

### GRANGERS MEET WITH GOLD HILL FAIR OFFICIALS

Enthusiasm Shown for August 31 Affair—Display Places, Chairmen Listed

Gold Hill, Aug. 17.—(Sp.)—A fair board meeting was held August 9 at the city hall, with a large attendance. Several Granges were represented. A great deal of enthusiasm is being shown for the Northwest Jackson County Fair, which will be held on August 31. Entry day will be on August 30 from 9 a. m. until 2 p. m. Judging is expected to take the remainder of the afternoon, and exhibits will be on display the same evening as well as all day Saturday.

Arts and hobbies will be displayed at the News office as well as the office of Harry Ellis, electrician. Mrs. Nellie Reed is again in charge of this department. Mineral exhibits will be in the front part of the Deuel building. The Oregon Ore Reduction company, in the same building, plans demonstrations of its work during the day, which will attract everyone interested in mining. Cleo Gilchrist and Mr. Van de Bogart are in charge.

Everett Rosecrans and Wallace Iverson will handle the sports and other entertainment for the day and many new attractions are being planned for this year's fair.

Parade at 10 a. m. The parade which will commence at 10 o'clock Saturday morning will have the same lineup as last year, according to H. D. Force, parade chairman.

The queen and princesses' float will be driven by Miss Ruth Lance, last year's queen. Miss Lance and Jill Martin will assist Mrs. Willie McLean in preparing the float.

Land products will be in charge of Otto Fuhrman in a tent on the south side of the railroad tracks, near the pavilion. In this department commercial displays will be non-competitive and the only award will be ribbons.

John Gray, livestock chairman, reports a great deal of interest this year in his department and expects more and better stock than ever.

A flower show will be held in the hotel dining room with Mrs. Paul Throner in charge. Textile department will be in the I.O.O.F. hall, with Mrs. Eleanor Force as chairman. Canning and home cooking will also be in the I.O.O.F. hall, in the dining room, with Mrs. Ruby Whitmore in charge.

Barbecue Feature. The barbecue, in charge of Mrs. Jeanette Greer and Jack Pinkerton, is expected to draw the usual large crowd, as it is always one of the highlights of the fair. The dance on Saturday evening is also expected to draw many, and Wallace Iverson

and Everett Rosecrans, on the committee, report that a popular orchestra will be secured for the fair dance. There will be another popular dance for the fair benefit on August 17. Another fair board meeting will be held August 18, when Chairman Bill Howes expects to complete all details.

### GAME SUPERVISOR CLAIMS DAM WILL DELAY ROGUE FISH

C. A. Lockwood, assistant game supervisor of the State Game commission testified today at the hearing in the suit of the Oregon State Game Commission against the Beaver-Portland Cement company, for a permanent injunction restraining the cement company from operation of a recently constructed dam in Rogue river, near Gold Hill.

Lockwood testified that in his opinion and from observations recently made, the 125-second foot flow in the river was not sufficient for the passage of migratory fish upstream. He stated the fish would be attracted into the tail-race of the canal and linger there, instead of going on upstream to their spawning waters.

Lockwood further testified if the fish were delayed too long their spawn would be lost, through the failure of the fish to travel to their natural spawning waters.

The court and counsel viewed the dam last Saturday, and the water flow was stipulated at 125 second feet in the main channel, with the water turned into the canal.

Other witnesses scheduled to testify today were State Police Game Warden Ed Walker, and P. C. Bigham, a veteran fisherman of the Rogue.

Attorney Kenneth G. Denman is representing the Rogue River Sportsmen association at the hearing, which is expected to last another day.

### THREE DRIVERS GIVEN SENTENCE

Robert F. McDonald, CCC truck driver, charged with violation of the basic rule, was given a six months suspended sentence by Justice of the Peace W. R. Coleman yesterday. McDonald, it was claimed, so drove his truck on the Pacific highway near Gold Hill that two stages were unable to pass him.

J. Irwin Brantley of Ashland, charged with violation of the basic rule on the Midway road, was assessed \$5 and costs.

William Penn Elson of Talent, charged with non-possession of an operator's license, was fined \$2.50 and costs.

### BEN GEARY HELD ON COMPLAINT OF MOTHER-IN-LAW

Ben Geary, charged in a complaint signed by his mother-in-law, Florence Godfrey, with threatening the commission of a felony, and on two counts with disorderly conduct, is held in the county jail, under \$2,500 bonds, as a result of a rumpus on Trail creek last Sunday evening.

Geary is scheduled to appear in justice court Wednesday afternoon, to either waive or request a preliminary hearing on the felony count. Pleas of not guilty were entered on all charges.

Geary was arrested Monday by Deputy Sheriff Grenbemer, who found him making shakes.

According to Deputy Grenbemer, Geary appeared at the home of Mrs. Godfrey late Sunday, and used profane language and threatened her. The deputy said Mrs. Godfrey chased Geary off her place with "the broom and a rock."

The complaint signed by Mrs. Godfrey alleges Geary said: "I'll shoot that John Warner the first time I get a chance."

Geary then drove to the Warner home, where his ex-wife, Georgia Geary, lives and allegedly cursed and threatened Warner.

Warner appeared with a gun, and words were exchanged. Then, according to Deputy Grenbemer, Georgia Geary said: "Give me that gun." Whereupon, Geary retreated, driving his auto through some stumps and damaging it.

Everett Cushman of the Tiller-Trail cutoff road, charged with disorderly conduct, entered a plea of guilty. Upon recommendation of the district attorney, Cushman was granted a six-months suspended sentence.

The complaint was signed by John Cushman, an uncle of the defendant.

### FARM LOAN FILING CLOSES THURSDAY

Thursday, August 15, is the last day upon which applications for tenant farm loans can be accepted in Jackson county for this year's program, advises Eugene Hampton, county farm security supervisor, 211 Fluhrer building, Medford. Application blanks are available for interested tenant farmers, farm laborers and sharecroppers.

The program will provide for one additional loan under this year's funds, Hampton explained.

As soon as applications are closed, the county tenant purchase committee will begin reviewing the applications, farms intended for purchase, and prepare to make their recommendations as to applicants best qualified for farm ownership.
