

# WM. W. WALKER, FINANCE COMPANY HEAD, IS CALLED

William W. Walker, well known and respected citizen throughout Jackson county, passed away at his country home near Medford at 3:20 p. m. Friday, January 12. His illness extended over the greater part of the past year.

He was born in Martin county, Minnesota, April 15, 1885. Aged 54. He was engaged in the banking business at Estherville, Iowa, and also at Austin, Minn., and was united in marriage at Estherville, Iowa, May 2, 1907, to Grace L. Woods, who survives.

In 1923 the family came to Medford and since that time Mr. Walker has been connected with the Commercial Finance corporation of this city.

For many years he has been an active member of the Methodist church. He also held membership in the B. P. O. Elks of this city and was a Knights Templar Mason.

Besides his widow Grace L. Walker, he leaves two daughters and one son, Mrs. John Sublett of Mountain View, Cal.; Miss Mildred Walker of Gresham, Ore., and William H. Walker of Medford. Also one grandson, John William Sublett and one sister, Mrs. Angie Austin of Pontiac, Mich.

Funeral services will be conducted by the Rev. Joseph Knotts at the Methodist church at 2 p. m. Monday.

Fall bearers will be E. J. Neumann, E. F. VanDyke, Eugene Thorndike, J. W. Smiley, F. E. Nichols and Harry Olson.

Conger funeral parlors are in charge and final rites will be held in the Siskiyou memorial park.

# F. E. Wahl Elected President Farmers, Fruitgrowers Bank

F. E. Wahl, former cashier, was elected president of the Farmers and Fruitgrowers bank, to succeed the late Delroy Getchell, at the annual meeting of the stockholders, held January 11. Mr. Wahl, C. E. Gates, W. J. Looker and Bayard M. Getchell were elected directors. C. E. Gates was re-elected vice president, W. J. Looker, elected cashier, and Mrs. Faye Brenner re-elected assistant cashier.

Plans for redecorating and modernizing the bank interior were discussed by the board and the improvement authorized, the work to start early in the spring.

In announcing action taken at the annual meeting, the board issued the following statement:

"Mr. Wahl has been engaged in the conduct of the bank's affairs as cashier since 1920, and brings to the presidency of the institution a full measure of knowledge and experience in the banking business, having been engaged in the banking business for more than twenty-five years.

"In assuming the presidency Mr. Wahl's activities will undergo little change, for he has had the responsibility of management of the bank for the past five years. With his wide knowledge of the banking business in general, and its relation to the business life of this community, and his long civic activity and interest in Medford's progress, the board of directors feels that the bank will enjoy continued progress and growth.

"C. E. Gates, vice president of the bank has held this position for the past twenty years, and his wide acquaintance, and broad knowledge of the community's agricultural and industrial needs, and his experience in civic affairs have been of invaluable assistance to the managing officers.

"Mr. Looker has been associated with the bank for the past three years in the capacity of assistant manager and legal adviser. He was connected with the Livestock National Bank of Sioux City, Iowa, from 1905 to 1908. He was admitted to the Illinois bar in 1914, and to the Oregon State bar in 1926. Mr. Looker is now president of the Southern Oregon Bankers' association, and secretary of Associated Farmers of Oregon, Inc. His continuous contact with associations of this character has made him familiar with the needs of the agricultural communities in this vicinity.

"Bayard M. Getchell is the son of the late Delroy Getchell. He needs no introduction to the people of this community, hav-

ing been established in business in Medford for a number of years as owner of the Economy Seed & Feed company. His friends and associates observe in him many of the sterling qualities and characteristics of his father. His keen judgment, stability and conservatism will be of great value to his fellow directors in conduct of the bank.

"Mrs. Faye Brenner has been with the bank for the past eight years, and has been assistant cashier since 1936. Her very efficient work has been an outstanding asset to the officers of the bank, and her amiability in dealing with the public has made her a popular bank official.

"It has been the policy of the Farmers and Fruitgrowers Bank to visualize the banking needs of this community and to endeavor to render the best possible service consistent with good banking practice. This policy has resulted in a steady growth of the bank, and will be continued by the present officers.

"Being an independent, home-owned bank, it is closely identified with, and greatly interested in local enterprise."

# Two Local Women Win In Air Step Design Contest

Miss Perry Marinelli, of Garwood, N. J., is the grand prize winner of the Air Step shoe design contest, in which con design contest, in which con their own shoe design ideas according to an announcement received Saturday by Noble Vincent, manager of the Buster Brown shoe store.

Mrs. Jean B. Brault, 208 Summit Ave., Medford, and Mrs. T. J. Richey, of Trail, Ore., won the first and second prizes, a wardrobe case and a pair of Air Step shoes, donated by the local Buster Brown shoe store.

Over 35,000 designs were submitted. Entries were received from every state, from Mexico, Canada and Hawaii, and expressions of interest come from points as far away as Switzerland.

The contest gave the manufacturer of Air Step shoes a clear-cut picture of just what the modern woman would like in footwear.

