FARLEY PLANS TO RESIGN CABINET; MANAGE YANKEES

Political Chief To Confer With President Today—Ball Deal Pending.

New York, July 6.—(AP)—Postmaster-General James A. Farley will resign shortly from President Roosevelt's cabinet to become head of the New York Yankees baseball team, the United Press learned tonight.

Details of the transaction whereby control of the world champions passes from the estate of the late Col. Jacob Ruppert to the syndicate have not been revealed, but it was reported the purchase price was more than \$3,500,000.

The transfer of the ball club is virtually settled, sources close to the Yankees' management revealed, and will be completed when disposition of 300 of the 3,000 shares of stock is achieved. The 300-share block in question is said to be owned by Edward G. Barrow, general manager of the club.

Farley will confer at Hyde Park tomorrow with Mr. Roosevelt and it was suggested that he will advise the president of his decision to leave the political scene.

Barrow said tonight that he had no knowledge that the deal with the syndicate was approaching completion.

Farley's retirement from the cabinet and as Democratic national committee chairman would mean, in all probability, that he would not direct the 1940 campaign of his party. He directed the successful campaigns of 1932 and 1936.

ROGUES JOURNEY TO COAST TODAY

The Medford Rogues will play their first second-half Southern Oregon league game at Crescent City today, tangling with the club which last Sunday upset Grants Pass, first-half champs. The Rogues drew a bye last week as the second-half race got under way.

In the other loop game today, Grants Pass will move to Roseburg. Gold Hill, tied with Crescent City for the leadership, will remain idle.

The recent withdrawal of Ashland-Talent from the league has forced League Secretary Austin Frazier to revise the second-half schedule to look like this:

July 7—Grants Pass at Roseburg, Medford at Crescent City, Gold Hill, bye.

July 14—Grants Pass at Medford, Crescent City at Gold Hill, Roseburg, bye.

July 21—Crescent City at Medford, Roseburg at Grants Pass, Gold Hill, bye.

July 28—Medford at Gold Hill, Roseburg at Crescent City, Grants Pass, bye.

August 4—Medford at Roseburg, Gold Hill at Grants Pass, Crescent City, bye.

August 11—Gold Hill at Roseburg, Grants Pass at Crescent City, Medford, bye.

August 18—Start of three-game playoff series between first and second-half champions. Also, Medford at Roseburg in make-up of postponed first-half game.

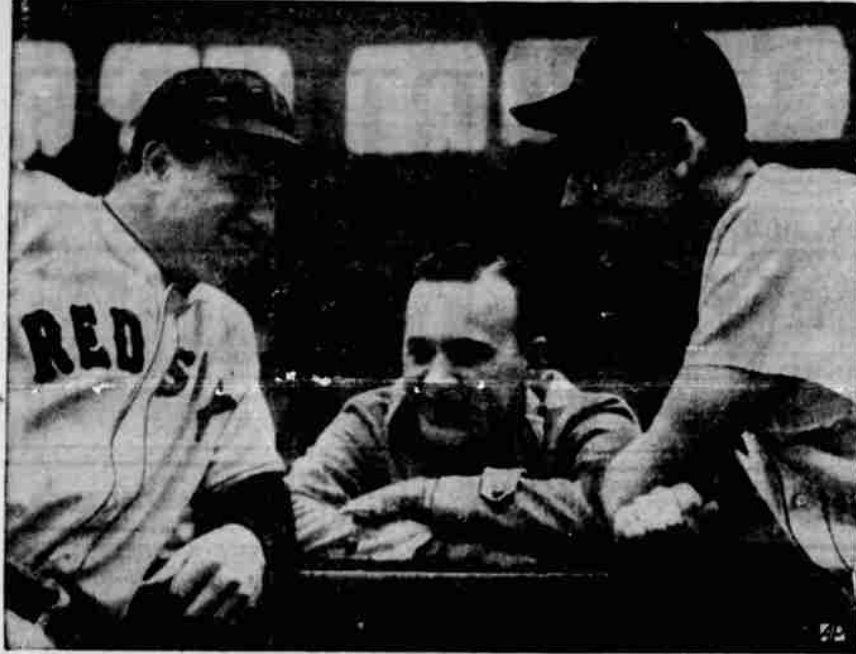

RACING

New York, July 6.—(AP)—Myron Selznick's Can't Wait came flying in the stretch today to win the \$25,000 added Butler handicap at Empire City by three lengths over War Dog, which took the place by a neck over Eight-Thirty.

