

LIGHT RAINS MAKE FOREST CENTERS MORE ATTRACTIVE

Brighten Foliage, Improve Roads, Survey Shows—Fire Caution is Urged

The following recreational bulletin was issued today by Rogue River national forest headquarters:

"The recent light rains have brightened up the forest foliage and improved the roads. Fishing conditions continue to be good. At Hyatt lake, bass are being taken with frogs as bait. At Lake of the Woods good catches of bass are being made with spinner and fly combinations, and of perch with worms. At Fish lake, the only really good catches are being made with live bait which is caught around the lake; still fishing is the best, with trolling fair.

"At Fourmile lake there has been very good trolling for rainbow, flashers with troutinos and also cluster eggs bringing results. Silversides are being taken by still fishing. Johnson creek above Johnson prairie is yielding good catches with grasshoppers, but it is extremely brushy. The north fork of Little Butte creek has been fair. At Rocky Point on Klamath lake some large rainbow are being caught by trolling.

"Limit catches are being taken in Big Butte near Butte Falls; the middle fork of Rogue river is poor and the south fork fair. In the Union Creek district, many good catches of rainbow and eastern brook trout are being made. The streams producing the best catches in that vicinity are Muir, Bybee, Crater, Foster, National, Copeland and Wizard creeks. The

north fork of the Rogue river from Natural Bridge to Hamaker guard station is at its peak for fly fishing. For eastern brook trout in these streams the best results are being obtained with bait, such as grasshoppers, worms and eggs. Fair catches with bait are being made in both the main river and the smaller streams in the Applegate district but flies are bringing no luck there.

Trails Ready
"In the Rogue river outside the national forest the best steelhead catches are being made with grizzly and professor flies. A few salmon are being caught in the vicinity of Rogue Elk and Rogue River lodge, and excellent catches of trout are reported. The boat trips in the vicinity of Trail offer attractive sport now.

"The trails to both Seven lakes and Sky lakes on the Cascade divide are ready for travel. Good catches are being reported at the Seven lakes, fair ones at Sky lakes. There are many mosquitoes there at this time of year.

Loop Road Open
"The Ashland loop road is now open but is still rather rough as grading has not been completed. This road and the one to Hershberger mountain and Abbott butte on the Umpqua divide are probably the most beautiful in the forest now, because of the large numbers of flowers in full bloom at these higher elevations. All forest camps are available for use with the exception of the one at Wrangle gap on the Ashland loop road, which is temporarily occupied by a CCC crew which is working on the road.

"During the past week there have been three fires on the Rogue River national forest, started by campfires which had been left unextinguished. Fortunately they were confined to small areas. As the ground cover becomes drier such carelessness becomes more and more liable to cause disastrous losses; so please be careful in the forest camps that they may be left for future enjoyment."

COMMAND—Known for his quick decisions, Gen. Sir John Dill, 58, who's commander of Britain's imperial general staff, is an exponent of tank and bomber warfare.

BOWMAN FREED OF 'BEANING' BLAME

New York, June 21.—(AP)—Ford Frick, president of the National League, today absolved St. Louis pitcher Bob Bowman of any blame in connection with the "beating" of Joe Medwick, Brooklyn Dodger outfielder, Tuesday.

Frick said his investigation revealed no evidence of intent to injure Medwick on the part of the young Cardinal pitcher and that the charges against Bowman therefore were dismissed.

The Brooklyn club, through President Larry McPhail, had charged formally that Bowman "deliberately" and "with premeditation" beamed Medwick.

SURPRISE PROMISED AT TOWNSEND MEET
(Contributed)
There is a surprise in store for those attending the Townsend Harmony club meet this evening at Dreamland Hall. The surprise will come during the program.

Townsend club headquarters is nearing completion and the committee has announced that next Tuesday evening will mark opening of the hall. Beginning at 5:30 supper will be served until 8 o'clock, when the program will begin. There is no regular meeting on this date and the evening will be devoted entirely to entertainment. The public is always invited at these socials, and particular

effort is made for their comfort.

Livestock

Portland
Portland, June 21.—(AP-USA)—Hogs: 200, supply very light; market largely nominal; but few sales fully steady; odd lots good-choice 175 to 200-lb. drive-ins \$6.10@6.15; packing some practically absent, quotable \$4.00@4.50.

Cattle: 220; calves 10; market nominally steady; week's early sales medium-good 1st steers \$9.25@10.25; few common light grass steers \$6.50@6.75; odd head cutter dairy type heifers \$7.50; medium-good beef cows quotable \$5.00@6.00; canner-cutter cows eligible \$3.75@4.75; bulls quotable \$7.25 down; few good-choice vealers \$9.00@9.50; common-medium calves \$7.00@8.50.

Sheep: 150; market nominally steady; package good-choice 80-lb. drive-in spring lambs \$6.00; shorn slaughter ewes quotable \$3.00 down.

South San Francisco
South San Francisco, June 21.—(AP-USA)—Hogs: 100; steady; 3 packages 192 to 22-lb. California \$6.10, sorted, 166-lb. at \$5.60; odd packing some \$4.10.

Wall St. Report

New York, June 21.—(AP)—Stock market dealings almost came to a halt today, and prices shifted narrowly, as many traders remained inactive pending publication of the German-French armistice details.

Transfers approximated 300,000 shares. Gains and losses of fractions were pretty evenly split at the close.

Steels were aided by another boost in the scrap metal. Motors kept their balance along with a handful of specialties, rails, motors and utilities.

Today's closing prices for 32 selected stocks follow:

BUSINESS IS GOOD AT LAPHAM MOTORS AND

LAPHAM MOTORS AND

To keep it good it is vitally important that we sell the used cars resulting from the sale of the many new 1940 Fords, Zephyrs and Mercury's with a minimum of delay.

AND To Accomplish This It Is Necessary

FIRST To properly recondition each unit.
SECOND To price each unit "WAY-DOWN" in order that we may sell it quickly—this we do without regard for our investment in them.
THIRD To provide the proper terms—"Your terms, within reason, are our terms."

WE Invite you to personally inspect our fine stock of used cars—IT WILL PAY YOU to get behind the wheel of a better used car now—Our selection of coupes the best in southern Oregon—Our prices the lowest.

IT'S OUR FAMILY'S WHISKEY, NEIGHBOR PA WILKEN'S PERSONAL RECIPE

Here Us Wilkens are Calling on the Statue of Liberty

My brother Bill, on the left there, remarked to my brother-in-law Tom standing next to him that this Statue in New York harbor has been holding the torch of Liberty for 54 years, just as long as us Wilkens have been distilling fine whiskey. William Alloway, in the dark clothes, our chief of coopers, got a smile out of that one.

The "NUTTY FLAVOR" of Our Family's Whiskey Sure Goes Big With All You Folks!

It seems like everywhere we go folks are taking mighty kindly to the good old-fashioned "nutty flavor" of Our Wilken Family Whiskey. Well, we want to tell you that tastiness is no accident. Our family's had 54 years of distilling experience—and on top of that we make our whiskey right straight from Pa Wilken's Personal Recipe. No wonder everybody's so delighted with its goodness and mild "nutty flavor," as well as its neighborly price.

WILKEN FAMILY BLENDED WHISKEY
