

# Bette Davis and Charles Boyer Starred in "All This and Heaven Too"

## RACHEL FIELDS NOVEL ON SCREEN CRATERIAN TODAY

The picturization of the sensationally successful Rachel Field novel, "All This, and Heaven Too," co-starring two of the screen's greatest dramatic stars—Bette Davis and Charles Boyer—opens a three-day engagement today at the Craterian theater.

As one of the most important pictures on the 1940 schedule, "All This, and Heaven Too" was produced on a lavish scale, with no pains spared to make the brilliant, absorbing novel come to vibrant life on the screen. From the starring team of Miss Davis and Boyer down to the smallest character "bit," the film was cast with minute care. The story tells of a demure little French governess—seemingly destined for spinsterhood—whose very existence was threatened by a Parisian murder scandal, involving one of France's greatest noblemen. But she survives the ordeal to find peace, security and happiness in America. It is a bitter-sweet romance that captures within it nearly all the varying emotions evoked by love in its many phases, just as it is experienced by men and women everywhere.

With Bette Davis as the governess and Charles Boyer as the Duc de Praslin, who murders his jealous wife because of her treatment of the governess, the film has been hailed by critics everywhere as one of the most brilliantly acted motion pictures of the decade.

In support of the two stars are Jeffrey Lynn, romantic young leading man of the "Four Daughters" series, as Henry Field, the young American minister who befriends the unfortunate governess; Barbara O'Neil, most recently seen as Scarlett O'Hara's mother in "Gone With the Wind," in the role of the jealous duchess; Virginia Weidler, Henry Daniell, Walter Hampden, George Coulouris, Montagu Love, Helen Westley, Harry Davenport, Janet Beecher, June Lockhart, Fritz Leiber, Ian Keith and many others of prominence.

### Smart Comedy Hit "Private Affairs" Opening At Rialto

Described as being modern and breezy, "Private Affairs," a comedy with a background of Boston's tradition-filled Black Bay "smooties," brings Nancy Kelly, Robert Cummings, Hugh Herbert and Roland Young to the Cool Rialto theatre for today and tomorrow only.

Young appears as the son of an old Boston family who for 20 years has chosen to remain a "black sheep" rather than submit to the dictation of his staid family. And now Nancy Kelly, his daughter, finds herself in the same quandary, ordered by her crotchety grandfather to marry a man she doesn't love.

Robert Cummings plays the man Nancy dogs love. Hugh Herbert appears in a typically hilarious role that represents a variety of characters from a breezy cab driver to a Scottish nobleman. The irascible grandfather of Nancy is played by Montagu Love. The supporting cast includes such well known funsters as G. P. Huntley, Jr., Granville Bates and Mary Forbes.

A highlight of the new comedy is a New England celebration in which hundreds of residents of a village are dressed as Puritans—and in this local Miss Kelly, with the help of Hugh (Woo Wool) Herbert, is able to do some caniving that brings her outcast father back into the tribe in time to save the family fortunes.

The foursome are said to give one of the sauciest, smartest, swiftest and funniest acting exhibitions to come to the screen in 1940.

"Military Academy," a timely drama of youth, its hopes, its fears and ambitions, plays as the companion feature with "Private Affairs." Tommy Kelly, David Holt, Bobby Jordan and Jackie Searl have the starring roles. Tommy Kelly is seen as the son of a notorious racketeer, placed in a military academy under another name. Here he becomes a hero of the school—until boom—the bubble bursts and he is, through a scandal about his father, made the laughing stock of the academy.

## Dalton Boys on Screen

Credited with more action and excitement than any motion picture in the last 10 years, "When The Daltons Rode" comes to the Craterian theatre Wednesday for a four day showing, the thrilling drama of the Dalton gang, last great outlaw band of the old West. Broderick Crawford (at the window), Brian Donlevy and Frank Albertson, with Stuart Erwin as the fourth brother, make up the Dalton boys. Also in the large cast are Randolph Scott, Kay Francis, Andy Devine, George Bancroft, Mary Gordon and Harvey Stephens.

How he comes through with colors flying, in the tradition of the school, makes one of the most thrilling climaxes ever given to a picture of this type.

## JAP GROUP ASKS WAR ON ENGLAND

Tokyo, Aug. 10.—(AP)—Domestic Japanese news agency reported tonight that the small rightist east Asia association Toa Kyokai had handed a petition to leading members of the cabinet demanding an immediate declaration of war upon Britain because of the arrests of Japanese in London.

The newspaper Hochi at the same time reported that 27 members of the Rotary club at Shizuoka had decided upon dissolution of the club on the grounds it had been publicly suspected of espionage.

(Japanese and foreign business men make up the Rotary membership in Japan).

## RETAIL TRADE AIDED BY COOLER WEATHER; FURNITURE TOPS LIST

New York, Aug. 10.—(AP)—Retail trade improved at many business centers this week as cooler weather brought out larger crowds of shoppers. Dun and Bradstreet reported today.

