## HAPPY RELIEF FROM PAINFUL BACKACHE

Many of those gnawing, nagging, painful backaches people blame on colds or strains are often caused by tired kidneys—and may be relieved when treated in the right way.

The kidneys are Nature's chief way of taking excess acids and poisons waste out of the blood. They help most people pass about 3 pints a day.

If the 15 miles of kidney tubes and filters don't work well, poisonous waste matter stays in the blood. These poisons may start nagging backaches, rheumatic pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, used successfully by millions for over 40 years. They give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

ervative," the change was not expected to have any material effect on the nature of the court's opinions.

In general they have been favorable to the administration since shortly before President Roosevelt submitted his court reorganization plan to congress in February, 1937.

Only one member of the court now is described by the administration as "conservative." That is 77-year-old Justice James C. McReynolds, a Democrat who was attorney-general in the Wilson cabinet.

McReynolds May Delay  
Friends of McReynolds do not expect him to retire until after the presidential election next November or, if an anti-new dealer is chosen, until the following January when the new president would be inaugurated. He has been the most consistent court opponent of new deal legislation reviewed by the tribunal.

Justices previously named by Mr. Roosevelt were Senator Hugo L. Black of Alabama; Solicitor-General Stanley Reed of Kentucky; Felix Frankfurter, professor at the Harvard law school; and William O. Douglas, 40-year-old chairman of the securities commission.

They succeeded Willis Van Devanter of Wyoming, George Sutherland of Utah, Benjamin N. Cardozo of New York and Louis D. Brandeis of Massachusetts. Justice Cardozo died, the others retired.
