

SPRAGUE SAYS PUBLIC SLOW IN DECIDING ON PRESIDENTIAL CHOICE

Salt Lake City, June 14.—(P)—Gov. Charles A. Sprague of Oregon expressed the belief here Thursday the outcome of the 1940 presidential race is likely to be uncertain until two or three weeks before the November poll.

This, he told interviewers, is true because "you cannot tell what the public reaction is going to be to the president's international policies. The public mind is not yet clear on the matter and may not be clear until two or three weeks before the election."

He spoke highly of the qualities of Senator McNary (R., Ore.) as a Republican presidential candidate. Thomas E. Dewey, New York district attorney, he said, also would get strong support in Oregon if he were nominated.

En route home from the national conference of governors at Duluth, Governor Sprague visited with party leaders here and in Ogden, Utah.

BAKER TIRES OF PRO-NAZI GOSSIP

Great Neck, N. Y., June 14.—(P)—Louis Uhlmann, a baker, placed a big sign across his show window today. It said, "I have been accused of fifth column activities and of being pro-Nazi and many other false stories have been circulated about me."

"I am a loyal American and believe in everything this country stands for."

"I have placed on deposit with the Great Neck Trust the sum of \$500 to be paid to the American Red Cross upon presentation of any evidence whatsoever to the contrary."

GANNETT WOULD GIVE WAR VICTIMS SURPLUS

Virginia, Ill., June 14.—(P)—Frank Gannett, the publisher, proposed today that congress donate \$500,000,000 worth of surplus farm products to warring European nations to avert "the worst famine in all history."

Carrying his campaign for the Republican presidential nomination to Illinois, Gannett asserted in a prepared address that "America can keep millions from starving and from freezing to death in the coming winter."

LIBEL SUIT CATCHES SHIP SLATED TO TAKE MACHINERY TO RUSSIA

Tacoma, June 14.—(P)—A \$20,000 libel suit based on an alleged harbor accident at Portland, in which two men drowned today was filed in federal court against the Swedish freighter Ecuador, which has been lying mysteriously idle at a dock here since Tuesday when she was scheduled to start loading 133 carloads of potential war cargo for Russia.

The libel suit charges the vessel, owned by the Johnson line, was responsible for the drowning of two men in Portland harbor last May 4.

A guard was placed aboard the Ecuador to keep her from sailing. Federal officials said the action would not prevent loading operations.

However, the Ecuador's hatch covers remained closed and the huge shipment of truck bodies, dies and precision instruments purchased in the east by Amtorg, Russian trading agency, still stood on a railroad siding.
