

PAVING REQUESTS WILL BE STUDIED BY CITY COUNCIL

Park Avenue and Catherine St. Improvement Sought—284 Planes at Port.

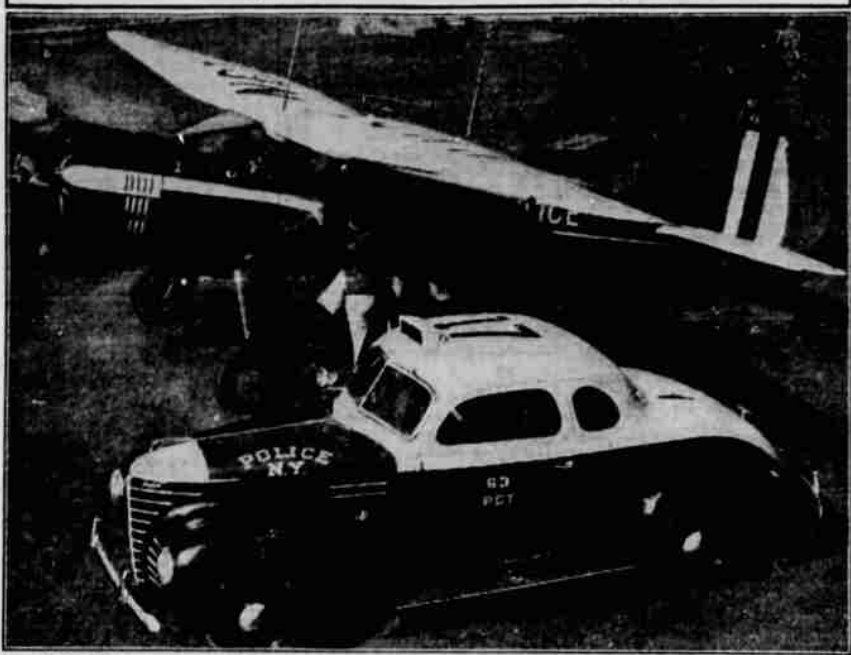

The city council last night referred to appropriate committees two petitions, one asking for the preparation of plans and cost estimates for paving Park avenue from Dakota street to Belmont street and Catherine street from Park avenue to King street, the other requesting the construction of sewer and water lines to serve a part of the West Second street district in Hill-view addition.

The council approved sale of a lot on Kenwood avenue south of Sunset avenue to G. F. Cook. In April 284 planes used Medford municipal airport, it was shown in a report submitted by Thomas A. Culbertson, Jr., airport superintendent. They were classified as follows: 180 United Air Lines, 27 private, 43 U. S. army, 2 national guard and 32 navy.

The council accepted the offer of Rex Sellman to put a new composition roof on the fire hall for \$426.50.

Fred W. Scheffel, city superintendent, was authorized to apply for re-establishment of a CCC company at Camp Prescott in the fall.

New "Sky Patrol" for Holiday Traffic

One of New York's new police planes here is testing the latest air-to-ground radio hookup with one of the hundreds of Plymouth patrol cars now in service. They are cooperating this Spring to perfect a new system of "Sky Patrols" to control heavy holiday traffic. When traffic is heaviest, the planes go up over affected areas and spot the points of greatest congestion. Then the aerial observers report through the police radio central, directing ground crews where they're needed most, advising which alternate routes look best to speed the flow of traffic.

H. S. Deuel presided in the absence of Mayor C. C. Furnas who had left for Seaside to attend the 1940 convention of the League of Oregon Cities.

SCOUTS SIGN UP FOR LAKE CAMP

With one hundred and eighty-two campers already filled by advance registration for the Boy Scout Camp McLaughlin, this summer, indications are for the largest season in many years, according to Kenneth Wells, local boy scout executive. "Last summer 128 camper weeks (one camper one week, is one camper week) were enjoyed during the entire season by Boy Scouts, and this year 118 weeks are already reserved with camp not opening until June 30th," said Wells.

In addition to this advance registration, thirty-five or forty scouts under the leadership of Theo. J. Norby are expected for the last week of camp from Ashland and the troop at Jacksonville is planning on two weeks in camp. These groups have not yet actually registered, Wells pointed out. While the camp is rapidly filling, there is still ample room for additional campers who get their registrations in soon.

