Pomona Grange

During the fall a series of "pop meetings" have been planned for outlying Granges in Jackson county.

The first is to be held at Enterprise Grange at Wimer on September 12. Live Oak, Gold Hill, and Bellevue Granges are furnishing the program, with Mrs. Alice Gowland, lecturer of Bellevue, general chairman, assisted by Viola Pinkerton of Gold Hill and Arden Tyrell of Live Oak.

Subject of these meetings is to bring large groups of Grangers throughout the county together in the more distant localities and help them all by becoming better acquainted with each other and Grange activities in the county.

Pomona Grange is furnishing ice cream and every group attending is asked to bring cake enough for their own group. Pomona H.E.C. chairman, Mrs. Nellie Borg, is also planning to serve coffee.

Mrs. Olive Flord, Pomona lecturer, urges all to come to Enterprise Thursday night, September 12, and have the kind of a good time that only a Grange crowd can have.

Greatest wind velocity ever recorded at Wind Whiteface mountain, New York, was 144 miles per hour.
