A MINE? WHY, A MINE IS A ROUND
THING THAT FLOATS IN
THE WATER!

IF IT TOUCHES ANYTHING IT
EXPLODES - AND THANK HEAVEN,
WE NEEDN'T WORRY ABOUT 'EM
AROUND HERE!

HELLO! WOT'S THAT WAY OUT
THERE IN THE WATER!!

IT SEEMS HARDLY POSSIBLE BUT
YET THAT JUST MIGHT BE ONE OF
THOSE MINES!

I JUST SAW SOMETHING OVER IN THE INLET
THAT MIGHT POSSIBLY BE A MINE!
YOU HELP ME FIND THE
POLICE!

A MINE! GEE WHIZ! I
GUESS I'LL GO OVER AND
SEE FOR MYSELF!

GRANNY DON'T SEE SO
GOOD! THAT AIN'T
NO MINE!

I WAS READING WHERE MINES HAVE
BEEN LAID AS FAR AWAY AS
SOUTH AFRICA!

- BUT I'M GLAD I GOT
MY AIR GUN
ALONG!

OW!

THAT WAS YOUR MINE BUT
TOMBOY TAYLOR HAS
ALREADY EXPLODED IT!
