BRITAIN, FRANCE AT PARTING OF WAYS

AT THE NATIONAL CAPITOL
Senator Charles L. McNary has declined to have his notification ceremonies as Republican nominee for vice president because an auxiliary of the "whiskerino" centennial celebration which Salem is planning for next month...

Washington, D. C., July 5.—The senator, most loyal of Salemites (his farm, Fircone, is five miles from town on the River road—watch for the RFD mailbox), could see no connection between a strictly local celebration and a notification of a nominee by a major political party...

SENATOR McNary would like the notification to take place on his farm, part of his grandfather's donation land claim, and where he was born. However, he realizes there will be a throng and parking space is limited.

Champoeg park would be suitable, but it has a one-way road and this would mean a traffic jam. The state fair grounds, with its grandstand, speakers' platform and acres of parking area appears the most logical as thousands of motorists could be accommodated.

POLITICOS in Oregon are wondering whether McNary will resign before November. He will not. Should the Republican ticket be successful he might not resign until January 20. If he resigned before November, the governor could appoint a successor only until the

NATIONAL CAPITOL GUARD INCREASED

Washington, July 5.—(AP)—The police guard about the United States capitol was increased today and every sight-seer or other visitor to the great, gray building was required to state his business there.

Tourists freely were being admitted still, authorities said, but except when they traveled in officially recognized parties each had to be identified or identify himself. The identifications were taken by blue-coated officers stationed at the entrances.

Runaway Fatal
Colfax, Wash., July 5.—(AP)—Clarence Smiley, 38, of Estacada, Ore., died at the hospital here last night from a broken neck suffered Wednesday when he was thrown from a hay wagon as his team ran away. He was working on a farm near La-Crosse.

DRASTIC PROTEST GIVEN LONDON ON ATTACK ON FLEET

British Ready to Repeat Onslaught Should French Ships Attempt to Escape

London, July 5.—(AP)—The Madrid radio announced tonight it had been "established" that planes which bombed Gibraltar today were French.

Berlin, July 5.—(AP)—The high command is ready temporarily to defer disarmament of the remaining units of the French fleet under the armistice treaty provisions as a result of the British action against French vessels in the Mediterranean, the German armistice commission advised the French delegation tonight.

By the Associated Press
A stern French protest against Britain's attack on the French fleet in the Mediterranean was delivered in London today—apparently a sign that the estranged allies were about to break off relations.

Reports in Berlin said France already had severed diplomatic relations as Britain kept powerful units of the French fleet bottled up in Alexandria harbor, ready to attack at the first gesture of defiance.

The French embassy called the protest "as drastic and as stern . . . as it is possible to make."

Britain Firm
"We do not know what will happen or when the French will make a decision," British circles at Alexandria said.
"We only know that no French ship shall ever leave Alexandria to surrender to the enemy."

It was clearly indicated that any French attempt to slip out of the harbor would result in a repetition of yesterday's Anglo-French naval action in the western Mediterranean—the greatest sea battle of the war.

While the British acted decisively to prevent the French fleet from aiding Hitler's projected invasion of the British Isles, German and Italian warplanes yesterday sniped at two British naval bases.

Italian planes twice showered bombs on Alexandria, England's great base in the Mediterranean, attacking both French and British warships at anchor in the harbor. The toll: 15 killed 7 wounded.

F. D. R. Lists Five Objectives Before World Peace Assured

Hyde Park, N. Y., July 5.—(AP)—Five objectives which must be realized before permanent world peace would be assured were listed by President Roosevelt today, and first among them put freedom from fear, and that, he said, means disarmament.

The discussion, during a press conference, came at a time when Europe is fighting a bloody war and the United States is embarking on a vast defense program under the president's personal direction. This was how he listed the objectives:

- 1. Freedom from fear, so that people will not be afraid of being bombed from the air or attacked by another nation. That, he said, means removal of the weapons which cause fear, or disarmament.
2. Freedom of information. That is important, Mr. Roosevelt asserted, because the whole country must be able to get news of what is going on in every part of the country, and in every part of the world, without censorship. He said that it meant not freedom of the press alone but freedom of every means of distributing information and that without it there could not be a world.
3. Freedom of religion. Under democracies, the president said, this freedom has been maintained fairly well but not

War Bulletins

London, July 5.—(AP)—A reliable, although unofficial, estimate placed the number of German planes shot down over and around the British Isles since the start of the war at 107 with a "large number" badly damaged.

