

ASSAULT CHARGE AGAINST HANSENS SUIT AFTERMATH

A complaint charging Chris Hansen and his son, Vernon Hansen, with assault and battery upon Walter Lipes and a man by the name of Jensen, was served today by Deputy Sheriff William Greubner. All concerned are residents of the Gold Hill district. A hearing is scheduled for late today.

The Hansens are alleged to have set upon Lipes and his companion in a local restaurant last Saturday, according to Sheriff Syd I. Brown. The fracas is another angle, it is said, to the local action by Wilma Hansen for the custody of her son, Vernon, 8, by a previous marriage. The sheriff said Lipes and companion sustained some welts in the scuffle. Lipes is the grandfather of the boy.

The mother, Wilma Hansen, last Friday filed an application for a writ of habeas corpus, for custody of the boy, which was granted here when she obtained a divorce in 1935 from George Houk. The application came up before Circuit Judge H. D. Norton Saturday. Final hearing was postponed until next Friday when Attorney Hilding Bengtson raised the question of the jurisdiction of the court on the grounds the divorce was originally granted in Lane county and should be settled there. The court requested both sides to file briefs.

In the habeas corpus application, Wilma Hansen charged the grandparents of the boy, Mr. and Mrs. Walter Lipes, were secreting the boy and refused to deliver him to his mother. She now lives in California, and asked the court for his custody, to take him here.

Medford Couple Wed in All-White Setting Sunday

An all-white wedding was one of the season's loveliest yesterday at high noon when Miss LaVerne Stephenson and Mr. George K. Goodrich were united in marriage at St. Mark's Episcopal church.

The bride, given in marriage by her father, Ralph Stephenson, wore an exquisite gown of white satin with lace insets fashioned in princess style. Her tulle finger-tip veil was held in place by a wreath of orange blossoms and her bridal bouquet was composed of gardenias, sweetpeas and bavardias. A single strand of pearls was her only jewelry.

Miss Coleen Stephenson, the bride's sister, was maid of honor and wore a white organza and lace dress, bouffant style. A Juliet cap of organza and seed pearls and an old-fashioned nosegay of pink and blue flowers completed her ensemble.

Bridesmaids, the Misses Beulah Stephenson, also the bride's sister, and Geraldine Wilkinson, were dressed in white shirred taffeta and net gowns alike. Their Juliet caps were made of satin and seed pearls and their old-fashioned bouquets were of mixed pastel blossoms.

Dr. O. J. Halboth was best man for Dr. Goodrich and ushers were Robert Mikschie and Wallace Brill.

The church and altar were decorated in masses of white gladioli. The Rev. Father Herald Gardner officiated and Mrs. Eva Marsi played the organ wedding music.

The bride's mother wore a navy blue and white ensemble and a corsage of gardenias.

Following the ceremony, the beautiful brunette bride, the bridegroom and members of the bridal party received guests at the outdoor reception which was held at the Stephenson home on Arcadia Court.

A number of pre-nuptial social affairs honored the popular couple who will make their home in Loring Court, following a wedding trip.

The bride is a graduate of Medford high school and has been prominent in the valley for many years. Dr. Goodrich attended Kalamazoo college in Michigan, University of Michigan and University of California, where he specialized in orthodontics. He is affiliated with Zeta Psi Phi, national fraternity.

Among out-of-town guests attending the ceremony were Dr. Goodrich's parents, Mr. and Mrs. Frank Blich, and his two sisters, the Misses Lucille and Marguerite Goodrich of Angola, Ind.

THE SPIRIT OF 76

by JOHN CLINTON

I used to be rabid on the subject of Sunday driving. My wife used to almost blast to get me in the Hispano-Plymouth and out onto the highway. But no more! I've found a trick!

It's this—start out on the main highway and turn at the first unfamiliar road you come to. Then drive along it till you come to another unfamiliar road and try that one!

You may wind up in someone's west forty, or in the driveway of a ranch house. But what do you care? The kick is in never knowing what's coming next!

You'll be surprised to find what adventure you'll have. I've found whole sections of country that I never dreamed existed. I've found blossoms, deserted houses, and once, even a ghost school house with an arithmetic lesson still un-erased on the melting blackboard.

What I'm getting at is—just jump in the car and let 'er find her own way. Pretend you can't read the road signs.

Incidentally, you'll probably find that it will be even more fun if you use 76 gasoline, because 76 has a way of keeping your engine purring along so smoothly you'll forget that you have an engine.

Just because 76 is especially designed for traffic, don't think you have to stay in the thick of it. There's excitement, there's adventure and possibly even romance, just over that hill over there—go see if I'm not right!
