EGG SHORTCAKE

EACH FOOD is at its best and most economical at the height of its own season of abundance. This is the season for eggs. Not only are they plentiful and cheap, but they are quick and easy to prepare, leaving time free for sunny hours out of doors.

Hard cooked eggs in a creamy cheese sauce are so good served on flaky hot biscuits that one can hardly believe such an Egg Shortcake is chock-full of vitamins and minerals.

Melt butter, stir in flour to form a smooth paste. Add salt and milk and cook over low fire until slightly thickened, stirring constantly.

Biscuit Foundation: 2 cups sifted flour, 3 teaspoons baking powder, 1 teaspoon salt, 2 to 4 tablespoons shortening, 3/4 to 1 cup milk.

Sift flour, baking powder, and salt together. Cut or rub in shortening. Add milk to make soft dough. Knead lightly 1/2 minute.

Pat or roll out 1/4 inch thick. Cut with biscuit cutter. Bake on ungreased baking sheet in hot oven (450° F.) 12 to 15 minutes.

Split each biscuit, cover with filling, replace top of biscuit and serve. Allow at least 2 biscuits per serving. Yield: About 6 servings.

EGG SHORTCAKE Filling: 3 tablespoons butter, 3 tablespoons flour, 1/2 teaspoon salt, 1 1/2 cups milk, 4 to 6 hard cooked eggs, sliced, 1/2 cup grated nippy cheese.

NINE MINERS KILLED AS EXPLOSION TRAPS MEN ON NIGHT SHIFT

Bicknell, Ind., May 23.—(AP)—The number of known dead from an explosion in the Bicknell Coal company's Panhandle mine near here grew to nine with the announcement early today that seven bodies had been found in the workings in addition to two already brought to the surface.

Jack Ogilvie of Bicknell, in charge of the professional rescue squad on duty, said the seven corpses, badly burned, were discovered about 500 feet west of the first two, which had no burns. They could not be identified immediately.

Hours earlier, his crew had carried out bodies of Charles Wright, 42, of Bicknell, the night boss, and James M. Smith, 65, of Johnstown, a loader. Five other men also were trapped with the nine and were believed dead.

Ogilvie expressed belief gas or a mixture of gas and dust had caused the explosion. He said part of the mine was badly torn up.