Following the boy scout camp, Medford Girl Scouts will hold their camp on the campsite and they will be followed by Ashland Campfire Girls. Groups of local men have been going up recent week-end getting everything in readiness for the opening.

LAST RITES HELD FOR MRS. LILLIAN ANDREWS

Funeral services were held at Perl Funeral Home this afternoon for Mrs. Lillian Eva Andrews, wife of W. C. Andrews, who passed away Sunday at her home, 209 Haven street. Interment was in Siskiyou Memorial Park.

It was erroneously stated yesterday that Mrs. Andrews' passing was at the home of her son.

REELECT REDFORD TO PRESIDENCY OF FESTIVAL GROUP

Dr. Walter Redford, president of the Southern Oregon College of Education at Ashland was re-elected president of the Oregon Shakespearean Festival association in business sessions at the Lithia Hotel in Ashland last night.

VOLUNTEER GROUP DOES LANDSCAPING ROGUE RIVER HIGH

Rogue River, May 22.—(Sp.)—Preliminary work of landscaping Rogue River high school grounds began May 10, when men, boys and tractors came in response to a call for volunteer help on a leveling job. The grounds were graded with a seven-inch slope from building to road.

Plowing and leveling was done by a new Ford tractor furnished by C. A. Winetrot and operated by Eugene Trahern; and scraping was done with a farm tractor donated by George Martin and operated by Dave Birdeve and Edward Martin. Jesse Miller brought a tractor from home for one day's work.

Tom Knox, grading foreman, donated three days work and was assisted by Ernest Reinkens. Boys assisting were Floyd Thompson, Bob Davis, Lawrence Wills, Clint Hartwell, Richard McLaren, Artie Smith, Grant Cummings, Kenneth Hatch, Daniel Eversizer, Calvin Osborne, Newman Griswold, Ridgeway Griswold, Allan McGregory, Jack Hamann, Glenn Olson, Ross Blles, Bob Bradley, Jess Miller, Ted Jones.

Hand leveling will be done as soon as the new grade has had time to settle. Lawn and shrubbery will begin next fall.

JACKSON COUNTY FAVORED SCOTT FOR TREASURER

Floyd Cook Third in Race for Republican Nomination—Big Vote to McNary

Leslie M. Scott of Portland, carried Jackson county handsomely, in the vote for the republican state treasurer nomination.

The official count stands: Scott, 2,382. Hill, 1,543. Cook, 972. For attorney general, I. H. Van Winkle, unopposed on the republican ticket received 4,392 votes.

McAllister Tops Vote William M. McAllister, Medford, led Earl T. Newbry, Talent, by 76 votes in the official count, for renomination for representatives from Jackson county. McAllister was given 4,046 votes, Newbry 3,970 and Mrs. Ariel Burton Pomeroy 1,261.

McNary Gets Big Vote Senator Charles L. McNary of Oregon received 4,501 votes as a presidential candidate on the republican ticket, in the Jackson county primary. He also received 27 democratic write-in votes, the official count, completed yesterday, shows.

Thomas E. Dewey of New York, was accorded 222 write-in votes for president, Sen. Robert A. Taft got five, and Wendell Willkie received 11 votes. Twenty-seven republicans wrote in the name of President Roosevelt.

The official count of republican electors for president and vice-president was:

- Sawyer, 3,888.
- Ingalls, 3,873.
- Crandall, 3,788.
- Johnson, 3,734.
- Boehneke, 3,728.
- For republican delegates to national convention: Brown, 888.
- Campbell, 1,389.
- Elliott, 1,880.
- Farrell, 2,010.
- Fisher, 1,003.
- Mahood, 698.
- McGowan, 1,463.
- Metschan, 2,760.
- Stanfield, 2,520.
- Tooze, 2,560.
- Zimmerman, 1,712.

Close-Vote Candidate Salisbury, Md. (U.P.)—Perseverance conquers, John E. Morris believes. Morris wound up in a 606-606 tie for the Democratic nomination for city council at the primaries. "Well," he commented as officials planned a recount and possibly a special run-off election, "last year I lost by a single vote."

