## Aunt Abby says

Some folks are always in such a hurry to put their feet forward they don't care who they step on.

I'm not fussy about many things. But I'm mighty fussy about my tea. LIPTON'S TEA is the only kind I'll drink. Once you taste the extra good, rich flavor of LIPTON'S, nothing else will do.

The bride gets carried over the threshold but after that she does all the pickin' up.

Maybe I shouldn't keep givin' young couples advice, but they always thank me for tellin' 'em about LIPTON'S TEA. It's wonderful tastin' and it'll give over 200 cups to the pound, too! Why don't you try it?

LIPTON'S TEA

"world-famous for flavor"

## Descendants of Pioneer McKees Gather for First Annual Picnic

Big Applegate, Sept. 12.—(Sp.)—Starting what will be an annual event in the McKee family, descendants of Jackson county pioneers, 56 members of the family assembled at McKee bridge forest park Sunday for their first picnic and reunion. Particularly significant is the fact that the spot selected for the reunion bears the family name. The bridge spanning the Big Applegate river was built in 1917 near the Delbert McKee ranch, now owned by his grandson, Orie Phillips, and common usage gave it the present name.

Three generations were represented at the picnic Sunday, and with the exception of one, each family member is a descendant of the late John and Mary McKee, who came here from Missouri in the early 60's, residing at Log Town for many years. Two sons and two daughters of the couple survive from a family of 14, and were present Sunday.

The picnicers retired to the Upper Applegate Grange hall for their meal, and afterward many enjoyed playing horse-

shoes. Members of the family attending included Mr. and Mrs. John McKee, Mr. and Mrs. Oliver Martin, Mr. and Mrs. John Higinbotham and Mr. and Mrs. Frank Stephenson of Central Point, Mr. and Mrs. Al Shierd of Talent, Mrs. Albert Heckert and family, Mrs. Riley Norris and daughters, Miss Enid McKee and Mr. and Mrs. George Prowell of Jacksonville, Mr. and Mrs. Ernest McKee and daughter Jeanette, Mrs. Alice Crawford and Mr. and Mrs. Mike Herman of Medford, and Mr. and Mrs. Amos McKee, Mr. and Mrs. Raymond Phillips, Mr. and Mrs. C. W. Culy, Omar Culy, Mr. and Mrs. Louis Culy and family, Mr. and Mrs. Floyd McKee and family, Mr. and Mrs. Orie Phillips and family, Mrs. John Byrne and daughters and Mr. and Mrs. Rolland Smith of Applegate.

Friends attending included Miss Helen Thomas of Ashland, H. Christianson of Medford and Mr. and Mrs. Val Haskins and Mr. and Mrs. Wallace Haskins of Applegate.

## GIANT COMICE PEARS GROW WITHOUT WATER IN PELTON ORCHARD

A Comice pear weighing one pound, 14 ounces and measuring 15½ inches in circumference and four and seven-eighths inches tall has been grown on the Pelton orchard. Mrs. Meta Simon, owner of the orchard, displayed the huge pear today, and along with it she had a single cluster on one branch of five Comice pears weighing over five pounds, with each of the pears measuring from 12 to 12½ inches in circumference.

Mrs. Simon said the pears were grown on non-irrigated land, and that the large one was by far the biggest she had ever seen. Its shape was perfect in every respect. Each of the cluster of five was also perfectly formed.

The Pelton orchard, located in Sams Valley 18 miles from Medford, has 280 acres in Comice, Boscs, Bartlett's and D'Anjou's. The Comice acreage is believed to be the largest in the country under one ownership.
