Wall St. Report

New York, May 22.—(P)—The ebb tide of selling turned in the stock market today and a selective flow of buying set in. Aircrafts, steels and specialties were the principal gainers.

As news from the theater of war appeared more favorable to the allied cause, the hysterical selling of Tuesday was converted into careful buying in issues calculated to benefit from American rearmament.

The move was not vigorous, and many leaders had lost part of the day's gains at the finish. Turnover, at about 2,100,000 shares, was only about half Tuesday's.

Douglas, United Aircraft, Glenn Martin, and Sperry were most consistent performers on the upside. Others in favor most of the time included Montgomery Ward, Youngstown Sheet, Du Pont, Allied Chemical, Loft, Great Northern preferred, Case, American and Eastman.

Lower were American Telephone, Santa Fe, U. S. Gypsum, and J. C. Penney. Today's closing prices for 32 selected stocks follow: Al. Chem. & Dye 4½, Am. Can 91, Am. & Fgn. Power 1, A.