Can't Wait paid \$11.90 for each winning \$2 ticket, with \$4.90 for place and \$3.10 for show.

Monopolize Honors

Whitefish, Mont., July 6.—(AP)—Washington and Oregon golfers monopolized first round honors Friday in the annual Whitefish golf tournament.

THREE'S A CROWD OF RED SOX—Meet the Red Sox sluggers—Jimmy Foxx (left), Lou Finney and Ted Williams (right). On this occasion Larrupin' Lou was spectator, because of a cold.

KIEFER BETTERS FOUR SWIM MARKS IN TITLE EVENTS

Santa Barbara, Calif., July 6.—(AP)—Adolph Kiefer of Chicago went on a record breaking rampage today, bettering four marks in one race as he swam to an easy victory in the 110-yard backstroke event in the N. A. A. U. men's outdoor swimming and diving championships.

Kiefer swam the 110-yard in one minute, 5 5/10 seconds. Two days ago he established the record over this distance at one minute 5 6/10 seconds.

He was officially clocked at the 100-yard mark at 58 1-10 seconds. His American record, set in 1939 at Columbus, Ohio, was 58 8-10 seconds for a short course. The world's long course record, set by Al Vandewegh in 1935, was one minute, 2 seconds. Kiefer's time for the 100 meters today was one minute, 4 7-10 seconds. He held the world's record for 100 meters at one minute 4 8-10 seconds. It was made in a short pool at Detroit in 1936.

Pushing Kiefer all the way was 16-year-old Bruce Donaldson of the Washington Athletic club, Seattle, holder of several Pacific Northwest A. A. U. records. Donaldson, despite a recent cold, finished second.

The field of four remaining in the running for the annual Barker Palm Beach handicap tournament championship at the Rogue Valley Golf club will be reduced to three this morning when Keith Kittle and Charles Clay tee off for 18 holes to determine the first and second flight titles.

Kittle won the first flight championship by eliminating Leland Clark, 3 and 2, while Clay took the second flight crown with a gruelling 1 up victory on the 34th hole over George Roberts.

Also remaining in the tournament are Dick Wray, who won the fourth and fifth titles by beating Don Bagley, 2 and 1, and Ben Trowbridge, winner of the third flight laurels, with a 2 and 1 win over Almus Pruitt. Wray was fourth flight winner and Bagley was fifth flight champion.

Wray and Trowbridge are scheduled to battle early this week for the right to meet the winner of this morning's Kittle-Clay match, for the tournament championship.

Sheep In Wilds

Brisbane (U.P.)—While mustering on Mandi sheep station, Queensland, R. Burgess found 10 sheep which had strayed into the wilds after being marked as lambs in September, 1934, and not been seen since. Their fleeces were so long that their hooves were hidden, and because of the accumulated dust of years the sheep looked like walking mounds of charcoal.

JUNIORS TO PLAY APPLIGATE CCC'S

The American Legion Juniors and CCC Camp Appligate will combine with Medford's Craters and the Silverton Red Sox in producing a baseball double-header at the fairgrounds park this afternoon.

Medford and Silverton, colliding in the second game of their crucial Oregon State league series, will start battling at 2 o'clock sharp. The Legion Juniors and the CCC club will play a seven-inning game immediately following the opening fracas.

The Crater-Red Sox game will give the fans the opportunity of witnessing two of the most powerful nines in the State league. With Albany, Silverton and Medford are co-favorites to grab the second-half pennant. This week-end will be the one and only appearance in Medford of the defending Oregon and northwest semi-pro champion Silverton team.

The Legion Juniors, coached by Riney Cook, July Fourth took a doubleheader from the Marshfield Juniors at the local high school field, clinching the two teams' three-game series. In a previous game against the Camp Appligate club, the Legion Juniors were defeated and this afternoon they will be attempting to get even with the CCC'ers.

SLIM NEGRO GIRL CAPTURES HONORS FROM POLISH ACE

Ocean City, N. J., July 6.—(U.P.)—The nine-year reign of Stella Walsh, Polish Olympic champion, as queen of America's women dash athletes, was broken here today by a slim Negro girl from Wilberforce university as mid-western entrants captured principal honors in the 1940 women's national track and field champion ships.

