

HEART GENERATES NEGATIVE CHARGE SAVANTS DISCOVER

Electric Presence Is Interpreted As New Explanation Metabolism Workings

By Howard W. Blakeslee
Associated Press Science Editor
Seattle, June 20.—A discovery that the heart is a powerhouse of negative electricity was announced to the American Association for the Advancement of Science here today.

How One Woman Lost 26 Lbs. of Fat

Fat Girls—Here's a Tip
NEW YORK—Special. In 40 days Mrs. Helga Blaugh reduced 26 lbs. Took 4 inches off hips, 3 inches off bust and 7 1/2 inches off waist. Writes: "I feel fine and look 10 yrs. younger."
How would you like to safely and harmlessly lose 15 pounds of fat in a few weeks? How would you like to lose your double chin and your too prominent hips and abdomen and along with it get the increase in energy and improvement in health so often accompanies excess fat reduction?
Get on the scales today and see how much you weigh. Take a half teaspoonful of Kruschen in a glass of water first thing every morning. Then eat your fill of foods that lessen caloric intake. After 30 days, weigh yourself again and just see if you haven't lost pounds of ugly fat. Kruschen is a famous English formula made in U. S. A. It comes in either the new pleasant bubbling form or plain non-fizzy form for those who prefer to take it in hot water. A bottle lasts 4 weeks and costs but a trifle. Money back if not joyfully satisfied. Western Thrift Store.

The discovery was interpreted by its authors as a new explanation of the workings of metabolism, which is the energy production of living tissues.

The negative electricity discovery was reported jointly by Dr. George W. Crile, surgeon, Dr. Otto Glasser, physicist, and Daniel P. Quiring, anatomist, of Cleveland.

Corpuscles Charged.
They measured the electrical charge on the red corpuscles of the blood. This charge, they said, is a negative electrical potential, averaging in animals four-thousandths of a volt. Their experiments showed that the red corpuscles take on the charge as a result of the heart beat.

Dr. Crile said this explains for the first time why all the body is electrically negative, while the brain and nervous system are electrically positive. The negatively charged red corpuscles, three trillion in number, travel through 62,000 miles of capillaries and in so doing transfers some of their negative charge to the tissues.

Brain Is Positive.
The brain and nerve tissues meanwhile remain positive because they take up oxygen at a more rapid rate than any other body tissues.

The result, said Dr. Crile, is a difference of potential, or electrical tension, between the brain and nerves on one side and the tissues on the other.

Speeding the heart, as in

Seeks Huge Navy for U. S.

A \$4,000,000,000 expansion of the navy to give the United States the greatest fleet in the world was recommended by Admiral Harold R. Stark (right), chief of naval operations. Admiral Stark made the proposals before the house naval committee in Washington, D. C. He is shown with Rep. Colgate W. Darden, Jr. (D-Va.) at the hearing.

work, raises the potential so that the system can almost instantly do more work. The potential drops with illness and fatigue, and disappears with death.

Births

Born to Mr. and Mrs. Lawrence Hull of route 4, a girl weighing six pounds and 15 ounces in Sacred Heart hospital last evening, Wednesday, June 19.

ETHIOPIANS REVOLTING AGAINST CONQUERORS

London, June 20.—(AP)—Reuters, British news agency, in a dispatch from Jibuti, French Somaliland, said revolts against the Italians were beginning in each province of Ethiopia. It reported Italian planes were visiting Jibuti about four times daily without dropping bombs. Activity by patrols, it said, has increased.

KNOX IS ELECTED DISTRICT HEAD OF LIONS, IS REPORT

Word was received here today of the unanimous election of Leland J. Knox as district governor of the Lions club at the state convention in Marshfield, Mr. Knox, member of the Medford Lions club, has been deputy district governor the past year.

Frank Hull, manager of the Jackson County Chamber of Commerce, emphasized the abundance of natural and historic attractions in southern Oregon in a talk presented at the Tuesday dinner-meeting of the Lions club in the Hotel Medford. Mr. Hull dwelled upon the possibilities these attractions present in influencing more tourists to spend more time in the Rogue River valley.

Introduced as new members of the club were the Rev. R. W. Coleman, pastor of the First Christian church, and Kenneth Wells, Boy Scout executive of Crater Lake council.