Closing time for Too Late to Classify Ads is 1:30 p. m.

Two candidates, Cornelius Collins and Fred Hyde, will be initiated into the Medford Elks lodge at the regular meeting next Thursday night. Following the meeting a lunch will be served in the basement.

The January 25 meeting will be dedicated to traffic safety, with a representative from Secretary of State Earl Snell's office being the principal speaker. Capt. Lee M. Bown of the state police will be chairman of the meeting.

Probe Mine Death  
Boise, Jan. 13.—(AP)—State Mine Inspector Arthur Campbell was on his way today to Elk City to investigate the death of George E. Stowell, 32, of Portland, Ore., who died January 10 in a Cottonwood hospital of injuries while working in a mine near Elk City.

# HUMANE SOCIETY UNABLE TO HELP OUTSIDE MEDFORD

Our local Humane Society in its effort to perform a very difficult and necessary work for the community, in a decent way, has provided an outstanding "Shelter" for the stray and unwanted animals that is patterned after by progressive communities all over the United States.

There is not one dollar of County money in this plant. Through its membership of animal lovers, the property and its facilities have been given to the community for its use.

The society has struggled at all times to make its charity self-supporting. Operation costs have been met, partially through a contract with the City of Medford to handle its dog problems; through the care and boarding of animals; through promotions; and in the past, through a contract with the county court for the enforcement of the State Dog Tax Law.

The state dog tax law, which is not enforced by half of the counties in our state, provides that a dog shall bear a license or be killed. The odorous job of this law was undertaken by the Humane Society that it might give the dogs a decent "break"; a chance for new homes; an opportunity, under the law, to be licensed and live; or in case of the old and unfit animal to be humanely destroyed.

We regret to inform the dog lovers of Jackson county that we are financially unable at this time to care for the stray and unwanted animals, outside the City of Medford, as the County Commissioners do not see fit to support the worthy work which we have performed for the community in the past.

The County Commissioners have established a dog pound of their own on the Pacific highway in the city of Phoenix which conforms to their ideas of the way the problem should be handled.

We ask the dog lovers of Jackson county to view this new project which your dog license is supporting.

(Signed),  
Jackson County Humane Society, by Mrs. Sidney W. Richardson, Sec. Mgr.

# EXTENSION UNITS STUDYING DIETS

Home Extension Units of Jackson county are continuing study of weight control this month under direction of Mrs. Mabel C. Mack, home demonstration agent. There are 300 homemakers enrolled in the project which includes two demonstrations on diet and exercise with special meetings scheduled for follow-up work.

Meetings this week are the second in the series, and will include basic foods to be included in a reducing diet, menu-planning for weight control and the caloric value of "between meal nibbles." The nibbles will be calculated in terms of the number of miles a person would have to walk in order to use up the energy provided by them.

"Few people realize that one piece of mince pie provides enough energy for a six and one-half mile walk," says Mrs. Mack, "and still fewer people take the walk."

Other phases to be discussed will include fat reducing diets that are unsafe, and so-called obesity cures. Exercises helpful in controlling weight will be given at the close of the session. All homemakers of the community are invited to attend the meetings, which are scheduled as follows:

Jan. 15, 1:30 p. m.—Medford unit at court house auditorium.  
Jan. 16, 10:30 a. m.—Eagle Point unit at home of Mrs. B. A. Clark.

Jan. 17, 1:30 p. m.—Missouri Flat unit.  
Jan. 18, 10:30 a. m.—Griffin Creek unit at home of Mrs. Lulu Sturgill.

Jan. 19, 10:30 a. m.—Phoenix unit at home of Mrs. Geraldine Reedy.

# PUBLIC ASKED TO AID BEAUTIFYING OF FAIRGROUNDS

An appeal was made yesterday by persons interested in the Fairgrounds Beautification Project for plants, shrubs and small trees to be planted on the fairgrounds site on the south Pacific highway.

Co-sponsors of the project are civilian conservation corps personnel located at the fairgrounds and the Medford Garden club.

Committee in charge announced yesterday that persons

willing to contribute plant life toward the project contact any member of the Garden club or phone CCC exchange, 1158. Plants will be called for and planted by district CCC headquarters persons who will also take care of the acreage as it becomes beautified.

It was pointed out that the CCC has available equipment and men for handling the project but lack the necessary purchasing fund for plants.

The committee also mentioned that as the project would do much toward improving appearance of the site, they hoped that persons interested would regard the project as a civic endeavor and be generous with their plant donations.

# ONLY GOOD NEWS IN THESE PAGES

A modern newspaper must report all the news, both good and bad.

But there's one part of this paper where you'll never find anything but good news. That's the advertising pages.

Clearances of winter coats. A low-priced Caribbean cruise. A new cereal, crammed with health. An amusing movie you've been waiting to see.

Such advertising is news just as truly as a European cabinet crisis or a neighborhood bridge club. It keeps you alert and up-to-date. It posts you on foods and fashions. It helps make your home more comfortable. It saves you money.

Read the advertisements regularly and get all the good news.
