Medford Girl Weds Klamath Falls Resident

Miss Ora Mie Thiede, daughter of Mr. and Mrs. W. W. Thiede of Eagle Point and Harold Eberlein, son of L. F. Eberlein of Junction City, were united in marriage at a beautiful ceremony Monday evening at St. Peter's Lutheran church. Officiating was the Rev. H. H. Young.

The bride, given in marriage by her father, wore a gown of white bridal satin, fashioned princess style with long train. Her net veil fell from a wreath of stephanotis. She carried a bouquet of gardenias and stephanotis.

Her only bridesmaid was Miss June Chesney, who was gowned in blue chiffon. Pink gladioli composed her bouquet. Little Miss Ruth Thiede, niece of the bride, was flower girl. She wore a frock of baby blue organdie.

The bridegroom's brother, Norman Thiede, acted as best man and Ernest Hueners was usher. Mrs. Arnold Eberlein played the wedding music and Mrs. Ernest Hueners sang "Oh, Promise Me."

A reception followed at the home of the bride's parents. Mrs. H. H. Young served the wedding cake to 50 guests and Mrs. E. Tams poured.

The young couple left later for a wedding trip to southern California and coastal points. For traveling, the bride wore a rose-colored dress with black accessories and a corsage of gardenias. They will be at home to their friends after September 8 in Klamath Falls.

Chicago Wheat

Chicago, Aug. 28.—(AP)—After advancing as much as 1/4c at one stage to the best level in almost two weeks, wheat prices today backed down and closed with little or no change compared with yesterday's finish.

Buying came from mills and local traders while selling was associated with profit taking and hedging operations in the northwest. Prospects of an enforced settlement of Balkan affairs at least for the time being caused some dealers who bought on the growing crisis to liquidate. On the other hand, tying up of large quantities of domestic wheat under the loan program checked selling.
Wheat closed unchanged to 1/4c lower compared with yesterday's finish, September 7 1/2@7 1/2, December 7 1/4@7 1/4; corn unchanged to 1/4c higher, September 6 1/4@6 1/4, December 5 7/8@5 7/8; oats 4 1/4@4 1/4.

Wall St. Reports

New York, Aug. 28.—(P) Leading stocks rose fractions to more than 2 points today on a moderate-sized buying wave.
The market generally came close to duplicating the peaks of the recent rally but lacked the stamina to push into new high ground.

Brokers said traders seemed unwilling to follow through on the advance, assuming it was based chiefly on technical factors and that the uncertain outcome of the great battle of England was a hindrance to an aggressive move.

Steels, motors, aircrafts and rails responded readily to the early flurry of orders. After these had been filled, prices resumed a listless drift but stiffened again toward the finish.

Transactions approximated 400,000 shares.

JOHNSON ASSURED OF FIFTH TERM IN CALIFORNIA VOTE

San Francisco, Aug. 28.—(P)—Senator Hiram W. Johnson, Republican foe of most of the administration's foreign policy, was virtually assured of a fifth term today as the result of California's primary yesterday.
The white-haired veteran captured both the Republican and the Democratic nomination, despite the opposition of President Roosevelt whom Johnson supported in 1932, and held a four to one lead on the Progressive ticket, which listed him as a vice presidential candidate with Theodore Roosevelt in 1912.
Four of the state's seven Republican congressmen were likewise assured of reelection by capturing both major party nominations, and the remaining three were leading on both tick-

ets. The 12 Democratic congressmen appeared assured of re-election, but most of them apparently will face Republican opposition in November.
Governor Culbert L. Olson's attempt to purge the legislature of Democrats who voted with the Republican minority to defeat administration bills apparently was doomed to failure. Returns indicated only three of his candidates would win nominations against ten legislators.
Senator Johnson, facing his toughest opposition in 24 years, ran up clear majorities over his opponents on the three party tickets which heretofore have nominated him almost without opposition.
Returns from 11,134 of the state's 13,540 precincts gave: Democratic senator: John Anson Ford, 107,998; Sen. Hiram W. Johnson, 376,813; James D. Meredith, 18,651; Richard S. Otto, 12,731; Lieut-Gov. Ellis E. Patterson, 142,194; Assemblyman Sam W. Yorty, 53,840.
Republican Senator (11,163 precincts): Ford, 31,619; Johnson, 434,061; Patterson, 41,030; Yorty 25,763.
Progressive (5863 precincts): Johnson, 2238; Otto, 524.
