CLUB WOMEN FOR GIVING FULL AID

Atlantic City, N. J., May 24—(AP)—The General Federation of Women's Clubs, representing 2,000,000 American women, approved today all necessary aid to the foes of totalitarianism although warned this might mean convoys to Great Britain.

Mrs. Frederick W. Beggs of Wyckoff, N. J., international relations department chairman and the woman who introduced the resolution, said she was fully aware of its serious implications, such as the possibility of convoys.

Officers elected yesterday were: Mrs. John L. Whitehurst, Baltimore, president; Mrs. La Fell Dickinson, Keene, N. H., first vice president; Mrs. A. L. Blackstone, Waukesha, Wis., recording secretary, and Mrs. Rowland H. Latham, Asheville, N. C., treasurer.

KLAMATH LUMBER TO LAST 10 YRS.

Klamath Falls, May 24—(AP)—Ten of the Klamath basin's largest sawmills will close within the next 10 years, Lyle Watts, U. S. regional forester, predicted here yesterday.

Watts told a group of timbermen, forest agents and mill operators that the average timber growth in the Klamath area in the past decade was 240 million feet a year and the annual cut of ponderosa pine averaged 485 million feet. An additional 340 million feet was lost annually, he said, from fire and pine beetles.

The 1940 Klamath cut was 700 million feet, Watts said, and this is expected to rise another 25 million feet for the next three years. It will then drop and by 1945 reach 525 million and by 1955, 225 million, he predicted.
