(Continued from page One.)

Paris spokesman, who cited terrific German assaults all along the western front from the lower (west) Seine to the Argonne forest.

The Germans reported advances from 50 to 70 miles toward Paris "on many fronts" in the past six days of the titanic struggle.

"Our offensive," it was said, "is going ahead of schedule."

A report from the Nazi front said quick-firing German anti-aircraft guns levelled off with an effective horizontal range of eight miles, had destroyed 200 Allied tanks.

Italian Coast Bomber.

Rome reported the first enemy assault on Italian soil since Premier Mussolini declared war Monday—an unspecified attack on the Ligurian coast, where the great Italian shipping port of Genoa is situated. Earlier, London had reported a British bombing attack on northern Italy.

Mussolini's fascist warriors meanwhile were reported massing along France's southern frontier, in the Maritime Alps. They were said to have been between 80 and 70 divisions—about 900,000 to 1,050,000 men ready to hurl against the already beleaguered French.

To the quickening beat of the war tempo, Italy was reported to have handed an ultimatum to Egypt.

The ancient kingdom of the Pharaohs, guardian of Britain's vital Suez canal, had been specifically exempted from Italy's war aims as pronounced by Premier Mussolini—if it maintained its neutrality.

ASTORIA, Ore., June 12.—(P)

A derelict fishing boat, its motor running and trolling lines out, menaced the salmon fleet off the Columbia bar yesterday after the operator apparently fell overboard and drowned.

The troller diver was checked after another boat maneuvered alongside and Fisherman Tapani Piippo leaped aboard the unmanned craft.

Fishermen said the Diver went out yesterday morning with Alex Salminen of Astoria aboard. They said he probably fell while tending lines.

New York, June 12.—(P)—Stocks climbed as much as four to nine points today as Wall street saw hope for the defense of Paris and prospects of long-range improvement in American industry.
