

MEDFORD YOUTH NAMED GOVERNOR OF BEAVER CAMP

Robert Taylor Heads Annual 'School for Citizenship'—Others Also Honored

Portland, Aug. 8.—(P)—The Beaver Boys' State, a self-governing youth encampment sponsored by the American Legion at Hill military academy, elected Robert Taylor of Medford governor yesterday.

Two hundred and fifty boys from all sections of Oregon enrolled for the annual "school for citizenship." Lads who attended previous sessions formed a permanent alumni organization to perpetuate good government in their communities.

Other Medford boys elected to office at the camp were Vern Kellenbeck, postmaster general, Frank Dixon, circuit judge, and Alton Johnson, senator. Robert R. Ebel was informed by telegram today. Mr. Ebel, who accompanied the boys to camp, is chairman of American Legion Medford post's Beaver Boys' State committee.

There are 16 Jackson county boys at the camp, 13 from the Medford area and three from Ashland. It was the first time in four years of boys' camp that a Medford youth was elected governor.

Taylor is the son of Mrs. J. W. Gustafson, Jacksonville highway. He will enter his senior year at Medford high school this fall. He is senior class president and last year was junior class president. He was also assistant business manager of the student body last year. He is a track man and in addition to his many other accomplishments he is considered a proficient student.

Kellenbeck is the son of Mr. and Mrs. Arthur J. Kellenbeck, 848 Dakota avenue. He also will enter his senior year at the high school this fall. He is business manager of the student body and is rated as an all-around student.

Dixon is the son of Mrs. Volney Dixon, 526 West Tenth street. He is a junior at the high school. He is a member of the school band, being a clarinetist. Johnson's parents are Mr. and Mrs. A. D. Johnson, 17 Newtown street. He also is a high school junior. He devotes much of his time to the Boy Scouts, being an Eagle and Sea scout.

TRUCK, AUTO HIT NEAR EAGLE PT.

Eagle Point, Aug. 8.—(Sp)—An automobile-truck accident near here this morning caused no injuries to occupants of the vehicles, but badly damaged a logging truck owned by Ernie Segessman and slightly damaged a coupe operated by Sam Harsh of Eagle Point.

The coupe, according to reports, pulled onto the highway from a side road. The truck, traveling toward Medford, swerved to the right side of the road to avoid striking the car, but failed to miss it entirely. After hitting the car the truck went into a deep ditch and was smashed up considerably.

The truck driver's name was not learned.

CAMPAIGNER—Opening volley of his campaign for the Democratic vice presidency will soon be fired by Iowa-born Henry A. Wallace, 51, the secretary of agriculture.

PAINT INDUSTRY TOPIC AT ROTARY

James Moore presented an informative talk on the paint industry at Tuesday's luncheon meeting of the Rotary club at the Hotel Medford. Mr. Moore traced the history of paint from its first use in southern France. Ingredients of paint and methods used in its manufacture were also outlined.

"Three and a half billion dollars is the sum saved the people of the United States annually through the use of paint," Moore said, adding "substantial savings are also made in reduced light bills."

Lipstick, a product of the paint industry, is used so extensively that 40,000 barrels could be painted with the amount sold last year, according to the speaker.

Moore told the Rotarians that paint was first manufactured in this country in 1806 and first produced on the Pacific coast in 1857. Recent discoveries of chemists have greatly improved paints and broadened their usefulness.

HULBERT ELECTED BEAUTICIAN CHIEF

Rolph Hulbert was elected president of the Medford unit of the state association of beauty shop owners and operators at a dinner and business meeting last evening in Hotel Holland.

Other officers elected were: vice-president, Rhea Hoover; treasurer, Don Cook; secretary, Lillian Gilham. Guest speaker for the evening was Mrs. C. R. Bowman, district president of the organization. Her subject had to do with affairs of the association.

It was voted by the group to hold meetings the first Wednesday of each month at 7:15 p. m. with the next session scheduled for September 4. An invitation to attend is issued to all owners and operators of southern Oregon beauty salons.

FORESTRY PROFESSOR TO SPEAK FRIDAY AT C-C PUBLIC LUNCHEON

Bror L. Grondal, professor of forestry at the University of Washington in Seattle, will give a lecture on woods and their utilization at a public luncheon-meeting of the Jackson County Chamber of Commerce directorate in the basement dining room of the Hotel Medford tomorrow noon.

Because of the new uses being found for wood in the manufacture of a growing list of products and because of the economic importance of the forests in this part of the state, the board of directors felt that Professor Grondal's talk would be of general interest here. For that reason everyone interested in the economic development of the Rogue River valley is invited to hear the guest speaker. The only condition imposed by the directors was that reservations be made by telephoning the chamber of commerce, 2640, not later than 10:30 a. m. tomorrow.

BOYS GET CLEMENCY IN GASOLINE THEFT

Three local youths received 60-day suspended sentences in justice of the peace court yesterday afternoon pending their future good behavior and promise to go to work at a fruit packing plant this morning.

The trio, Charles R. Lind, 20; Samuel E. Grubbs, 17, and Glenn W. Grubbs, 18, were charged with stealing gasoline from a parked car.
