

AIR LINE REPORTS ANOTHER RECORD IN TRAFFIC HERE

208 Planes Call at Port in July — 277 Passengers Board Ships During Period

A new passenger and plane record was established here by the United Air Lines in July. The company has been setting up new local traffic records at Medford municipal airport month after month for some time.

Last month 208 United planes called here to establish a new record in the number of ships. This compared with 207 planes in June and 206 in May. Last month 277 passengers got on United planes at the Medford municipal airport. This number compared with 262 on passengers in June, an increase of five percent, and with 179 passengers in July a year ago, an increase of 55 percent. It was shown by a tabulation issued today by Max C. Henne, company manager here.

256 Get Off

Last month 256 passengers got off United planes here. This number compares with 226 in June, an increase of 13 percent, and with 185 in July last year, an increase of 38 percent.

Combined on and off passengers last month numbered 533 as compared with 488 in June, a gain of nine percent, and 354 in July last year, a gain of 51 percent.

HEAR TRUCK LINE EXTENSION PLEAS

C. I. Kephart, examiner of the interstate commerce commission, of Washington, D. C., with Perry DeLap, of the Oregon public utility commission, representing this state, is conducting a hearing on the application of two truck operators for extension of their territory, and other matters. It was expected a representative of the California commission would also be present.

The applicants are Milo O'Hara, of Ashland, who seeks extension of his truck operations into California, and the Transcontinental Contract Carriers, now operating on the Coast highway, who seek broader fields. In the latter case the Pierce Auto Truck company, appears as protestant.

It was anticipated the hearings would require most of the day.

DIAL EQUIPMENT READY FOR USE SUNDAY MORNING

Telephone customers in Medford and Jacksonville will start dialing their calls Sunday.

R. B. Hammond, manager for the Pacific Telephone and Telegraph company, announced today that the new dial equipment on both Medford and Jacksonville has been tested and triple-tested and is ready for operation.

The conversion to dial operation will be made shortly before midnight Saturday and in Jacksonville about 10 p. m. Saturday.

Mayor C. C. Furnas, Glenn L. Jackson, president of the chamber of commerce, and other civic and business leaders of Medford are expected to participate in the brief ceremony to be staged by Manager Hammond in connection with the dial conversion. Otherwise attendance is being limited only to telephone employees.

The change-over, Manager Hammond said, would be the work of only a minute or two in both Medford and Jacksonville, and there will be little, if any interruption in telephone service.
