Real Americans Defined
To the Editor:
Hold no allegiance to any foreign government, emperor, or any other foreign, political, or religious powers.
Hold your allegiance to the Stars and Stripes next to your

allegiance to "God", alone. Believe in just laws and liberty. Believe in the upholding of the constitution of the United States. Believe in a closer relationship between capital and American labor. Believe in the prevention of unwarranted strikes by foreign labor agitators. Believe your rights in this country are superior to those of unnaturalized citizens. If you believe in the fundamentals as expressed you believe in the creed of—
True American for America.

Mr. Todd sustained cuts and bruises about the head and was rushed to Medford to a doctor. The other passengers, a small boy and girl, were shaken but otherwise uninjured. The truck was badly wrecked.