Earl Stanton, new sales manager of Lapham Motors, Inc., and a member of the Marshfield Lions club, was present as the guest of Grant Bean.

NORBLAD FOR WILLKIE IF M'NARY WITHDRAWS

Astoria, Ore., June 20.—(AP) Walter Norblad, delegate to the Republican national convention, entrained for Philadelphia yesterday after announcing that if Senator McNary withdrew he would vote for Wendell Willkie for the Republican presidential nomination.

Reprieve.
Kansas City, June 20.—(AP)—A red cow won a reprieve from the packing house by giving birth to triplet heifer calves. Veterinarians said triplet calves are "very rare."

Bucharest is known as the "city of joy" because its name is derived from the Albanian word "bukur," meaning joy.

Joy of Living

Typical of the 572,000 Girl Scouts in the United States today is this gay young miss. She looks as though being a Girl Scout agrees with her. Health, good sportsmanship, and a quick sense of humor are aims of this world-wide movement.

Presbyterian Young Eager For Opening Fir Point Conclave

High enthusiasm stirs the young people of the Presbyterian churches as they prepare for the opening of the Fir Point Summer Conference near Glendale, Oregon, June 24 to July 1. This is the annual conference for Senior and Young People's grades.

A faculty of nine will pre-

sent courses, under leadership of deans, Rev. M. H. Roach, Roseburg, and Rev. L. Mitchellmore, Merrill. Registrar is Mrs. H. S. Reichard, Grants Pass; dean of girls, Mrs. Reed Wilter, Grants Pass; dean of boys, Rev. L. Mitchellmore. Outlook for attendance is more promising, one church having already registered twelve delegates. This conference covers Lake Klamath, Josephine, Coos and Curry counties. Rev. John W. Hoyt, Medford, is chairman of the committee of arrangements for the Presbytery.

AMANDA MOBERG TAKEN BY DEATH

Amanda Louise Moberg, a resident of Medford for the past five weeks, making her home with her daughter at 51 North Oakdale avenue, passed away early Thursday morning after five months' illness. The family home is at Scotts Mills, Oregon. Mrs. Moberg came to Medford to be with her daughters, during her serious illness.

Mrs. Moberg was born at Terrace Falls, Minnesota, September 15, 1879, and had lived in Oregon for 35 years. She is survived by her husband, S. P. Moberg, of Scotts Mills, two sons, Russell Moberg and Alford Moberg, of Gates, Oregon, five daughters, Louise Kellis of Medford, Ore., Corinne Moberg and Mary Nelson of Scotts Mills, Ore., and Viona Moberg of Scotts Mills.

Remains will be transferred

to Silverton, Oregon, for services in interment. Peril funeral home in charge of arrangements. Use Mail Tribune want ads.

DISCOVER CAUSE OF ROBIN DEATH

Groundkeeper Turnbow has discovered what killed the robins, found dead on the court house lawn last week.

The birds had feasted on caterpillars, killed when a tree in a yard across King street was sprayed. A number of robins turned up their toes there and a half dozen or so flew back to the court house lawn to die.

DOES TELEPHONE RINGING GET ON YOUR NERVES?

The newest thing "Soft-Bell Hand-Telephones" have been installed in every room at the Clark, Los Angeles. Too, every bed has the latest inner-spring mattress so important for perfect rest. You can count on real comfort at Hotel Clark in downtown Los Angeles. The comfort and service at the Clark is enhanced by its very central location, Fifth and Hill, so convenient to all stores, theatres and places of other interest downtown, yet only fifteen minutes from "Hollywood." You'll be surprised at the very low rates. Yes the lowest of any first-class hotels in the city, rates ranging from \$2.50 to \$10.00 per day. Choose Hotel Clark when you next visit Los Angeles.—Adv.

NOW I KNOW WHY ROYAL CROWN COLA HAS WON 9 OUT OF 10 TASTE-TESTS!

Cheese parings and candle ends...

Those who saved them used to be sneered at as stingy. But why? Even cheese parings and candle ends have their uses. And hasn't it always been smart to be thrifty?

Yes. And that's why you ought to read the advertisements. A little money saved here and there can make a whale of a difference by the end of the year!

So whether you want a dress, or a bathing suit, or anything at all, don't run out and snap up the first thing you see. Take your time, and save money. Read the advertisements in this newspaper. It's just like having a dozen bargain counters lined up beside your armchair!
