Winifred Andrews, Former Resident, Here on Visit

Being greeted by her many Medford friends this past week was Miss Winifred Andrews of Pasadena, formerly with the local school faculty and prominent member of the university set. Miss Andrews and Miss Catherine Dodge arrived from the south last Saturday to be house guests of Mrs. T. W. Miles. They remained until Tuesday and a delightful dinner party in their honor was arranged at the Hotel Medford Monday evening.

Twenty guests were entertained at dinner and later at bridge at the Miles home. Miss Andrews is now librarian at the South Pasadena Junior high school and Miss Dodge was an exchange teacher from Boston at the same school during the past year. She is now enroute to her Boston home and will vacation for a time at Lake Louise and Banff before continuing eastward.

JUDGE PONDER'S BOY'S CUSTODY

Legal briefs and points in the application of Wilma Hansen for a writ of habeas corpus to secure custody of her son, Vernon Houk, eight, from the boy's grandparents, Ida Lipas and Walter Lipas, of near Gold Hill, were taken under consideration by Circuit Judge H. D. Norton today and a decision deferred. The boy has been living with the Lipas, and the mother in her habeas corpus application, alleges the grandparents refuse to turn over the boy. In justice court, an assault and battery charge, growing out of the tangle, scheduled to be heard yesterday, was postponed until after a ruling on the habeas corpus matter. The assault and battery complaint charges Chris Hanson and Vernon Hanson, father and son, with assaulting Lipas and a companion in a local restaurant last Saturday.

NIGHT WATCHMAN ROUTS PROWLERS

Quick action by A. L. Unger, night watchman at CCC headquarters at the fairgrounds, early Thursday morning frightened two boys away from the vicinity of the grandstand, after they had ripped off two boards with the apparent purpose of entering the stand and robbing the concession stand of Everett Brayton.

Unger, hearing a noise, investigated, and saw the boys climbing over a fence. As he neared them they ran and drove down the Pacific highway in an old model car, he reported to city police. Brayton's concession stand was robbed several weeks ago of a quantity of candy, cigarettes and other supplies.

SLAYING, SUICIDE BASIS OF CLAIM

Victor A. Tengwald, as administrator of the estate of Lila Barker, in a suit filed in circuit court yesterday, seeks judgment for \$10,000 from Nellie R. Wylie, executrix of the estate of George A. Baker.

The complaint sets forth that Baker, on September 23 last, shot and killed Lila Baker his wife, and then committed suicide, at a service station and auto camp the couple operated on the Pacific highway near Central Point.

The complaint further states that before her untimely death, it was a normal expectancy Mrs. Baker would accumulate an estate of the value of \$10,000.

It is also stated that request has been made of the executrix for \$10,000, and it was refused, hence judgment in that amount is sought.

Attorney Allison Moulton appears as counsel for administrator, who is also an attorney.
