AS EASY VICTOR

Honolulu, T. H., Dec. 30.—(AP)—Fifteen thousand football fans were expected to see the Pineapple Bowl football game here today when the Hawaii State 36 point favorite over the crippled University of Hawaii squad.

Dopsters were kind enough to concede that the Roaring Rainbows had an even chance of scoring and maintaining their eight year record of not being shut out completely.

Outweighed 20 pounds to the man and the squad so badly riddled by injuries that five freshmen will be in the starting lineup, Hawaii planned to start with an all-or-nothing aerial game rather than try to buck the Beaver's solid wall. Coach Otto Klum indicated that the Rainbows would start passing as soon as they got their hands on the ball.

Coach Lon Stiner of Oregon State said he was convinced the fans wanted to see razzle dazzle football and promised to do his best to see the crowd got what it wanted.

Folly of Youth

Portland, Ore., Dec. 30.—(AP)—Two Tacoma, Wash., youths, Robert Craft, 21, and Glenn Borders, 22, were sentenced to 10 years each in the state penitentiary today on charges of assault and robbery while armed.

Roosevelts Recover

TULANE FAVORED FOR SUGAR BOWL WIN OVER TEXAS

New Orleans, La., Dec. 30.—(AP)—If money speaks a choice, there was little to choose today between those Texas Aggies and the Tulane Green Wave, but nevertheless the city's form charts favored the Southwest conference champions for New Year's day. The two teams will attract a record southern crowd of 70,000 in the annual Sugar bowl classic.

In training camps separated by 100 miles, the two big squads were called together for final tapering-off drills. The Aggies were quartered at Biloxi, Miss., and today's workout was to be the final for Coach Homer Nor-dawson will have his boys out for a final once-over tomorrow.

Miami, Fla., Dec. 30.—(AP)—Except for eleventh-hour skull sessions and limberups, the Missouri and Georgia Tech football teams are about as ready as they'll ever be for the Orange bowl game.

Coach Don Faurot planned a final light rehearsal in the bowl today for Missouri's Big Six champions. Coach Bill Alexander promised the Engineers a taper-off drill, with a get-acquainted session at the stadium on tap before 38,000 tomorrow.

SOCCER TEAM RESTS, AFTER TWO WINS

San Francisco, Dec. 30.—(AP)—Basketball squad of the Southern Oregon College of Education of Ashland, Ore., rested here today before continuing its barnstorming invasion of California against Humboldt State college Monday and Tuesday.

The Ashland hoopers took their second straight win of the current tour Friday night by crushing the Marin Junior college quintet 30-37. Displaying a fast brand of basketball, the Oregon boys forged ahead just before the half ended and streaked their lead to 20 points. Coach Jean Eberhart then tossed in all his subs and the Ashland outfit coasted through to the final whistle.

The southern Oregon rally that clinched the game was engineered by Marchi, Everett, Fox and Mulder. Sether played a sparkling game and tied with Marchi at 12 points for high score. Mariana of the losers scored more than half of his team's points with 19.

The Ashland quintet will play Rubenstein's next Friday night in Medford, Ore.

Title Bout Set

Cleveland, Dec. 30.—(AP)—George Page of Cleveland, has signed to defend his world's heavyweight boxing title against Tony Olvera, of San Francisco, in a 15-round bout here February 16. Promoter Bob Brickman said today, Page is recognized as champion by the National Boxing association.

HOLLINGBERY SAD AS INJURIES HIT WESTERN PLAYERS

East Squad Takes Ride In Redwoods—Light Workouts Due Today.

San Francisco, Dec. 30.—(AP)—Coach Babe Hollingbery scanned the list of his injured Western players today and between moans said he thought the East should be heavily favored to win the East-West Shrine charity football game here New Year's Day.

While Hollingbery and co-coach Biff Jones put their survivors through defensive practice, Andy Kerr and Bernie Bierman, mentors for the Eastern aggregation, shepherded their boys on a joyride among mountain redwood groves. Light workouts were scheduled for all hands tomorrow.

"The West team is in bad physical condition," said Hollingbery as he enumerated the following casualties:

Clyde "Bulldog" Turner, Hardin-Simmons center, couldn't bend his leg yesterday because of a charley horse, and it seemed that he would make only a brief appearance, if at all, before the 60,000 or so fans expected at Keser Stadium Monday.

Bob Smith, Medford backfield star, on the shelf nursing a clean gash in the leg.

Roy Zimmerman, San Jose backfield man; Johnny Shirk, Oklahoma end; Jack Sanders, Southern Methodist guard, and Olle Cordill, Rice backfield performer, all with twisted ankles or bruised limbs but not hurt badly enough to be kept out of the game.

Coach Kerr was willing to agree with the popular belief that the West's line would have a weight advantage over his boys, but he declared "I'm here to tell the wide world our line-men are capable of taking care of themselves."

Neither Kerr nor Bierman announced their tentative starting lineup for the game before they started their auto tour today, and Hollingbery would name only four sure starters for the West.

These, Hollingbery said, would be Johnny Scheichl, Santa Clara, center, Cordill, right-half; Frank Emmons, Oregon, fullback, and Kay Eakin, Arkansas, left halfback. Scheichl and Eakin have been chosen co-captains of their team.

However, seven others who have been holding down regular positions in practice were observed as Frank Ivy, Oklahoma, left end; Stan Anderson, Stanford, left tackle; Hampton Poole, Stanford, left guard; Sanders, right guard; Lee Artoe, California, right tackle; Shirk, right end, and Dick Favor, Oklahoma, quarterback.

