

DIES REPORT WILL ASK ENFORCING OF LAWS OVER ALIENS

Second Annual Report Due By Midnight Tomorrow—All Members Will Sign.

By Donald A. Young. Washington, Jan. 2.—(P)—The Dies committee, concluding its second year of inquiry into un-American activities, will call on the government tomorrow for stricter enforcement of alien laws, but again will defer making specific legislative recommendations.

Well-informed sources said today the committee's second annual report, which must be filed with the house by midnight tomorrow when the committee expires, would contain these two general proposals:

1. An intensified campaign for prosecution of every known violator of the immigration, naturalization, deportation, passport and foreign agent registration laws.

2. Renewed publicity for un-American activities which are beyond the scope of existing statutes.

All Will Sign. These recommendations are, in substance, the high spots of the report which six of the seven committeemen came to Washington today to approve. Persons close to Chairman Dies (D-Tex.) said all the members would sign it.

It was learned Dies, ill at his Orange, Tex., home, would use the second recommendation as the basis for enlisting support for his resolution extending the inquiry for at least one more year.

However, two committeemen have said they would insist the committee, if continued, revise some of its procedure. They objected particularly to recent announcement without formal hearings of an investigator's findings some consumers' organizations had Communist affiliation.

Rep. Dempsey (D-N.M.) said he would demand the committee make public the names of any Communists in the government, "if we have any at all."

"If those names are made public and the charges can be proved, I will call on the heads of the government departments involved to dismiss the persons," Dempsey said.

BOWMAN, NOT BURNETT WAS TALENT CULPRIT

Bert Simmons, city marshal of Talent reported today that Floyd Bowman, of Medford, and not Floyd Burnett, was responsible for wrecking a drinking fountain and running into a rose hedge at Talent on December 16. Burnett's name was erroneously published as the reckless driver who appeared in

court for sentence December 22. The Talent marshal also reported that a bicycle damage case in which Arthur Nikodyn was implicated, occurred in Talent and not Fern Valley, as published.

The marshal today issued a warning that he would continue to prosecute out-of-town disturbers.

URUGUAY WILL KEEP STRICT GUARD OVER GERMAN FREIGHTER

Montevideo, Jan. 2.—(P)—Uruguayan officials today worked out measures to make sure the interned German freighter Tacoma would remain a captive here for the rest of the war and prepared for a visit from a British man of war.

Authorities said the cruiser Ajax, one of the three victors in the battle with the German pocket battleship Admiral Graf Spee Dec. 13, would arrive tomorrow for a 48 hour stay to refuel and provision.

The British colony arranged a welcome for the ship and crew. She will bring Rear Admiral Henry Harwood, who directed the battle against the Graf Spee.

In the harbor Uruguay's miniature navy stood guard against a possible break for freedom by the 8,268-ton Tacoma, while officials prepared to intern her crew and dispose of the cargo of oranges, grapefruit and nuts. One possibility discussed was that the freighter would be beached.

LEMKE UPHELD IN HIGH COURT RULING

Washington, Jan. 2.—(P)—The supreme court upheld today a contention state courts are barred from proceeding with foreclosure action after a farmer files a petition in a federal district court in the Frazier-Lemke act for a moratorium on his indebtedness.

This was contended by Representative Lemke of North Dakota, co-author of the legislation designed to aid debt-ridden farmers. He asserted filing the petition automatically divested state courts of jurisdiction and no notification to them of the filing was required.

NOTICE—LICENCES FOR MILK DEALERS

All licenses to sell, deliver or dispense table milk or cream are now due. Failure in securing same at once will necessitate penalties.

MEDFORD HEALTH DEPARTMENT

CCC BOY INJURED IN TRUCK CRASH CRITICALLY LOW

Richard L. Shelton, 23, CCC enrollee at Camp South Fork who was injured Sunday evening in a collision between two CCC trucks on the Butte Falls road, lay in a critical condition in Sacred Heart hospital this afternoon. He was suffering from severe internal and other injuries. An emergency operation was performed yesterday afternoon.

The youth's father, Harry L. Shelton, of Aberdeen, Ohio, was notified by telegram today of his son's condition. Joe Martin, 21, who suffered

a fractured nose in the truck accident, was to be dismissed from the hospital today. Four other CCC boys were hurt slightly.

Orlo Johnson, 39, of 728½ East Jackson boulevard, was the operator of the car that early Sunday morning struck the bicycle on which Robert Sutton, 14, and his brother, Ernest Sutton, 11, were riding. It was shown in a report filed by Johnson yesterday afternoon. After the accident the two boys were taken to Sacred Heart hospital by Virgil Leslie who happened along. Robert Sutton suffered a broken left ankle, his brother bruises.

The accident occurred on East Jackson boulevard near Riverside avenue. In his report Johnson said he "was not aware of any vehicle on the road" until the bicycle was hit. He stated that it was "very dark" and that he was "unable to see the bicycle which carried no lights." The car lights, he reported, "did

not show the boys on the bicycle."

In his report to city police the boys' father, R. J. Sutton of Central Point, stated the bicycle had a light and a reflector. He stated the car operator upbraided the boys and told them to get on home.

Cars operated by Mrs. C. W. Guches of 720 South Peach street and Dr. William W. P. Holt of 307 Medford Center building operated cars that collided in the Dakota and King street intersection yesterday afternoon.

Recodification Legal

Salem, Jan. 2.—(P)—Circuit Judge L. G. Lewelling ruled constitutional today a 1939 law appropriating \$65,000 for recodification of the state laws. William W. Woodward brought the suit, contending that the law's course through the legislature was improper.

CCC PAYS HONOR TO LATE CHIEF

Washington, Jan. 2.—(P)—Flags of CCC camps all over the nation dipped to half mast today, as Robert Fechner, 63, director of the Civilian Conservation Corps, was buried in Arlington cemetery.

Six CCC boys, dressed in the new spruce green uniform which Fechner had chosen recently for the enrollees, were pall bearers. A bugler sounded "taps" and the United States army band played a dirge at the grave. In the enlisted men's section of the cemetery portion set aside for Spanish-American war soldiers.

Fechner died Sunday of a heart disease and arthritis.

"Soldiers' Friend" Dies

Johnstown, O., Jan. 2.—(P)—Rep. William A. Ashbrook (R-Ohio) known as the "soldiers' friend" because of sponsoring a record number of pension bills,

died last night at the age of 72. He was serving his 10th congressional term from the 17th Ohio district.
