INDIANS, TIGERS BOTH LOSE; BOSOX LAMBAST SOLONS

Browns Beat Cleveland — White Sox Trim Detroit — Standings Unchanged

Cleveland, Aug. 17.—(AP)—Johnny Niggeling, a fugitive from the National league, held the Cleveland Indians to five hits today and St. Louis squeezed out a 2 to 1 decision which snapped the league leaders' victory streak at five games.

The setback didn't cost the Indians any of their three-game lead over the Detroit Tigers who were beaten by Chicago, but it did take from Pitcher Mel Harder what normally would have been an easy triumph.

George Susce, Browns' catcher, was the man who spelled trouble for Harder. The Cleveland righthander was breezing along in fine fettle when he suddenly lost control in the fourth inning.

He filled the bases with walks to Harland Clift, Roy Cullenbine and Johnny Berardino, and then hit Susce to force Clift across with the first run.

Cleveland tied the count in the last half when Outfielder Roy Weatherly drove out his seventh homer of the season. But Susce wasn't done. Clift singled in the eighth, advanced on an infield out and dashed home on Susce's single with what proved the winning run.

R. H. E. St. Louis 2 7 0 Cleveland 1 5 1 Niggeling and Susce; Harder, Eisenstat and Hemsley.

Detroit, Aug. 17.—(AP)—The Chicago White Sox, opening with a four-run blast in the first inning, held the lead and subdued the Detroit Tigers 9 to 5 today.

Slugging Jimmy Foyx connected for his sixth homer in the last five games as he drove his 32nd circuit wallop of the campaign out of the park in the first inning. Manager Joe Cronin and Dom DiMaggio hit home runs in the five-run seventh inning, in which the Sox went ahead for keeps.

STAN HACK'S HITS GIVE CUBS EXTRA INNING VICTORY

Chicago, Aug. 17.—(AP)—Stanley Hack was the big noise in the Chicago Cubs' 6 to 5 victory over the Pittsburgh Pirates today in 13 innings, doubling home the tying score in the ninth and singling home the winning run.

The Pirates scored all their runs in the first five innings while Bob Klinger was holding the Cubs scoreless. But Chicago sent the Buc starter to the showers in the eighth when the Cubs came within one run of tying the score.

After Hack's double tied the score in the ninth, the Cubs sent Claude Passeau to the mound as the fifth pitcher. He gave up three hits in four innings but was never in danger as he won his 14th victory.

Danny MacFayden was the losing pitcher for the Pirates, allowing Deminie Dallessandro and Al Todd to get six bases before Hack broke up the game with his fourth hit of the day.

RAY OIL BURNERS BEATEN BY MEDCO, CONQUER BOXMEN

The Ray Oil Burners of Seattle, Washington state champions for the past three years, divided a double-header with local clubs before 1,200 fans at the stadium Friday night. The visitors took a 5 to 4 setback at the hands of Medco in the opener, then came back to defeat Wooden Box, 3 to 1, in the nightcap.

Medco defeated the Seattleites by scoring a run in the sixth inning to break a 4-all tie. Catcher Bob Wilson singled, stole second and scored on Tommy Kevan's single to right. Catcher Alcana of the visitors dropping a perfect throw from the outfield that had Wilson nipped at the plate.

PILUSO TO MEET ARMENIA TERROR

With three straight victories behind him, Armenian Mike Nazarian will attempt to climax his drive to the local grappling pinnacle Monday night when he faces the business end of Ernie Piluso's thudding somberner's in the one-hour main event in the armory.

In two other bouts, designed to wring the fullest of thrills from the attendees, young Jack Hagen will face Pete Belcastro in the middle event and Bob Wagner will clash with Bob Kenaston in the opener.

Nazarian hasn't yet bowed his head in defeat in the local arena and he fully expects to keep his record intact at the expense of Piluso, who also is unbeaten in two starts. The husky Armenian, who pays no attention to the niceties of the game, doesn't believe Piluso has the stamina to absorb punishment and launch an attack of his own.

The ex-Multnomah club amateur star isn't worrying about his alleged inability to take it, however. Piluso points to the fact that, in the past two weeks, he has accepted for the best Danny McShane and Pete Belcastro had to offer, and still was able to spank their ears down when payoff time arrived.