London, July 5.—(AP)—Tonight's air ministry communique said the British warplanes yesterday bombed Hamm and Emmerich in the Ruhr and also scored hits on hangars at the Amsterdam and Brussels airports. The German naval bases at Kiel, Wilhelmshaven and Emden also were attacked last night, the communique said.

London, July 5.—(AP)—An announcement by DNB, German official news agency, from Clermont-Ferrand, seat of the French government, says that General Charles de Gaulle, head of the French national committee in London, has been informed that he will be court martialled, the British news agency Exchange Telegraph reported today.

YOUTH CONGRESS REFUSES TO SEAT ANTI-RED GROUP

Lake Geneva, Wis., July 5.—(AP)—The American Youth congress regarded as a closed incident its refusal to seat an "anti-red" group of 40 would-be delegates claiming Gene Tunney's support, and went ahead today with a program that included two foreign policy questions.

The disbanded faction, however, while abandoning attempts to obtain a voting voice in the conference, met at nearby Williams Bay to ponder possible formation of a rival organization of the Junior Association of Commerce and the Young Democrat and Young Republican clubs.

The Tunney bloc, which had announced an intention of "riding the congress of communists," was refused voting power or a voice in conference deliberations yesterday because its members had not made "any application as delegates or presentation of credentials," an A.Y.C. spokesman declared.

SWEDEN GIVES NAZIS WAR SUPPLY PERMIT

Stockholm, July 5.—(AP)—Sweden today granted Germany the right to move supplies, including war materials, over Swedish railways to Norway.

GERMANY TOLD U.S. WILL STAND PAT ON MONROE DOCTRINE

Hull Says Doctrine Solely Matter of Self-Defense, Not Like European Copy

Washington, July 5.—(AP)—The United States replied today to a German challenge of the Monroe doctrine by stating that it was "a basic policy of the government to prevent aggression" in the western hemisphere.

For more than 100 years the doctrine has stood as a barrier to European penetrating of this hemisphere, in its refusal to permit transfer of territories in the new world from one non-American power to another.

But, Secretary Hull told his press conference today, the German foreign minister had been quoted in a reply to a recent American note on the Monroe doctrine as saying that interpretation of the doctrine to forbid such transfers would be "untenable."

He then went on to declare that the Monroe doctrine was solely a policy of self-defense and contained "not the slightest vestige of any implication, much less assumption of hegemony on the part of the United States."

His statement declared the Monroe doctrine "never has resembled and it does not today resemble policies which appear to be arising in other geographical areas of the world, which are alleged to be similar to the Monroe doctrine, but which instead of resting upon the sole policy of self-defense and of respect for existing sovereignties, as does the Monroe doctrine, would in reality seem to be only the pretext for the carrying out of conquest by the sword, of military occupation, and of complete economic and political domination by certain powers of other free and independent peoples."

SENATE RECESSES TO GIRD FOR FIGHT

Washington, July 5.—(AP)—The senate recessed for the week-end after an eight-minute session today and made ready for a floor fight Monday over President Roosevelt's nomination of Henry L. Stimson to be secretary of war and Frank Knox to be secretary of the navy.

Democratic Leader Barkley told reporters he thought that the two Republicans would be confirmed by a substantial majority, but "we will have to listen to some speeches first." Another matter for the senate next week will be action on the \$4,000,000,000 naval expansion bill.

Flames Destroy Carlton Sawmill

Carlton, July 5.—(AP)—A fire swept out of the boiler room yesterday and destroyed the L. H. L. Lumber company in about three minutes. E. J. Linke and Guy Haynes, operators, said they carried no insurance to cover a \$40,000 loss. The mill had a daily capacity of 100,000 board feet of lumber and employed 80 men.

