

FARM SURPLUSES IN FEDERAL HANDS REACH NEW PEAK

Reserve Supplies Valued at Nearly Billion Dollars Under Crop Loan Plan

By Fred Bailey
Washington—(U.P.)—The ever-normal granary reserve supply of surplus agricultural products has reached record levels and is expected to be materially increased this year, according to department of agriculture reports.

The reserve supply of these products held by the Commodity Credit Corporation under loans to producers, or owned by the corporation, is valued at nearly \$1,000,000,000, according to latest reports by the corporation.

The corporation disclosed that it has taken over products valued at \$471,633,000 in default of loans to growers. It has loans outstanding on products having a book value of \$478,761,000. Both groups are comprised chiefly of cotton, corn, wheat and tobacco.

Loans 300 Millions
Last year the corporation made loans to producers on 12 commodities: Cotton, corn, rye, wheat, tobacco, peanuts, figs, butter, wool, mohair, turpentine and resin. These loans totaled approximately \$300,000,000.

The corporation's plans to expand 1940 loans were indicated in its request to congress for authorization to increase its almost exhausted borrowing power from \$900,000,000 to \$1,400,000,000.

Secretary of Agriculture Henry A. Wallace has authorized the corporation to make loans averaging 64 cents a bushel on 1940 wheat, about 35 cents a bushel on rye and 30 cents a bushel on barley. This is the first time that a barley loan has been authorized.

Loans are considered virtually certain on 1940 cotton and corn, as well as most, if not all, other commodities on which 1939 loans were made. The cotton loan is expected to be around 9 cents a pound and corn at between 57 and 62 cents a bushel.

The corporation now owns approximately 6,600,000 bales of cotton valued at \$375,000,000 and has loans outstanding on 2,700,000 bales valued at about \$132,000,000. All except 22,000 bales of that total was produced prior to 1939.

Corn Holding Huge
Since the first loan program in 1933 the corporation has made loans to farmers on 837,268,000 bushels of corn. It now either owns or has loans outstanding on 514,000,000 bushels of that total valued at \$307,150,000.

Loans were made in 1938 and 1939 on 350,000,000 bushels of wheat. Of that amount the corporation either owns or has loans outstanding on 106,000,000 bushels valued at \$75,000,000 under the loan rate of 60 cents a bushel in 1938 and 70 cents a bushel in 1939.

Tobacco loans have been made on 253,311,000 pounds, of which 178,000,000 pounds were from the 1939 crop. Loans are outstanding on 194,000,000 pounds, valued at \$39,807,000, according to latest reports by the corporation.

Relatively small quantities of peanuts, rye, prunes, raisins, hops, pecans, figs, dates, butter, naval stores, and wool and mohair remain under loan. Their total value amounts to approximately \$20,000,000.

Truck Kills Youth.
Eugene, June 21.—(U.P.)—A 15-year-old youth, Marvin Farris, was killed today when he fell under the wheels of a truck as he attempted to catch a ride. The accident occurred near Cheshire, 15 miles northwest of here.

CHURCH SERVICES TO BEGIN IN PARK SUNDAY, JUNE 30

Medford Ministerial Association Announces Fifth Year of Joint Open Air Rites

For the fifth consecutive year, union park services will be held in the city park beginning Sunday, June 30 and continuing for 10 weeks, closing with Labor Sunday, September 1. Ten churches will cooperate again this year. The services will be held at the vesper hour, 5:30 p. m. Choirs of the cooperating churches will furnish the music and a loud-speaker system will be used.

The schedule of preachers follows:

- June 30, Rev. R. W. Coleman, of First Christian church.
 - July 7, Rev. Leonard Weston, of Full Gospel church.
 - July 14, Capt. Charles Cox, of Salvation Army.
 - July 21, Rev. Herald Gardner, of St. Mark's Episcopal church.
 - July 28, Rev. Fred Weatherford, of Nazarene church.
 - August 4, Rev. Werner Jensen, of Zion Lutheran church.
 - August 11, Rev. C. B. Starkey, of Free Methodist church.
 - August 18, Rev. Sherman L. Divine, of First Presbyterian church.
 - August 25, Rev. T. O. Satterfield, of Church of God.
 - September 1, Rev. Joseph Knotts, of Methodist church.
- The messages will be denominational in character and the Medford Ministerial association invites all to attend.

M'NARY PESSIMISTIC OVER CRESCENT CITY HARBOR WORK FUNDS

Grants Pass, June 21.—(U.P.)—There are little or no prospects of getting all or any of the \$1,610,000 vetoed by President Roosevelt back for the Crescent City, Cal., harbor this session, Senator Charles L. McNary has wired F. I. Bristol of the Grants Pass Chamber of Commerce.

That sum was included in the rivers and harbors bill for defense purposes and to provide a seaport for the mid-Pacific area including the Rogue River valley.

"Yesterday morning I urged upon the commerce committee the inclusion of Crescent City project in the so-called rivers and harbors national defense bill," McNary wired. "The president sent to the committee a brief list of projects and said he would veto the bill if it was enlarged to include other projects, so I was unable to get Crescent City harbor in this program. I feel certain we will share a better fate in the next rivers and harbors bill."

LIQUOR BOARD NEEDS LARGER HEADQUARTERS

Salem, June 21.—(U.P.)—The state liquor commission, meeting here today with Gov. Chas. A. Sprague, said it was looking for new headquarters and warehouse facilities in Portland.

"We are thinking of either buying or leasing new headquarters and new warehouse facilities," the commission said, "as our present facilities are inadequate."

Religious Touch

Louisville, Ky.—(U.P.)—A pick-pocket went to church, Dr. William T. Bruner reported sadly to police. While standing in receiving line to extend the "hand of fellowship" to new members, Dr. Bruner said he was given a shove from behind. Soon afterward he missed his wallet and \$41.

I RECOMMEND IT—AND I OUGHT TO KNOW!

"My best is just where Borden's starts" moose Elsie, the Borden cow.

Such care Borden's takes—to see that good rich milk is evaporated just so, irradiated just so and, after sealing in cans, is sterilized just so.

The label to look for—Borden's familiar blue and white label. Hope you'll buy several cans today.

IF IT'S Borden's - IT'S GOT TO BE GOOD