Jean Lane, 17-year-old Wilberforce university student, met the great Polish athlete in the 100-meter dash and triumphed over the international star with ease. There was no doubt, from start to finish, that the Ohio girl was Miss Walsh's superior as she coasted the tape yards in front. Her time was 12 seconds flat, exceptional for the slow track.

The century was the only event in which they matched strides under a blistering sun before 1,800 persons on Municipal field. Miss Lane, however, also showed her heels to the nation's best in winning the 50-meter dash. Here she was timed in 6 6/10 seconds as she galloped home in front.

The Philadelphia Athletics won their second straight from the New York Yankees, 8-7, when Frankie Hayes doubled home Benny McCoy in the 10th inning. The Boston Red Sox beat the Washington Senators 5-3, by pushing over four tallies in a ninth inning rally.

SACS, OAKS BLANK SEALS AND PADRES

San Francisco, July 6.—(AP)—George Darrow, veteran Oakland southpaw, held San Francisco to three hits today to blank the Seals 7-0, in a Pacific Coast league game. The win was Oakland's fifth in the series, to the Seals' one, and the second straight shutout.

Playing his second year of organized baseball, White is expected to bolster the Seal in the spot they need it most—at bat. He has been hitting around .345, and has batted in 33 runs, driven out 20 doubles and three homers.

A former Washington State college football player, White joined the Tacoma club last year and then was sent to Pocatello, in the Pioneer league, where he played shortstop.

HOSTAK ALL SET FOR ZALE SETTO

Seattle, July 6.—(AP)—Al Hostak, NBA-recognized middleweight titleholder, neared his best fighting weight today in training for his title bout here July 19 with Tony Zale.

He weighed in at 162 3/4 pounds after yesterday's workout, before a roudown, and should have no difficulty getting down to around 158 pounds the night of the fight, Manager Eddie Marino said. Zale and his party will leave Chicago tomorrow, arriving here Wednesday.

A hard-punching middleweight from near Salem, Ore., Tony Kahut, arrived here yesterday to work as a sparring partner. He will also be on the fight card.

Drowns In Klamath

Eureka, Calif., July 6.—(AP)—Joseph Lewis, Jr., 35, of Weitchpec, Calif., was instantly killed Friday when his automobile went over a grade between Weitchpec and Orleans, on the Upper Klamath river highway. He is survived by his wife and three children.

Boston Wool Slow

Boston, July 6.—(AP-USA)—New business was very slow on the Boston wool market during the past week, and quotations on domestic wools were somewhat irregular.

DERRINGER HURLS ONE-HIT SHUTOUT, SECOND OF YEAR

Brooklyn Blanks Boston, Keeps League Lead—Tigers Capture Pair.

New York, July 6.—(U.P.)—Paul Derringer, big right-handed hurler for the Cincinnati Reds, made his second bid of the year into baseball's hall of fame today, but the fates were against him again as he pitched a one-hit, 4-0, shut out over the Chicago Cubs.

On May 28, against the St. Louis Cardinals, Derringer was turned aside by a safety by Stu Martin. Today it was Stan Hack, Cub third baseman, who spoiled his chances for a perfect game. Hack hit a double in the sixth inning and also was the only man to receive a base on balls from Derringer.

The Reds won the game in the first frame when Frank McCormick hit a homerun over the left field wall with Lew Riggs and Linus Frey waiting on the base paths, to give Derringer his tenth victory this year.

The Reds' triumph did nothing more than to keep them up with the pace-setting Brooklyn Dodgers, who maintained their one-game league lead over the Reds by turning back the Boston Bees with a 2-0 shut-out. Tot Pressnell limited the Bees to three scattered hits to give the Dodgers their seventh straight win.

The Pittsburgh Pirates picked up two games on the fifth-place Cardinals by sweeping both ends of a double-header from the Red Birds, 15-3 and 4-3 in the 10-inning aftermath. The Pirates led throughout in the first game and won the second when Frank Gustine's pop fly fell out of reach, scoring Al Lopez from third. The Phillies beat the New York Giants, 8-2, with Kirby Higbe hurling six-hit ball for the Quakers.

The Detroit Tigers bounced up to within two points of the American league-leading Cleveland Indians by their double victory over the St. Louis Browns, 11-2 and 2-0. Buck Newsum won his 12th straight; with a three-hitter in the opener and Rookie Johnny Gorka allowed only five safeties in the second game. The Indians remained in front by taking the Chicago White Sox into camp 7-3.

