

### CAMPS IN FOREST MORE POPULAR AS SEASON ADVANCES

Outdoor Life is Attracting Increasing Numbers to Improved Sylvan Areas

The following recreational bulletin was issued today by Rogue River national forest headquarters:

"As summer weather prevails in the valley, recreationists are offered opportunity to return to the coolness and beauty of early spring in the Rogue River national forest.

"Fishing conditions for the week-end are as follows: Fish lake continues to be good, with best results being secured by trolling, but with good catches also being made with bait. No catches are being reported at Lake o' Woods. At Hyatt reservoir, bass are being taken with plugs.

"The season for the lakes in Klamath county along the Cascade divide opened on the 20th; the only one now accessible is Blue lake where rainbow are being caught with worms and have also been noticed rising to flies.

"Limit catches are being made in the south fork and middle forks of Rogue river with flies and helgamites. Above Union creek fair catches are being reported from the river and good catches from Hershberger, Crater and Buck creeks. Mill creek above Prospect should also be good along the Crater Lake highway. Squaw lake has been fairly good; a few catches in the Applegate river have been made late in the day with flies.

**Water Level Down**  
"Rogue river, outside the national forest, is reported to be excellent, with water rapidly lowering to summer level. The past few days of hot weather have brought out a large hatch of flies and best results are being obtained with parmachena belle, black goat, grey palmer and red upright. Steelhead are being taken on small spinners.

"Roads newly opened this week are Blue Canyon, which is now in good condition to Blue Rock lookout; Thompson creek, where the newly-constructed portion is now open to travel; and sections of the Ashland Loop, which may be traveled to Dutchman peak from the Applegate side and to Bull Gap from Ashland.

"The Little Applegate loop over Anderson Butte has been improved during the past week. The county road from the Klamath Falls highway to Hyatt lake has been maintained. The Hershberger road is blocked with snow three miles from the end at Hershberger mountain. In the Union creek district, all forest camps are ready for use and the larger ones have been receiving heavy patronage.

**Showers Abundant**  
"Wild flowers are especially abundant in the Union Creek district, being in full bloom along the highways, in the timber and in the meadows.

"In the Butte Falls district, some of the camps have not received complete spring clean-up but all may be used. At Lake o' Woods, the drinking water has been turned into the Aspen Point and Rainbow camps and the camps are in good condition. The McKee camp continues to

be popular and a few of the more hardy are swimming in the river there.

### SPLIT GREENBACKS GIVEN CASHIERS AT TWO MOVIE SHOWS

How to make a \$10 and a \$1 bill grow to two \$10 greenbacks was successfully demonstrated by an unidentified man last night. Police are searching for him today.

About 8:15, a man walked up to Miss Jerry R. Hermanson of 515 South Grape street, cashier at the Roxy theatre, and requested one ticket. He laid on the counter a \$10 bill, received his change and, instead of entering the theatre, sauntered east on Main street across the Bear Creek bridge.

A short time later a man approached Miss Bessie Dean of 16 Laurel street, cashier at the Rialto theatre, and purchased one ticket. He paid for it with a \$10 bill, then walked off without entering the movie house.

It was not long afterward before city police were summoned to both theatres and the clever scheme was revealed. The two \$10 bills were, actually, only one \$10 bill. It had been split perfectly, along with a \$1 bill and the divided portions of the \$10 and \$1 greenbacks had been glued together to represent two ten-spots. On one side of each bill the denomination was \$10; on the other side it was \$1.

Police figured out the man made \$8.40 on the currency manipulation. His two theatre tickets amounted to 60 cents, he started with a capital of \$11 and he successfully passed the two purported \$10 bills.

The man was described as being about 30 years old, wearing a blue shirt and no hat.

### PRESBYTERIANS TO HONOR WAR VETS

War veterans and members of other patriotic groups will be guests of honor Sunday at 11 a. m. at Memorial Sunday services in the First Presbyterian church. The public in general is invited.

A musical program of patriotic numbers has been arranged and Dr. Sherman L. Divine will speak on "The Real Spirit of America."

Members of veteran and other patriotic organizations are asked to assemble at the church at 10:45 to attend in groups.

Customary Decoration Day exercises will be held in the city next Thursday.

### Births

Born to Mr. and Mrs. Fred Carr of 16 Florence avenue in Sacred Heart hospital May 23, a girl weighing seven pounds, four ounces. The baby has been named Carolyn Elizabeth.

Closing time for Two Late to Classy Ads is 1:30 p. m.
