

BOY'S HIP BROKEN BY AUTOMOBILE ON 401 RANCH ROAD

Struck by an automobile while he was walking along the 401 ranch road about a mile east of the Crater Lake highway, Franklin Fitzpatrick, 14, yesterday afternoon suffered a fractured left hip and a broken left leg between the knee and ankle.

The boy's attending physician said today he was resting fairly comfortably in Sacred Heart hospital. The doctor said his condition was serious, because of the severe fractures, but probably not critical.

The car, according to state police, was operated by Vernon Turpin of Phoenix, who was accompanied by Jack R. Nail of 1007 Reddy avenue. The driver was not held, as the accident was said to have been unavoidable, according to state police.

Police said they learned that Franklin, walking along the road with his aunt, Mrs. Mary Berkheimer of route 3, suddenly darted directly into the path of the Turpin car, a 1940 Pontiac coupe, as it drew abreast of the two pedestrians.

Turpin told police that he slowed down and swung wide to the left as he started to pass the boy and his aunt, and that young Fitzpatrick, for no apparent reason, ran in front of the car.

Franklin was struck by the right front fender and bumper of the vehicle and tossed, according to his aunt, several feet into the air. The point of the accident was about 100 yards from the Mr. and Mrs. W. J. Berkheimer home, where Franklin was residing.

Peril's ambulance was summoned and removed the injured youth to the hospital.

COUNTY SHORT IN CCC ENROLLMENT

Enrollment of youths in the civilian conservation corps for the current period ended today, with Jackson county falling far short of its quota.

Three Jackson county boys were formally enrolled yesterday, bringing the county's total to six. Original quota for the county was 34 but subsequently the quota was lifted and the CCC authorized to enroll any available number from this section.

All of the new enrollees were assigned to Camp South Umpqua Falls.

JUSTICE JURY HEARS AUTO CRASH CHARGE

Mike Molschenbacher of Klamath Falls, charged with passing another automobile without sufficient clearance, was on trial before a justice court jury today.

The complaint was signed by Mrs. Rita Muzzi of Santa Clara, Cal., whose sister-in-law, Catherine Muzzi, of Santa Clara, sustained injuries when the Muzzi auto overturned three times on the Crater Lake highway near the Gold Hill junction. Both testified.

EX-EUREKA TEACHER DENIED CERTIFICATE

Del Monte, Cal., July 31.—(U.P.)—The application of Victor Jewett, former Eureka school teacher for reinstatement of his teachers certificate was rejected by the state board of education at its meeting here last night.

ROBERT SCHNURR STRUCK ON HEAD BY FALLING ROCK

Several body contusions and severe shock. Hospital attendants were quoted as saying his condition was "satisfactory". X-rays were to be made later today.

Other boys in the camping party were Wesley Hilkey, brother of the injured boy, Ruby Smith and Barney Ellis, all of Butte Falls.

Robert Schnurr was the son of Mrs. Edward Cook of Butte Falls. His father, S. S. Schnurr, a Medford resident, died on July 2.

Funeral services will be held in the Perl chapel at 1:30 p.m. Friday, Dr. Sherman L. Divine, pastor of the First Presbyterian church officiating.

Six fellow students of the Butte Falls high school will be pallbearers. Burial will take place in the Butte Falls cemetery.

The difficulty of keeping to an agreed price was indicated in the July 27 issue of the Pacific Rural Press. "This canning pear deal gives one heart failure to follow," the article began.

"Some growers sold 2 1/4 inch seconds for \$17.50. Packing house culls, coming off the left hand side of the grader," sold by the lot for \$17.50, asked \$32.50 per ton.

"The going price thereafter was \$30 for pro-rate grade 2 1/4 inches in the Santa Clara valley. Growers there who had voted to ask \$45 and then reconsidered to ask \$40 were out threatening neighbors who sold for \$30.

Prices in other districts were quoted, showing a variation between \$30 and \$27.50. "Two outfits in Lake county were offering canning Bartlett's at for \$32.50 as we went to press," the article said.

ANCIENT EGYPT USED PROPAGANDA

Chicago (U.P.)—Well-organized national propaganda was in use in Egypt 4,000 years ago, according to Dr. John A. Wilson, University of Chicago Egyptologist.

In a paper read before the American Historical association, Dr. Wilson said the ancient Egyptians "had no idea of writing history impartially."

"The priests alone could read," he asserted, "and they built up the pharaoh as a super-human hero to receive general rewards for their gods."

Dr. Wilson recommended the propaganda of 2,000 B.C. as effective because "4,000 years elapsed before the veil of un-

truth was penetrated and the real facts discovered."

Recent research has disclosed the military victories of Ramesses II and Ramesses III in the 12th century before Christ to be mere propaganda, the Chicagoan said.

Funeral services will be held in the Perl chapel at 1:30 p.m. Friday, Dr. Sherman L. Divine, pastor of the First Presbyterian church officiating.