The Philadelphia Athletics won their second straight from the New York Yankees, 8-7, when Frankie Hayes doubled home Benny McCoy in the 10th inning. The Boston Red Sox beat the Washington Senators 5-3, by pushing over four tallies in a ninth inning rally.

WESTERN AMATEUR STARTS TUESDAY

Minneapolis, July 6.—(AP)—A preview of possibilities for amateur golf's biggest reward, the national amateur championship, takes place on the well-traveled, rolling fairways of the Minneapolis golf club with the start Tuesday of the 41st western amateur tournament.

In this tune-up for the national at the Winged Foot club, Mararonek, N. Y., next September 9-14, will be the national titleholder, Marvin (Bud) Ward of Spokane, Wash.

Bank Thug Escapes

Oakville, Wash., July 6.—(AP)—A lone gunman snatched "several hundred" dollars from employees of the Bank of Oakville Friday, critically wounded the town constable in a running pistol fight and escaped in a hail of bullets.

Business Halted

Hongkong, July 6.—(AP)—British authorities of this crown colony halted all shipping and air services to French Indochina today pending clarification of the French colony's attitude toward Great Britain.

Noted Writer Convenes

New York, July 6.—(AP)—Novelist Fannie Hurst was convalescing in a hospital today from an appendectomy performed several days ago. Dr. A. A. Berg said her condition was "good."

Favored For Bishop

Portland, July 6.—(AP)—Bruce R. Baxter, president of Williamette university, is the choice of Oregon Methodist delegates to the San Francisco western jurisdictional conference for bishop of the Portland area.

SEATTLE GRABS SIXTH VICTORY FROM DUCKS, 7-1

Seattle, July 6.—(AP)—Kewpie Dick Barrett pushed his total of victories to 12 out of the last 15 games tonight by giving Seattle a 7 to 1 win over Portland in the Pacific coast baseball league.

It was Seattle's sixth victory over Portland in the current series and the seventh straight victory for the league leaders. Barrett held Portland to five hits, most of them so divided as to be harmless. He struck out 11 men and aided his own cause by getting two singles and a triple.

Young pitcher Lee Fallin, for Portland, suffered from wildness in early innings and yielded 10 safe blows.

The two teams, at opposite ends of the league standings, close their series here with a doubleheader tomorrow. Seattle then goes on the road for a three-week swing southward.

Score: R. H. E. Portland..... 1 5 1 Seattle..... 7 10 0 Fallin and Schultz; Barrett and Campbell.

Score: R. H. E. Los Angeles..... 4 8 1 Hollywood..... 2 6 3 Weiland and Holm; Tost, Moncrief and Monzo.

NAZIS SCOFF AT ROOSEVELT TERMS

Berlin, July 6.—(AP)—President Roosevelt's expression of five points necessary for peace among nations merely shows again what a vast cleavage there is between the viewpoint of the United States president and that of the authoritarian states, informed German sources said today.

Further, these sources said, since the United States is not involved in the European war, it hardly is conceivable that she expects to participate in peace negotiations that will end the conflict.

Hence, Roosevelt's remarks must be regarded, they said, as designed for home consumption.

Dies In Crash

Oregon City, July 6.—(AP)—Harold R. Irish, 57, of Silverton, long-time Silver Falls Timber company logging superintendent, died in an automobile collision on the Molalla-Woodburn highway Friday night.

Willkie Queried

Portland, July 6.—(AP)—Wendell L. Willkie's attitude on sale and distribution of federal hydro-electric power was asked in a telegram sent the Republican presidential nominee yesterday by W. F. Woodward, Bonneville service committee treasurer.

Appeal Rejected

Portland, July 6.—(AP)—The appeal of W. H. Witt of Salem for reinstatement as a state unemployment compensation commission referee was rejected yesterday by the commission's board of examiners.

Bank Thug Escapes

Oakville, Wash., July 6.—(AP)—A lone gunman snatched "several hundred" dollars from employees of the Bank of Oakville Friday, critically wounded the town constable in a running pistol fight and escaped in a hail of bullets.

VITAMIN K GIVES CHANCE FOR LIFE TO DOOMED BABIES

Tiny Drop Halts Bleeding; May Save 30,000 to 80,000 U. S. Infants Yearly.