LOUISVILLE LASS TUMBLES RECORD IN SWIM EVENTS

Jantzen Beach, Portland, Ore., Aug. 17.—(AP)—Mary Ryan, 15-year-old splasher of Louisville, Ky., became the national women's A. A. U. outdoor swimming tournament's champion record-breaker today, as she sent a second record tumbling—this time in the 440-yard freestyle. The little, blonde representative of the Lakeside club staged a powerful last lap drive to move ahead of Brenda Helsler of Portland, who finished second. Miss Helsler trailed by 15 feet at the finish after holding a slight lead at the halfway mark.

Dorothy Leonard of Worcester, Mass., placed third. Nancy Merki of the Multnomah club, Portland, the defending champion, did not compete. She was confined to her home by illness.

Miss Ryan covered the 440 yards in 5 minutes, 30.1 seconds. The old mark was 5:32.5, set by Lenore Knight of Homestead, Penn., in 1933 at New York.

The Louisville speedster broke the one-mile record yesterday. A gallant, fighting finish in the 880-yard relay brought spectators to their feet.

Won by New York's speedy squad in 10:85.8, 21 seconds behind the record, the cheerers were for Portland's Multnomah club.

Swimming without 14-year-old Miss Merki, holder of two national and one world records, Multnomah club saw its six-foot advantage at the end of the lead-off lap fade to a half-tank deficit as a substitute swimmer struggled along.

SNEAD TIED WITH JUG M'SPADEN IN CANADIAN OPEN

Toronto, Aug. 17.—(AP)—Sam Snead's golf game collapsed today after two sensational rounds and the West Virginia clogger tied with Harold (Jug) McSpaden, the defending champion, for the Canadian open golf championship. Each finished the regulation 72 holes with a total of 281.

Snead, who plays from Shawnee-on-Delaware, Pa., was five strokes ahead of the field at the halfway mark yesterday with 133. He took a 75 on this morning's round, then finished with a 73. McSpaden, in third place at the halfway mark, still trailed by four strokes after a morning 73 but he finished with a 69, two under par, to tie Snead.

Despite his collapse, Snead rallied at the finish to show some of the same kind of golf he had played in beating par by nine strokes on the first two rounds. He had a 38, three over par, for the out nine this afternoon, then pulled his game together and came home in 34, one under regulation figures.

Snead and McSpaden will play off tomorrow for the title over 18 holes.

Meanwhile authorities continued investigating Thursday night's fire. Three youths were released last night after several hours of questioning.

RANGERS RESCUE CALIFORNIA BOYS TRAPPED ON PEAK

(Continued from Page One.) attempts to reach him from the bottom failed, an effort was made to get to him from the top. Even with the use of ropes by experienced rangers, however, the effort to reach the boy from the top had to be given up as hopeless and another attempt was begun to get to him from the water's edge.

After weary hours of attempted rescue, the rangers resumed the climb from the bottom at 1 p. m. yesterday. Risking his own life by zigzagging upward in treacherous volcanic ash and loose stones, Ranger Elwyn Mann reached Gubser at 4 p. m. A great cheer rose from the spectators.

The boy was given food and water carried by the ranger. In another hour, Mann and the assisting rangers had the boy safely on solid earth at the foot of the cliff. A boat took the youth and the rescuers to the boat landing. From there the hike was begun up the trail. The group got to the top of the trail at 7 o'clock last night.

CCC enrollees helped the rangers and other park employes in the rescue. The rescuers had to exercise great care in not getting one above the other because of the danger from cascading rocks. Even a loosened pebble would start an avalanche, Mr. Leavitt said, and great rocks continually crashed down into the water below. The rescuing party used about 4,000 feet of rope in scaling the mountain-side.

"Everyone did a grand job," Mr. Leavitt declared in praising the heroic work of all who took part in the rescue.

WALL ST. STOCKS TENSION LESSENS

New York, Aug. 17.—(AP)—War tension lessened a trifle in today's stock market and leading issues steadied after a week of generally sharp declines.

While a handful of favorites managed to get up a point or so, recoveries were limited to minor fractions in most cases and, at the close, declines were almost as plentiful as gains. Numerous stocks finished at their final level of Friday.

The Associated Press average of 60 shares was up .1 of a point at 41.1, but on the week showed a net drop of 1.9 largest weekly decrease in nearly three months. Narrowness of the day's proceedings was exemplified by the fact that of 1,233 listed issues, only 334 appeared on the ticker tape. Of these 120 were up, 93 down and 121 unchanged.
