

TOURIST BUSINESS CONTINUES TO LAG DESPITE WAR, FAIR

Salem, Aug. 8.—(AP)—Oregon's tourist business continues to lag behind last year's record, despite official predictions that the European war and the San Francisco fair would send many more visitors to Oregon in 1940.

July non-resident automobile registrations totaled 27,125, compared with 31,721 in July, 1939. There were 74,417 out-of-state cars registered in the first seven months of this year, a drop of 10,318 from the total in the same period last year.

Ashland continued to be the leading port of entry, registering 16,510 cars during the seven months. Other registration stations include: Cave City 10,420, Brookings 9,959, Grants Pass 3,969, Umatilla 3,416, Klamath Falls 3,166, Portland 2,614, Medford 2,598, Arlington 2,593, Bend 2,224, Gold Beach 2,092, Eugene 1,758, Roseburg 1,415, Huntington 1,413, Pendleton 1,140 and Baker 1,116.

BURGUNDER CALM AS DEATH NEARS

Florence, Ariz., Aug. 8.—(AP)—Robert Burgunder, 23-year-old killer of two, condemned to die at dawn tomorrow, dismissed interviewers today with a jaunty promise to "send you fellows a Christmas card from Heaven."

A romance by mail with a former co-ed sweetheart, politics and government, world conditions provided material for Burgunder's conversation with reporters.

But he appeared unconcerned about his fast approaching date with death.
