

THIRD AIR COURSE TO BE INSTITUTED SOON AT NORMAL

Class of 20 to Be Enrolled—Girls May Enter—Eligibility Rules Are Given

Ashland, Sept. 19.—(Sp.)—Southern Oregon College of Education today issued the following information regarding the third primary course in the government-sponsored civilian pilot training program:

A class of 20 students will be enrolled subject to official approval at Washington. No alternates will be allowed. To be eligible students must be American citizens 19 to 26 years old and able to pass the required physical examination. At least one year of college work is required. Girls at least 62 inches tall and weighing at least 100 pounds will be accepted provided they can meet all the other requirements. Not more than 10 per cent of the class may be girls.

Credits Allowed
College credit of six hours will be allowed for the course. Certain fees must be paid in addition to the regular college fees. Pilot students must be fully matriculated college students carrying at least eight hours of class work in addition to aeronautics. No freshmen may be accepted.

The course embraces 72 hours of ground work given jointly by the college and the flight instructor and a 35-to-50 hour flight course given at Medford municipal airport. The ground work requires several hours of class attendance at the college each week during the fall and winter terms. Ground instruction will begin as soon after September 23 as practicable. Flight training is scheduled to start soon after November 1 and will be completed not later than January 3.

Two previous primary pilot training courses have been conducted here, the first comprising ten and the second 30 students. The second class completed its work this week, 28 finishing the course.

EXPORT OF FRUIT IS THING OF PAST

Portland, Ore., Sept. 19.—(AP)—Fred H. Reese, manager of the port traffic development bureau here, declared today that export fruit had disappeared almost 100 per cent.

Yakima exporters who ordinarily poured thousands of boxes of fresh apples and pears into holds of refrigerator steamers here for delivery in Europe have no hope of shipping fruit abroad this season, he said. He asserted on a recent visit to Yakima he found only two cars of fresh pears booked for early shipment to England and both will move east by rail for shipment on a Belgian steamer.

"Brokers who ordinarily do a big fruit business with Europe are not even spending money on cables this season," he said.

MEN FOUND IN GUTTER ROBS GOOD SAMARITAN
Portland, Sept. 19.—(AP)—Here's the latest nomination for the "meanest thief" title, sub-

mitted by D. L. Chadwick of Portland. Chadwick halted his car on a city street last night and stepped out to help a man draped prostrate over the gutter. The man arose, whipped out a revolver and robbed Chadwick of \$70.

SEEK APPLICANTS FOR P. O. JANITRESS

Application forms for the U. S. civil service examination for charwoman at Medford postoffice were today in the hands of Earl H. York, postal clerk and secretary of the local board of civil service examiners. Women interested in the position were asked to call at the postoffice and procure the forms without delay as applications must be on file with the civil service office in Seattle, Wash., not later than September 24, only five days hence.

There is a vacancy at the postoffice here that must be filled immediately. The work of charwoman involves cleaning, dusting, sweeping, etc., and the pay is 50 cents an hour for the hours of actual work.

SEEK KIDNAPER OF 'LOST' BABY

Connellsville, Pa., Sept. 19.—(AP)—While a youthful farming couple rejoiced today on their 13th wedding anniversary—over the safe return of their "baby" son after his strange disappearance four days ago, state police gravely decided it was a case of abduction and set out to find the kidnaper.

Sergeant Harry C. Johnson said he believed two-year-old Ronald Rumbaugh had been "placed" in a cornfield where an airplane pilot spotted him yesterday afternoon. In movie-thriller fashion, the pilot flew two miles to the Rumbaugh homestead, yelled to the boy's father and others, and guided them quickly to the scene, thus ending an ever-widening search in which several dozen police and hundreds of volunteers had participated.

LANDON AND FARLEY FIND COMMON GROUND

Topeka, Kas., Sept. 19.—(AP)—Alf M. Landon and James A. Farley finally have joined forces—at least in a sporting way.

The former national Democratic chairman recently sent Landon an autographed copy of a book. Replying, the 1936 Republican presidential nominee wrote: "For the first time I want to see the Yanks win." Farley wrote back: "I read with interest what you had to say about the Yanks. I am glad that you finally are playing on my team."

The meeting will mark resumption of regular activities of the association following summer adjournment and leaders expressed the hope yesterday that every community in the county be represented. Plans for the annual Seal Sale will be presented. POLE TO GRAPPLE NAZARIAN MONDAY

Mike Nazarian will undoubtedly win his eighth straight grappling match in the Medford armory next Monday night, because he will be facing Joe Smolinski, the Polish palooka whose mat victories here have been as scarce as hens teeth. They'll meet in the one-hour main event, Promoter Mack Lillard announced today.

Taro Ito, popular Japanese matman, will face Bob Kruse of Oswego, Ore., in the middle event, and Whitey Wahlberg will take on Balk Estess in the opener. Estes is a brother of Toots Estes, and is younger and bigger than his kin. It will be his first appearance here.

HORSE RACING AT SISKIYOU CO. FAIR

Yreka, Cal., Sept. 19.—(Sp.) Three big days of horseracing will begin Friday, September 20 when the Siskiyou county fair opens for the 1940 season. This race has to date attracted quite a few entries.

Some of the southern Oregon livestock men who won ribbons in the recent California state

fair at Sacramento will show their animals at the fair here. In addition to the livestock exhibits, booth displays and horse races, there will be a carnival, circus and two nights of dancing.

The plans of the management of this fair call for one of the largest in the history of Siskiyou county.
