### ELDERLY AUTOIST ASSESSED \$5 FINE ON CRASH PLAINT

Mike Motschenbacher, 79, of Klamath Falls, was found guilty of passing another auto without sufficient clearance by a justice court jury late yesterday. The court imposed a fine of \$5 and costs.

The testimony showed that the aged man attempted to pass another car on the Crater Lake highway, near the junction with the Gold Hill road, as the auto bearing Mrs. Rita Muzzi, and her sister-in-law Catherine Muzzi, both of Santa Clara, Cal., approached head on.

To avert a collision with the Motschenbacher car, the Muzzi car was guided off the road and plunged into a ditch, overturning three times before it stopped, and injuring Catherine Muzzi, who was in the hospital for a day.

Following the accident, the testimony showed, Motschenbacher continued on his way and his license number was obtained by another autoist, and he returned to the accident scene a short time later.

Motschenbacher is a Klamath Falls merchant, and has been a resident there for 31 years.