"The last of the summer clearance merchandise continued to move well," the mercantile agency said, "but the principal attention of department store shoppers was directed to house furnishings and new fall apparel offerings."

"Furniture sales events, which had been hit hardest during the previous week, enjoyed a snappy comeback in a number of cities."

"Resort trade is said to be below earlier expectations, although somewhat above last

## Heads Thrill Program

Heralded as a thrilling action drama, "South of Karanga" will head the double bill of "adventure hits" coming to the Cool Rialto theatre for Tuesday and Wednesday. Based on the exciting adventures of a small group of whites in the African frontier, "South of Karanga" boasts a cast of well-known players including Charles Bickford and Luli Deste, who are the starring roles. Others are

James Craig, John Sutton, Maurice Moscovitch, Ben Carter (the colored comedian who played Shadrack in "Maryland") Paul Hurst and Addison Richards.

"The Challenge," bill as the greatest thrill picture ever made—a magnificent spectacle of mountain climbing in majestic Alpine splendor, will play as the companion feature with the African adventure film.

## GOOD RAINS DROP PRICES ON CORN

Chicago, Aug. 10.—(AP)—Good rains over a large part of the corn belt and a more bullish estimate by the government on the size of the 1940 crop today drove corn prices down.

Wheat was unchanged to 14 up, September 73 3/4-74, December 74 1/2-75. The official government esti-

mate on the 1940 corn crop was a disappointment to the trade because it said the loss by heat and drought was only seven per cent.

Wheat broke sharply at the start, also losing around a cent a bushel, but later rallied to recover all losses. Wheat was weakened by corn and also by the official estimate that the small grains crop would be much larger than heretofore expected.

War news had but a minor effect on the market. It was noted that German advances said Germany was well fixed for food, but that occupied countries were in a bad way because of the British blockade.

Harris, Upham & Co., said regarding market action that "the discouraging statistical position

## Indian Fighter

Spencer Tracy finds the climax of his acting career to date in the role of Major Robert Rogers, the greatest Indian fighter who ever lived, the fearless, unkillable leader of Rogers' Rangers, in Kenneth Robert's "Northwest Passage," which heads the double bill opening a three day run today at the Roxy theatre. Filmed in technicolor, the picture also stars Robert Young and Walter Brennan.

"Hawaiian Nights," a musical comedy adventure in Hawaii, plays as the added feature with "Northwest Passage."

keeps the professional trade in a bearish frame of mind, but fails to bring in any outside selling pressure, and in the absence of hedges, mill buying furnishes constant support."

## FOREST SERVICE ADDS SCALERS AS SALES INCREASE

Because of increased timber sale activity, more scalers have been employed on the Rogue River national forest, headquarters announced Saturday.

Fred Sandoz, administrative guard at Union Creek, was promoted to scaler at the Medford Corporation's Butte Falls operation and was replaced as administrative guard by his brother, Peter Sandoz, who has been recreation guard at Huckleberry mountain. Winston Hotel, former secretary of the Ashland Chamber of Commerce, was employed as recreation guard at Huckleberry. He was once employed by the forest service as a fire guard at Cinnabar.

Vernon E. Hicks, a junior forester on the Olympia national forest in Washington, has been transferred to the Rogue River national forest for timber sale work, the transfer to become effective August 15. He will be assigned to the Medford Corporation sale at Butte Falls where he will be in charge of scaling. Harlan Clark, scaler there now, will be released to go to Chiloquin where he will be employed as scaler at the Chiloquin Lumber company operations which are scheduled to start about August 13.

## DOUBT SABOTAGE IN STEAMER FIRE

New York, Aug. 10.—(AP)—The small Norwegian freighter Lista and its cargo of war supplies for Great Britain smoldered in a Lower bay shallow today, wrecked by fire and explosions. As federal and local agencies continued investigations of the blaze, a preliminary report of the police sabotage squad dis-

counted the possibility of sabotage. The fire, originating in a piece of waste in the engine room, spread from bow to stern when it exploded a fuel tank and a kerosene drum, detectives said. The crew of 27, all rescued unhurt, was unable to fight the blaze because lack of steam deprived the vessel of water pressure.

## BODY IDENTIFIED AS ASHLAND MAN

Pendleton, Aug. 10.—(AP)—The decomposed body of a middle-aged man, found a mile east of Meacham about 300 yards off the old Oregon Trail highway, was tentatively identified today as that of Albert C. Goetze, 68. Goetze, a CCC saw-filer of Ashland, has been missing from Crater Lake national park since September, 1939.

Coroner Allen Folsom said the man apparently had been dead since spring. Sheriff Robert Goad, investigating the possibility of foul play, said he believed the victim was dragged into the brush.

Supporting his theory that the body was Goetze's, the sheriff said he once worked for the CCC at the former Emigrant Springs camp near Meacham. A widespread search of Crater Lake park after Goetze's disappearance failed to reveal any trace of his whereabouts. Sheriff Goad said Goetze's wife still lived at Ashland. In addition, he has two daughters living in California.