FIRECRACKERS BLAMED IN HUMBOLDT BLAZE

Rohnerville, Cal., July 5.—(AP)—Exploding firecrackers, thrown between wooden buildings by a July 4th celebrant, were believed today to have caused a fire which razed four buildings and for a time menaced the entire town of Rohnerville, one of Humboldt county's oldest settlements. Loss was estimated at \$6,500.

Baltimore, July 5.—(AP)—Laden with a strangely marked cargo and headed for an undisclosed destination, the trouble-dogged steamer Panamanian moved toward the open sea today after squelching a fire in her hold which flared four hours from port—the latest link in a long chain of ill luck.

ASHLAND IS HOST TO HUGE THROG FOR CELEBRATION

ASHLAND, July 5.—(Sp.)—A crowd estimated at more than 20,000 jammed every corner of space here yesterday to witness this little city's big Fourth of July celebration. The celebration will continue through today and tomorrow.

A new record for attendance was established yesterday. After the fireworks display last night, it took two hours to clear Litchia park of automobiles. The park, like other parts of the city, was packed all day. The rodeo was attended by 4,000, the Cavalcade of the Siskiyou by 1,500 and the wrestling card by more than 1,000. The Cavalcade will be repeated tonight and tomorrow night at 8:30 at the high school field.

The Medford Business and Professional Women's club won first prize in the organization division of the parade, receiving a blue ribbon and \$20 in cash for its float. Medford Eagles drill teams won seventh place honors. Participating also in the parade for Medford were the Disabled American Veterans and auxiliary and the Jackson County Chamber of Commerce, the county agent's office and the Medford irrigation district.

The Lions' club of Ashland won the sweepstakes prize with its "Spirit of Liberty" float. A dazzling entry in the parade was Ashland's newest organization, the Trail Blazers, comprising 36 mounted, gayly uniformed men and women.

In the rodeo Ed Kubli and son, Norman of the Applegate captured a list of prizes totalling \$80, highest for any pair. Weather conditions were ideal and from a business standpoint it was the most successful Fourth of July celebration on record, those in charge said.

At 9 tonight the Queen's ball is to be held at the Chateau. Tomorrow's program includes a soap box derby at 9 a. m., children's games and races in Litchia park at 10:30 a. m., and various other events throughout the day and evening.

Tent-Home Blaze Causes 3 Deaths

North Bend, Ore., July 5.—(AP)—Three members of a Gardiner family burned in a tent home fire early yesterday died here last night. The dead are Mrs. Albert Johns and her two sons, Bobby, 1, and Jimmy, 2. Johns, badly burned about the hands, arms and face, is not in critical condition.

AMERICANS SWARM TO BOARD LAST STEAMER

Galway, Ireland, July 5.—(AP)—Americans who swarmed into this Irish port for "positively the last boat" to the United States until the war ends began boarding the U. S. liner Washington today. The Washington, which reached Galway harbor last night, will embark 1,800 Americans who came here from Britain and the war torn European continent.

3 BUND LEADERS GIVEN BAIL AFTER NIGHT IN LOCKUP

Officers Invade Nazi Rally in New Jersey—Inciting Racial Hatred Charged

Newton, N. J., July 5.—(AP)—Three German-American bund leaders were released today in \$1,000 bail each on charges of inciting racial and religious hatred. Bail was furnished by Gustav Elmer, national bund treasurer.

G. Wilhelm Kunze, acting national leader of the bund; August Klapprott, camp manager and president of the New Jersey bund, and Mathias Kohler, a bund officer and trustee, had been arrested yesterday at an independence day rally at the bund's Camp Nordland, in Andover township.

They were held overnight at the Sussex county jail and before being released this morning were questioned by Detectives William Kunz and Joseph Bonanno of the New York City police department alien squad in connection with the bombing at the world's fair yesterday. The detectives said it was just a routine check.

The warrants for their arrest, based on a 1935 New Jersey statute, charged they "permitted an unlawful assemblage of three or more persons and did permit utterance of speeches, sale of literature, display of emblems and of uniforms which counseled, promoted or advocated hatred, violence or hostility against any group or groups of persons residing in the state, because of race, religion or creed."

