

### JAP MOUTHPIECE STIRS SENTIMENT AGAINST MARINES

#### Nipponese Determined to 'Make Something' of Incident—Demand Apology

Shanghai, July 9.—(AP)—A violent tirade against United States marines was spread today across the front page of the newspaper Tairiku Shimpo, generally regarded as a mouthpiece of the Japanese army in China, as the aftermath of an international settlement incident.

Japanese authorities demanded an apology for "mistreatment" of Japanese plainclothes gendarmes arrested by marines in the settlement July 7. The Tairiku Shimpo declared the marines were "gentlemen with human faces, but with the skins of animals." "Down With America" Indignant patriots, it added had posted handbills with such slogans as "Down with America" and "Remove the American hindrance to development of east Asia." Meanwhile Major General Saburo Miura, commander of Japanese gendarmes here, demanding an apology for the July 7 affair, warned that "a speedy settlement of the incident is necessary or the matter is likely to take a grave turn." Anti-British feeling also increased. Posters appeared demanding withdrawal of British troops from Shanghai. Jap Apologizes Miura previously had apolo-

gized for presence of the gendarmes in the American defense area of the international settlement in violation of an agreement not to enter without American military authorities' consent. Col. Dewitt Peck, marine commander, replied yesterday "it's a lie" in denying the Japanese had been maltreated. In a letter to Col. Peck, Miura said that despite his previous agreement to consider the incident closed, "discovery of new facts revealing that the Americans insulted the entire Japanese army" made necessary further consideration of the case. ### KIWANIS ACTIVITY REPORT IS GIVEN AT WEEKLY MEET

Feature of the weekly meeting of the Kiwanis yesterday was the report of activities for the first six months of the year submitted by Hershel Obye, secretary. Among the more interesting projects described were the Easter egg hunt held on the court house and library lawns for some 300 children, and the tonsillectomies for needy children paid for by the Kiwanis organization. President Bob Bauman said a number of interesting projects were under consideration and a full program in keeping with the civic interest of Kiwanis would be continued. Honored guests at the luncheon were a group of girls who have assisted the attendance committee. Those present were Betty Vilm, Bessie Long, Ruth Tye and Pauline Roberts. Those unable to attend the luncheon were Constance Ames, Freda Robbins and Vada Davidson. All were presented with a remembrance gift by the club. It was announced by the secretary that attendance for the first six months of the year had averaged 86 per cent of the membership. Program Chairman Frank Perl announced that the enthusiastic reception and attendance of Kiwanians at recent meetings and social affairs had encouraged the scheduling of a Kiwanis club picnic at Shady Cove August 12. Kiwanian Dames will join in making arrangements.

### BUSY WEEK FOR TOWNSENDITES

(Contributed) Townsendites will be much interested in this week's activities at Dreamland Townsend Hall, 415 E. Main St. Wednesday evening is the regular Townsend dance, which is increasing in popularity. Thursday evening is the regular meeting of Club No. 3, featuring a "Hat Sale". Each lady is to decorate a ladies hat which will be sold to the men, who are to wear the hat they buy; also each lady is to prepare a box lunch which will go with the hat, and the lady herself will go with box and hat. Definite word has been received from delegates to the Townsend national convention that they will be at the Friday night meeting to give reports.

Ray Martin, manager of the state unemployment office, said today. Ending of cherry picking has padded the number, he said. Of the total, 326 are women.

Martha Spenker will be principal speaker. Business will be largely dispensed with in order to hear the delegates. The public is always welcome at all Townsend meetings.

Moving Night Norfolk, Va., July 9.—(AP)—Police nabbed a couple of men they said were furnishing a new residence in a novel and somewhat illegal manner. They were hauling furniture in the dead of night by taxicabs from a retail storage warehouse. On the second trip the cops moved in. Use Mail Tribune want ads.

### OFFICERS TO AID ARMY RECRUITING IN MEDFORD AREA

Announcement was made today of the assignment of two commissioned reserve officers to the regular army recruiting station in Medford city hall. The recruiting staff has been augmented because of the increased activity in enlistment necessitated by the nation's defense preparations. It was explained by Staff Sgt. Willis S. Estep, recruiter for the southern Oregon area. The reserve officers placed on active duty for recruiting services here are Dr. Warren G. Bishop, Medford physician and a first lieutenant in the medical reserve, and Edwin C. Larson of Portland, graduate of the University of Oregon and a second lieutenant in the infantry reserve. Dr. Bishop will continue his private practice, as usual. With Dr. Bishop on active duty, all medical examinations of applicants for enlistment will be completed here in order to speed up the enlistment process. Sgt. Estep related. If the applicant passes the medical test, the necessary papers will be made out here and the recruit will be formally enlisted as soon as he reaches Portland whence he will be sent without delay to his army organization. Heretofore, Sgt. Estep pointed out, the recruiter made a preliminary physical examination and the final medical tests were made in Portland. Lieutenant Larson arrived by train from Portland this morning and immediately began his army duties. Dr. Bishop began his military duties yesterday.
