Seattle, Sept. 13.—(AP)—Attractive Marion Miley of Lexington, Ky., who yesterday won a match that started in a thunder, lightning and rain storm and ended in a duck's private lake, was one of today's four semi-finalists in the women's western amateur golf tournament at the Seattle golf club.

She plays Mrs. J. K. Priebe, Seattle city champion in the last two years, in the upper bracket, while national champion Betty Jameson of San Antonio, Texas, plays Miss Muriel Veatch, University of Washington coed from Longview, Wash.

Yesterday Miss Miley defeated Tiny Elizabeth Hicks of Long Beach, Calif., 4 and 2. Mrs. Priebe won by the same score from Mrs. Mary Mozel Wagner, Pacific northwest champion from Portland. Miss Jameson defeated Nancy Hurst, another Portlander, 6 and 4, and Miss Veatch took a 5 and 3 decision from Beatrice Barrett of Minneapolis.

START HARVEST OF RED APPLES

Harvesting of Delicious and other red varieties of apples in the Rogue River valley has started, assistant County Agent C. B. Cordy reported today. The Newtowns will come later. The apple crop is estimated as between 40 and 50 cars. Many apple trees have been pulled out in recent years.

This week will see the end of the picking and packing of most of the Bosc and Comice pears. A lull of a week or 10 days is expected before picking of D'Anjou starts.

Peach picking is over except for a few late varieties. Tomato picking is now at its peak and is expected to continue for two or three weeks.

County Agent Robert G. Fowler reported the rains yesterday were not general but heavy showers fell in the Gold Hill, Jacksonville, and Medford-Phoenix districts. Farmers welcome September showers for fall pastures, seeding and plowing.