In Error 20 Years New Britain, Conn. (U.P.)—Mrs. Rose Vaskalis thought that when she married an alien in 1920 she automatically lost her United States citizenship. She didn't find out otherwise until 20 years later when she went through the formality of taking out naturalization papers and was told it was unnecessary.

WILLKIE RECEIVES SIZEABLE VOTE IN JERSEY'S PRIMARY

Write-in Campaign Gives Utility Magnate 9,137 in First Test of Strength

Newark, N. J., May 22.—(U.P.)—Thirty-two votes were added today to the political convention prospects of President Roosevelt and Thomas E. Dewey as results of New Jersey's primaries, in which Wendell L. Willkie polled a sizeable write-in vote at his ballot baptism.

First voters in the nation to consider the utilities magnate as presidential timber, New Jersey republicans in a last-minute write-in campaign gave him 9,137 votes in 1,225 election districts. The total was exception for the type of campaign, though it failed to approach Dewey's 186,908 in 1,944 districts.

Hoffman Concedes After tabulation of returns from 3,353 districts had given Robert C. Hendrickson a plurality of more than 23,000 votes (249,187 to 225,302) former Governor Harold G. Hoffman conceded his 41-year-old opponent's victory as republican nominee for governor. Hoffman is 44.

Dewey, only candidate whose name appeared in the republican presidential preference column yesterday, virtually clinched the state's 32 votes in the forthcoming national convention. The preference is not binding, but delegates had agreed to support the winner.

Roosevelt Gains 32 Willkie workers wrote in his name in an effort to establish him as second choice should New Jersey desert the New York district attorney during the convention.

Although he had not entered the presidential preference poll, President Roosevelt's convention support rose 32 votes nearer third-term strength with election of 64 delegates pledged to him.

Unopposed in the democratic

primary were Navy Secretary Edison for governor and James H. R. Cromwell, minister to Canada, for United States senator. Both have said they would resign before entering the general election campaign.

Cromwell's November opponent will be U. S. Senator W. Warren Barbour, who coasted to re-nomination on the republican ticket.

Jumps State Line Delmar, Del. (U.P.)—This town of 2,000, which is bisected by the Delaware-Maryland state line, presented an unusual problem to the census bureau. Census-takers finally ignored the

state line, and counted the population here with tabulators from the Maryland office, technically taking the town out of Delaware jurisdiction.

SPEED WINS IN A RACE, BUT SLOW BURNING WINS MY VOTE IN A CIGARETTE. I SMOKE CAMELS. CAMELS ARE EXTRA MILD, EXTRA COOL—AND THEIR SLOWER BURNING GIVES ME EXTRA SMOKING

JIMMIE KELLY, Driving Speed Ais of Motor-Cycle Racing

YES, speed's fine in its place, but in cigarettes, millions have learned that the big extras in pleasure and value are on the slow side... the slow-burning side. Naturally, the slower your cigarette burns, the cooler the smoking... the more mildness and flavor you get.

Camels...made from costlier tobaccos...are definitely slower-burning. They give you extra mildness, extra coolness, extra flavor—and extra smoking per cigarette per pack (see below).

In recent laboratory tests, CAMELS burned 25% slower than the average of the 15 other of the largest-selling brands tested—slower than any of them. That means, on the average, a smoking plus equal to

BLENDED 33 TIMES TO MAKE ONE GREAT BEER

ONLY PABST BLUE RIBBON BRINGS TOGETHER 33 SEPARATE BREWS—FOR UNVARYING GOODNESS!

It's blending that gives a certain coffee—a particular champagne—its own delicious flavor...and keeps it that way.

It's the same with Blue Ribbon beer. In every glass is a blend of not two, not six or twelve...but 33 separate brews, from 33 separate kettles! Each brew is as fine as 96 years of skill can make it.

But brewing is a natural process, and Nature never yields two brews alike, even with the same formula, under strict scientific control.

That's why Pabst blends 33 separate brews. Expensive? Of course. But that's what makes Blue Ribbon America's Premium Beer. Its smoothness is unique, its goodness never varies.

Sometime today, have the pleasure of meeting Blue Ribbon.
