**WILLKIE CONFERS WITH ANTI-THIRD TERM DEMOCRATS**

New York, Aug. 22.—(P)—Coordination of anti-Roosevelt campaign activities among southern Democrats was a major object today of a swift series of conferences called by Wendell L. Willkie.  
A chartered plane brought the Republican presidential nominee here from Rushville, Ind. last midnight. He will return

early next week to set up personal headquarters in that mid-western farm community.  
Willkie arranged a talk tonight with John W. Hanes, former undersecretary of the treasury in the Roosevelt cabinet, and Lewis W. Douglas, the president's first budget director. Those one-time administration officials are heading an organization of independent Democrats supporting the Republican candidate.  
There has been talk among the Willkie forces of creating a "national unity" party in the south, designed to attract Democrats wishing to vote against the president, but not wanting to place an "X" in the Republican column.  
The mechanics of such an arrangement—nomination of a

separate set of electors and cumulative voting on different tickets—was described by Willkie as one of the topics for the conference.  
He has said that he would speak in the south, but has not announced detailed plans. His formal speaking campaign will be opened in Coffeyville, Kans., about Sept. 14, and the only other engagement he has accepted publicly is an address to a Republican women's convention at Detroit.  
Portland, Aug. 22.—(P)—The sea otter, prize of early day fur traders and trappers in the Pacific northwest, is coming back numerically, Dr. L. N. Gabrielson, federal fish and wildlife service field man said yesterday on return from Alaska.

**CHILD REFUGEES REACH NEW YORK**

New York, Aug. 22.—(P)—The weather-beaten, black and buff British liner Samaria docked today bringing to safety from bombarded England the first group of children transported through the collective efforts of Americans.  
The young war refugees crowded the Samaria's rails—210 of them of all sizes, dressed in all kinds of clothing—and cheered lustily when they saw the Statue of Liberty in the sunny haze.

**GOLD HILL SIGNS DRAMATIC COACH**

Gold Hill, Aug. 22.—(Sp)—Principal D. H. McGuire has announced the hiring of the new high school teacher, made possible by the five percent increase on the new budget. Miss Dorothy Burket of Pasadena will coach dramatics in addition to other subjects and has had considerable experience in dramatics at Linfield college, where she graduated. Miss Burket was born in China and received her high school education in Shanghai, where her par-

ents were missionaries, and she speaks Spanish, French and Chinese in addition to English.
