WAKE UP YOUR LIVER BILE—Without Calomel—And You'll Jump Out of Bed in the Morning!

Without Calomel—And You'll Jump Out of Bed in the Morning! The liver should pour out two pints of bile into your bowels daily. If this bile is not flowing freely, your food may not digest. It may just decay in the bowels. Gas builds up your stomach. You get constipated. You feel sour, sick and the world looks black.

Board to Meet—Board of directors of the Jackson County Chamber of Commerce will hold a luncheon-meeting in the Hotel Medford Friday noon.

ACTIVE CLUB HEARS AIMS OF ATHLETIC ASSN. FROM FABRICK

Glen L. Fabrick, treasurer of the Medford Athletic association, addressed the weekly dinner-meeting of the local Active club in Hotel Medford last night, explaining the purposes and aims of the association and describing the operation of the \$6,000 lighted fairgrounds field, where the association stages its sports attractions.

Fabrick told of the obstacles encountered by the association in financing the new baseball park through the sale of revenue bonds, and conversely of the splendid cooperation received from many sources. Following his talk, he answered questions pertaining to the association's program.

It was announced that next Tuesday night's meeting would take the form of a dinner at Burgoynne's. Kenneth Tando, U. S. army auditor from Vancouver, Wash., was a guest.

GENERAL OFFERS IMPROVED FUELS

Coincident with the announcement of General Petroleum Corporation of a reduction in the price of gasoline comes the statement from Don Dawson, general sales manager of the company, that both General's leading brand and premium gasoline are new products.

According to Mr. Dawson's announcement, these new fuels have higher octane ratings and superior road performance than have been available with any fuels marketed by the company. The price reductions, made public by Grant Bean, local agent, show that the company's leading and most advertised brand which has been selling here at 22 1/2 cents has been reduced 1 1/2 cents making the new local retail price 21c.

At the same time Mobilgas Special, General's newly developed premium gasoline is announced at a price of 23c as compared with 23 1/2c, the price at which the company's former premium grade of fuel was sold at the pump.

"We feel that this further contribution to motoring service will be well received by the public, in that the motorist will not only benefit directly through a drop in price of these Mobilgas products, but will find that the improved characteristics of both Mobilgas and Mobilgas Special will unquestionably result in a much smoother and more economical performance of their automobiles," Bean said.

Daphne du Maurier Novel 'Rebecca' on Craterian's Screen

Against a background of chilling mystery and eeriness, the picturization of "Rebecca", best-selling novel by Daphne du Maurier, opens a four day run today at the Craterian Theatre. Directed by Alfred Hitchcock, master of mystery-thrillers, "Rebecca" was filmed with Laurence Olivier and Joan Fontaine in the top starring roles, while the featured supporting cast includes Judith Anderson, George Sanders, Nigel Bruce, C. Aubrey Smith, Reginald Denny and Florence Bates.

The story concerns a young and unsophisticated girl who becomes the bride of the wealthy and socially prominent Maxim de Winter. When they return to live on his vast Tudor estate, Manderley, the second wife learns, to her horror, that her life is being dominated by the first wife, a very beautiful woman who fascinated all who knew her.

Furthermore, the memory of Rebecca is kept alive by Mrs. Danvers, de Winter's housekeeper, played by Judith Anderson. Mrs. Danvers resents the second Mrs. de Winter and does everything in her power to harrow her. After an elaborate ball given at Manderley, the story moves swiftly to a smash climax, stunning in its surprise, and terrifying in its impact. This scene takes place in an abandoned boat house.