By Morgan M. Beatty

A. P. Feature Writer.

Baltimore, Md.—The mysterious food element and blood booster, vitamin K, is emerging from a rigorous year-long test in Johns Hopkins university as a potential life-saver for 30,000 to 80,000 American babies annually.

Up to now, these infants were stillborn, or died in the first precarious week of life before their little systems began to absorb the anti-bleeding vitamin from food.

Only 1-15,000th of an ounce of vitamin K is required to save a life—a mere speck given to a prospective mother a few hours before her child is born.

So impressed is Dr. Nicholson J. Eastman, Johns Hopkins obstetrician-in-chief, by tentative results with vitamin K that he plans a longer series of cases than the 776 now on record. Surprised, too, is Dr. L. M. Hellman, young instructor in obstetrics, even though he demonstrated a year ago that vitamin K was a cure for rare hemorrhagic disease of the newborn.

The Cement Vitamin

Vitamin K is a blood coagulator associated with the precious egg-white-like material in the blood known as prothrombin—perhaps a sort of natural cement. Without vitamin K there's no prothrombin, and without prothrombin, mammals bleed spontaneously, eventually die.

More than 127,000 babies die annually in the United States before the first week of life has run its course. Most of these deaths are accompanied by hemorrhage.

Discovered In 1929

Vitamin K was discovered by Dr. Henrik Dam in the University of Copenhagen in 1929. In 1935-36, Dr. H. J. Almqvist of the University of California and Dr. Dam first extracted small quantities of what seemed to be vitamin K from rotting fish meal and alfalfa which stopped spontaneous hemorrhages in diet-deficient animals.

Nationally known scientists remind you K is not a cure-all for bleeding and won't stop massive hemorrhages. It does not cure hemophilia. Neither will it prevent hemorrhages of a mother in child birth, for such hemorrhages are not due to a deficiency of K.

Results Tentative

Dr. Hellman cautions against expecting results in severe hemorrhages.

"I don't think the tentative results ought to be overestimated," he says. "When applied to the census bureau figures, the results in these 776 cases would indicate that five-eighths of the 127,000 neonatal deaths annually—about 80,000—might be saved in the future.

"But not all babies are born under hospital conditions, and there is an infinitesimal chance of a sampling error. It would be wiser to assume a vitamin K life-saving potential of a little less than half, say 30,000 lives, at least until we have several thousand cases in our series and other institutions have concurred."

Probe Fist Fight

Astoria, July 6.—(AP)—The death during a fist fight July 4 of Ward Burnett drew the attention today of Dr. Joseph Beeman of the state police crime laboratory.

Approve Extradition

Sacramento, July 6.—(AP)—The governor's office approved the request of Lane county, Oregon, authorities for the return of William J. Hermann, private investigator, to Eugene on charges of kidnaping and assault.

OLD LAND CLAIMS INVOLVING U. S. STILL UNSOLVED

Los Angeles (U.P.)—With boundary and territorial disputes admittedly one of the leading causes for war the world over, the United States now has three such disputes on its hands, according to Dr. Ronald D. Hussey, professor of history at the University of California.

These disputes are with Latin American countries, but Dr. Hussey does not believe that either the United States or the Latin American countries concerned will ever go to war about them.

Both the United States and Haiti claim possession of Navassa island; Mexico claims the Chamizal tract in the heart of El Paso, Texas, while the United States and Honduras are rivals for the possession of the Swan islands.

In addition, Dr. Hussey said there also are certain potential questions between the United States and other powers such as Great Britain, Russia and Japan relative to islands in the Pacific, the Antarctic and the Arctic, but these likewise he finds are unlikely to cause war.

Dr. Hussey has just compiled a survey showing there exists between the 21 nations of the American hemisphere 56 bilateral boundary disputes.

"The unsettled status of boundaries at independence time made trouble everywhere," Dr. Hussey said, "but the sharpest conflicts have been over those areas which contain raw materials or mineral wealth, such as gold, oil, nitrates, guano, rubber or bananas.

"As a general rule the settlement of all boundary disputes in the Americas has been by peaceful methods.

"There have only been five or six wars that could be considered as growing out of boundary disputes and even these two or three are uncertain. On the other hand, the eminently peaceful method of arbitration has worked out in many of the cases."

Horse Show Chief

Salem (U.P.)—Paul R. Washke, professor of physical education at the University of Oregon, has been chosen as manager of the 1940 Oregon state fair horse show. Washke served as assistant manager the past two years.
