Barn Door Locked

Longview, Wash. (AP)—Hugh Little, roomer at a lumbermen's hotel, always shuts the window when he takes a nap now. While Little was sleeping recently, a stray cat crawled into the room and had six kittens on the bed. When Little awoke he found the cat and her litter snuggling atop his blankets.

Record Marred

Salem, Mass.—(U.P.)—John B. Deiners, 70, drove an auto 30 years without an accident—then he met 5-year-old Clark Johnson. The lad rode his tricycle into Demers' car, suffering minor cuts and bruises.

June Summers Day

St. Paul, Minn.—(U.P.)—Summer or winter, it's still a June Summers day in the Minnesota Historical Society's office. She works there.

In The Day's News

By Frank Jenkins

IN Oregon's Presidential preference primary, Roosevelt leads Garner roughly seven to one. That certainly leaves no doubt as to the preference of Oregon Democrats.

Don't, however, overlook the fact that Republican McNary is getting more votes (as these words are written the count is far from complete) than Roosevelt and Garner combined.

THAT has happened in other state primaries, and is a definite indication of what may happen if Roosevelt decides to run again in the face of the third term tradition.

AS TO the president's ability to get a third-term nomination if he wants it, no doubt remains. Oregon's vote brings him within 45 of a majority of the Democratic convention, and it is regarded as a certainty that he will pick up 32 more delegates in next Tuesday's New Jersey primary. For weeks the signs have been plain that he will hold the Democratic convention in the hollow of his hand.

Whether or not we are to have a third-term campaign depends upon President Roosevelt himself.

IF YOU feel strongly that Americans should do something about Europe, here is a suggestion: GIVE to the Red Cross fund for European war relief.

There is nothing better that Americans can do.

THE quota for the nation has been set at ten million dollars, which is a trifling sum for 130 million people. It can be volunteered in a day or so if EVERYONE will help.

Give what you feel like. No sum can be too large in such an emergency. No sum can be too small if genuine desire to help innocent and unbelievably stricken people goes with the giving.

WHAT has happened to the people of the invaded small countries is horrible. It is no fault of theirs. All they wanted was to be left alone. The least we can do, if we are truly the warm-hearted people we think we are, is to give of what we have to help A LITTLE in the alleviation of their frightful suffering.

IT would be interesting at this moment to know exactly what Joe Stalin thinks of Adolf Hitler. Is he pleased with the alliance he has made? Does he think it was a smart trick?

Or is he frightened?

It's Discouraging

Logan, O. (AP)—A shoe salesman had the right idea. Knowing that packages and bags in a car often attracted thieves, a shoe salesman affixed this sign to the window: "These cases contain half pairs of shoes for salesman's samples. They are of no use to anyone but the salesman. Please do not disturb." The sign has worked.

Run to Ground

Portland, Ore. (AP)—Attaches of an "alcohol cure" sanitarium were almost driven to drink when one patient failed to respond to treatment. Attendants finally ran down the trouble—friends were fastening bottles of liquor to a radio ground wire and the recalcitrant patient was hauling them in.

Busy at 84

Rochester, N. H. (U.P.)—An energetic octogenarian with the spirit of a pioneer, Thomas Dudley, 84, makes anything he wants. Recently needing a step-ladder to reach ceilings in his home, he built one. He also built a sturdy wheelbarrow.

Lack Clothes Pins

London (U.P.)—To overcome the wash day problem due to a shortage of clothes pins, British housewives in many districts have introduced a system of "staggered" wash days. The reason for the shortage is that clothes pins never have been manufactured extensively in Britain. Before the war 192,000,000 were imported every year, mostly from Germany.

Curfew Wakes Babies

Red Lodge, Mont. (U.P.)—The city council here chose to ignore complaints made to Mayor J. C. F. Siegfriedt that the 9 p.m. curfew was awakening children. One mother said she'd just get her children to sleep when the whistle would undo her efforts.

It's The Navy

Syracuse, N. Y., (U.P.)—Springtime turns a young man's fancy not only to love, but to the navy, according to Chief Machinist Mate August J. Schmitt of the local recruiting station. He reported April established an all-time record for enlistments.
