Mrs. Culbertson Feted At Shower Party By Zonta

Mrs. Thomas A. Culbertson, Jr., the former Miss Florence Scherrer, was honor guest Monday evening when the Medford branch of Zonta International met at the studio of Effie Kurtz on North Ivy street. A miscellaneous shower for the bride was delivered in novel fashion via parachute from a miniature plane, which glided across the ceiling, carrying the inscription "Culbertson Special" and "Travelling Zontians." Each time a gift "baled out" the honoree was required to answer a question relating to history and personnel of the club. Preceding the shower games were enjoyed and a short business session of the club was held with President Janie V. Smith presiding and Thelma Render acting as secretary. It was announced that May Moyers McElroy, president-elect of Zonta International, will visit the Medford branch July 11. Mrs. McElroy, an attorney with the firm of Moyers-Consaul in Washington, D. C., has previously visited here and is known to several local club members. Miss Smith appointed Thora Lawrence, Margaret Fabrick and Effie Kurtz as a committee to make arrangements for a dinner meeting at Rogue River lodge July 11 to fete the visitor. Anita Robertson will entertain her at luncheon the same day. The evening's entertainment closed with serving of festive refreshments, cake and ice cream in the form of a bride's jewel box with each guest's name inscribed on the covers. Assisting Mrs. Kurtz on the committee for the occasion was Lois Young.

The Better Way to Correct Constipation

One way to treat constipation is to endure it first and "cure" it afterward. The other way is to avoid having it by getting at its cause. So why not save yourself those dull headachy days, plus the inevitable trips to the medicine chest, if you can do it by a simple common-sense "ounce of prevention"? If your trouble, like that of millions, is due to lack of "bulk" in the diet, "the better way" is to eat Kellogg's All-Bran. This crunchy, toasted, ready-to-eat cereal has just the "bulk" you need. If you eat it regularly and drink plenty of water—you can not only get regular but keep regular, day after day and month after month! All-Bran is made by Kellogg's in Battle Creek. If your condition is chronic, it is wise to consult a physician.

The program will include voice, violin, harp and organ selections. The public is invited to attend all of the events. An impressive musicale was held last evening at the Lithia hotel when Edith E. Young, organist of Los Angeles, Cal., presided at the console. Mrs. Young is widely known as organist and teacher. She is also in the valley attending the Newhouse lectures.