DIXIE ALL STARS WIN FROM NORTH

Montgomery, Ala., Dec. 30.—(AP)—Springing a lightning aerial attack, something unheard of in the north-south warfare of the '60's, southern college all-stars routed northern football masters, 32-20, today in Montgomery's second blue-gray grid-iron classic.

Both sides exhibited dazzling football, but the Yanks were no match for the precision hocus-pocus attack Ray Morrison of Vanderbilt and Josh Cody of Florida had taught the Johnny Rebs.

Despite historical pageantry and thousands who turned out for a downtown parade, a disappointing crowd of around 9,000 saw the battle at Cramton bowl. Last year the north won, 7-0.

With lightning forward passes, fired by little Ken Heineman, a Texas Mines back, the rebels jumped into the lead and were behind only once, 7-6, at the end of the first period.

From there out, the southerners held the upper-hand, although the northern boys pushed over a late fourth-period touchdown, after a pass interception set it up.

Nelson Wins Trophy.

Los Angeles, Dec. 30.—(AP)—National open golf champion Byron Nelson won the Harry Vardon memorial trophy for 1939. Fred Corcoran, manager of the Professional Golfers association, announced the award today, disclosing that the slim Texan amassed 473 points during the year to finish ahead of Henry Picard Hershey, Pa., who had 461 points.

3 BIG CONTESTS DUE COMING WEEK ON LOCAL COURT

The 1940 basketball season will get under way this week with four interesting games being offered on Wednesday and Friday evenings at the Medford senior high school.

Due to go down in local casaba history will be the game Wednesday between the coaches of southern Oregon and the Negro Ghosts from eastern Harlem. The former team is composed of Russ Acheson, high school mentor, Bill Bowerman, Jean Eberhart, coach at the Southern Oregon College of Education in Ashland, Pat Patterson, Jacksonville coach, Ken Hulbert, Central Point coach, and other high school coaches of this district.

The Ghosts' lineup is not given but the barnstorming black boys are said to be plenty clever.

The Medford high school sophomore team versus the Prospect high school team will play the prelim on the Coach-Ghost affair. The contest will get under way at 7:15.

Friday night's presentation will be in the form of the season's first important double-header as Jean Eberhart's of Southern Oregon College of Education basketballers clash with Rubenstein's and the Medford high school quint meets the University high school team of Eugene.

Eberhart believes that he has the best team yet turned out of the Ashland college and the Rubenstein's are considered the outstanding A.A.U. team of the Willamette valley. Because of heavy financial strain involved in bringing the latter team here, it was announced yesterday that no passes would be honored at the game.

The second event on the double-header bill will be the high school's first real test of strength and ability yet this season. Student body tickets and passes will be honored. The affair will start at 8:30, immediately following the above one which is scheduled for 7:30.

HARTNETT SIGNS AS CUB MANAGER

Chicago, Dec. 30.—(AP)—The Ol' Man River of baseball, Charles Leo (Gabby) Hartnett, signed his 19th Cub contract today and next season will again be the manager of the Chicago National league club.

The 39-year-old Irish backstop joined the Cubs in 1922, when he appeared in 31 games. Hartnett, who put his signature to a one-year document believed to call for about a \$30,000 salary, became manager of the Cubs July 20, 1938, succeeding Charley Grimm. That season the Cubs won the National league pennant but in 1939 the team could do no better than fourth place.

SHIRLEY TEMPLE GOLF PLAY WILL OPEN UP MONDAY

Whoever said "Never the Twain Shall Meet" did not know about the annual Shirley Temple golf classic here, for tomorrow the East will meet the West and after the clouds of battle have vanished the spirit of cordiality will prevail.

But until the clouds of battle do vanish, there will be little cordiality, for the East is out to even up the score in this annual trophy fight and the West is out to extend its lead.

The struggle for the handsome Shirley Temple trophy, put up by the petite actress of the screen, began in 1934 and the West is now leading the East, 3 wins to 2.

All past battles will fade into insignificance in comparison with tomorrow's gigantic test of golfing prowess, it was indicated yesterday by the captains of the two teams, Bert Thierolf, the lumber king who heads the West squad, and Hance Cleland, the power tycoon, who has charge of the East battalion. Cleland said he would charge his warriors with new energy this year but Thierolf declared his shock troops could take care of the two-by-four golfers of the East contingent with ease. At any rate, the fur, as well as the turf, is likely to fly.

The only cordial element in the fracas appears to be the Rogue Valley Golf club on whose course the contestants will compete as guests of the club.

The classic will be played rain or shine, snow or hail. The matched players, whose names were published in the Mail Tribune Friday, were to arrange playing time between themselves. Playing will start just after sun-up and continue until the last pair has finished, though the contest must end at dark.

DEMPSEY LANDED AFTER FOG DELAY

San Francisco, Dec. 30.—(AP)—Jack Dempsey got a two hours' extra ride in the fog when the Honolulu clipper arrived here today and it didn't cost him anything.

The former heavyweight champion, who refereed a fight in Manila recently, was one of 16 passengers aboard the big plane.

The clipper arrived on schedule at 9 a. m., but the fog was so dense that it had to circle for two hours before it could alight.

Dempsey was to leave here by plane tonight, giving him an excellent prospect of being back on Broadway for New Year's eve.