The law carries maximum penalties of three years in prison or \$5,000 fine or both. The arrest warrants were sworn out by Township Committeemen Charles Barbary, Raymond Current and William Morrow and charged violations "on and prior to June 16."

TIMBER TOWNS AT MERCY OF WINDS

Forest Grove, Ore., July 5.—(AP)—The safety of two northwestern Oregon communities, Timber and Glenwood, depended today on the vagaries of wind and fire.

Detachments from the 1,200 fire-fighters in the Columbia, Tillamook and Washington counties high hazard section controlled the 400-acre brush fire threatening Glenwood. The fire spread from West Timber, the Wolf Creek highway settlement burned Wednesday.

Third Term Acceptance Seen As Demos Speed Preparation

By D. Harold Oliver
Washington, July 5.—(AP)—With the presidential election exactly four months off, Democratic leaders were hustling preparations today for their party's July 15 convention amid increasing indications that President Roosevelt would break tradition and accept a third term "draft."

Republicans, too, were thinking of casting an old custom aside as their 1940 standard bearer, Wendell L. Willkie, considered plans in New York for a three-man strategy board in lieu of a single campaign director. Willkie will come here Monday to discuss campaign plans with his running mate, Senator Charles L. McNary of Oregon.

Talk of a Democratic ticket headed by President Roosevelt and Secretary of State Cordell Hull continued to overshadow speculation by a few party members that the chief executive might turn down the nomination at the last minute.

To Check Exports

Lieut. Col. Russell L. Maxwell (above), of the army general staff, has been appointed administrator of export control by President Roosevelt in a move to establish strict control over the export of numerous vital war materials.

An automobile left the Dalles-California highway nine miles south of Maupin, killing Mrs. M. W. Hinkle, about 36, Izeo, Ore. Her husband and 11-year-old son were gravely injured. A fourth passenger suffered only minor injuries.

Jim Kennedy, about 65, of Deer Island, died in a head-on automobile crash on the lower Columbia River highway, Deputy Sheriff Lee Mollenhour reported. Four persons were slightly injured.

Gerald L. Lunde, 29, of Minneapolis was killed and his companion, Donald Fulk, 22, of Albany, critically injured last night. Their automobile crashed into a ditch near Brownsville on the Hasley-Sweethome highway.

Lillie Mae Jones, 16, of South Deer creek in Douglas county, drowned in South Umpqua river last night. The girl stepped into a hole while wading and was carried away by the current. A small brother and sister witnessed the tragedy.

Seattle, July 5.—(AP)—Eight persons drowned and three died in automobile accidents as thousands of Washingtonians took advantage of warm, sunny weather yesterday and its Fourth of July holiday to visit beaches, lakes and resorts.

One of the day's greatest tragedies occurred at Mission Beach, north of Everett, when Fred Shaw, Matthy resident, saved an unidentified girl from drowning but saw his two sons and a daughter die in Puget Sound.

Marion Shaw, 15, became caught in the channel while swimming. Bernice Shaw, 14, and Wallace Shaw, 17, lost their lives going to his aid. Bodies of all three were recovered in eight feet of water.

Carole Landis of Filmworld Elopes

Hollywood, July 5.—(AP)—Carole Landis, blond star, one of the movie's newest stars, eloped by airplane to Las Vegas last night, was married and hurried back to begin a new picture today. Said the bridegroom, Willis Hunt Jr., 28, yacht broker: "It was all so sudden, we had no time to make honeymoon plans. Anyway, that will have to wait until Miss Landis completes the picture."

Golden Gate Fair Attendance Mark Broken on Fourth

San Francisco, July 5.—(AP)—A 1940 attendance record was set by the Golden Gate exposition yesterday when 131,069 cash customers were welcomed. This total exceeded that of July 4, 1939, when the attendance was 122,579, and topped that of this season's best previous date, the opening day, when attendance was 123,038. A full program which included many patriotic events, plus sunny, warm weather drew the July 4 crowds.
