

# JACKSON COUNTY 1941 ALLOTMENT GIVEN ON WHEAT

AAA Farm Program Sets  
6641 Acres As Share in  
National Move.

Jackson county's 1941 wheat allotment, representing the county's share of the national wheat allotment under the AAA farm program, is 6,641 acres, according to announcement by Fred C. Homes, county agricultural conservation committee chairman.

This compares with a county wheat allotment for 1940 or 6,641 acres.

Oregon's wheat allotment for 1941, is 849,116 acres, compared with 851,458 acres in 1940.

The national wheat allotment for 1941 is 62 million acres, the same as in 1940.

The county allotment, Mr. Homes said, is now being broken down into individual farm allotments, which will be mailed to wheat farmers about August 1, 1940.

**Basin Shown**  
The county allotment is based on planted wheat acreage in the county during the 1930-39 period, with an allowance for acreage diverted from wheat under previous AAA programs and adjustments for trends in plantings and abnormal weather conditions.

It is expected that the reserve carried over from the 1940 crop and yield of the 1941 allotment will assure the nation enough wheat for all domestic needs, as well as foreign demand during the 1941-42 marketing year.

Wheat growers who cooperate in the AAA program by planting within their allotments also qualify for such advantages as conservation payments and parity payments.

## MUSIC BOX ROBBERS COVER UP WITH SONG

Tacoma, June 28.—(P)—In these days when lobby loungers are prone to discuss the sinner things, the operator of a Tacoma hotel was rather pleased early today when seven men stood around a music box singing, humming and whistling.

"I thought their volume was extra loud," Tony Wilson told police. "When they'd come I found the noise was just a cover-up. In the din, they took the back off the machine and removed the coin box, getting about \$8."

## BLUEBACKS SWARMING OVER BONNEVILLE DAM

Astoria, Ore., June 28.—(P)—Blueback salmon by the thousands swarmed over Bonneville dam counting boards in the week beginning June 16, the state fish commission said today.

Checkers counted 12,501 bluebacks, almost double the 1939 escapement of 6529 for the same period.

A total of 1868 Chinooks passed upstream, compared with 895 for the same week last year. Steelhead spurted to 757 against 217 in the previous period.

**Dog Protects Pig**  
Arcadia, Fla. (U)—Inseparable companions are Buddy, a 150-pound German police dog, and a tiny Hampshire pig, Mrs. W. P. Tucker, who owns the animals, reports that Buddy has kept almost constant guard over the pig since it was born.

**13 Eggs; 14 Chicks**  
North Abington, Mass. (U)—A barnyard biology freak still puzzles Selectman Ira E. Wright. He placed 13 eggs under a setting hen at his poultry farm, and 14 baby chicks were hatched.

**NOTICE OF SALE OF HOGS**  
NOTICE is hereby given that the undersigned, constable, Medford Precinct, Jackson County, Oregon, will on the 5th day of July, 1940, at the hour of Ten o'clock A. M. on the property of Dr. Charles T. Sweeney on the Old Pacific Highway North of Medford, in Jackson County, Oregon sell at public sale for cash, to the highest bidder, four (4) sows and six (6) pigs. That said sale is made pursuant to Section 20-1614 and Section 20-1615 of the Oregon Code, 1930.

All parties interested in said property, which is the property of K. C. Nelson and Mrs. K. C. Nelson, are to govern themselves accordingly.

N. S. YOUNG, Constable,  
Medford Precinct, Jackson County, Oregon.

## Freshly Made Iced Tea, Oatmeal Cookies, Real Hot Weather Treat

Easily made oatmeal cookies combine ideally with another old favorite, iced tea.

Here's a triple invitation that any summer hostess can extend to her family and friends—a tray of tall, tinkling glasses, a pitcher brimming of amber-colored iced tea, and a heaping platter of appetizing cookies, served in the shade of the porch or lawn. These simple refreshments offer relaxation, delicious refreshment and lasting coolness.

The iced tea quickly dispels the languor that so often comes with hot summer days, and restores enthusiasm for all the fun of tennis, golf, swimming and other action sports. Co-star oatmeal cookies with your tinkling beverage. They are nourishing, as well as appetizing and satisfy the hunger that summer sports work out.

To make really delicious iced tea, follow these simple rules: first, use a quality tea—one known for its world-famous flavor. Make iced tea as you would hot tea, with this difference: use a heaping teaspoon of Lipton's tea instead of a level teaspoon for each glass. Pour freshly boiling water over the tea and allow to steep for five minutes. Strain immediately over ice into pitcher. Squeeze a half teaspoon

## RUM REVENUES FAIL TO PROVIDE NEEDED PUBLIC RELIEF COIN

Salem, June 28.—(P)—Oregon's public assistance fund will be about \$650,000 in the red at the end of the year because liquor revenues failed to keep up with the demand for relief and pensions, State Treasurer Walter E. Pearson said today.

Pearson estimated public assistance expenditures for the last half of this year would be \$2,358,000, while revenues would be \$1,720,716.

"From now on, we'll have to live on borrowed money," Pearson said.

The 1939 legislature appropriated \$11,209,229 as the state's share of the public assistance bill for 1939 and 1940, but liquor revenues did not provide enough money to meet the appropriation.

## EMPLOYERS WILL CONFER HERE ON CHANGES IN LAW

Meeting July 26 Called by  
Associated Employers to  
Air Unemployment Act

One of a series of five employers conferences to be held in western Oregon in July to discuss proposed changes in the unemployment compensation act will be held here July 26 under sponsorship of the Associated Employers of Oregon.

The changes, initiated by the CIO, and others passed by resolution at the recent annual convention of the Oregon Federation of Labor would drastically effect the present unemployment act and bring about the following changes:

- 1.—Reduce the waiting period of unemployment compensation from three weeks to one week.
- 2.—Raise benefits in many instances to equal 60% of full time earnings.
- 3.—Eliminate cancellation of employers increased credits.
- 4.—Pay benefits for a period of 20 weeks instead of 16 weeks.
- 5.—Prevent lowering of employers rates under the "merit rating system."
- 6.—Elimination of what is now deemed "seasonable" employment.

Members of the unemployment commission at Salem will attend the conferences to explain their interpretation of the proposed changes and point out the effect the changes would have upon the payroll of Oregon's employers.

The conferences are open to all employers and an open discussion will be held during the sessions.

## HOOD APPLE GROWERS SEE GENEROUS CROP AND BETTER MARKET

Hood River, Ore., June 28.—(P)—Prospects of a generous crop and a revived domestic market stimulated optimism in the Hood River apple country today.

Market authorities predicted the famous fruit district would

## PINK TINGED STUDENTS FORBIDDEN TO RETURN TO MICHIGAN U. STUDY

Ann Arbor, Mich., June 28.—(P)—The University of Michigan's willingness to admit only democratically minded students received emphasis today in disclosures that several undergraduates had been informed they could not return to campus studies.

President Alexander G. Ruthven confirmed that "a small number of students" had been so advised after the American Student Union reported that seven of its members had been denied readmission.

Other students, Dr. Ruthven said, had received "warnings." The next regular term at the university, now in summer session, begins in the fall.

Dr. Ruthven, in his commencement address June 15, asserted that the university "welcomes only students who are convinced that democracy is the ideal form of government of a civilized people."

## ROCHESTER N. H. U.— When a group of spectators kidded him about his bowling, John Ferrigan threw a bowling ball into the crowd. He later pleaded guilty to assault and paid \$32 costs and damages to the man he hit.
