

MAD GREEK HELD FOR ATTEMPT ON LIFE OF RULERS

Rome, May 24.—(P)—A Greek, declared "crazy" by poetic madness, emptied a pistol at the motor car in which King Vittorio Emanuele was riding during the monarch's visit to Albania May 17, official Italian dispatches from Tirana disclosed today. All the shots went wild.

The assailant, whose name was given as Vassal Laci Mihailoff, was arrested, the dispatches said, "and saved from lynching by the people so as not to complicate investigations begun to turn down his possible accomplices."

In the motor car with the king-emperor was Shekvet Verlaci, who has been premier of Albania since the Italians first

Fueling an R.A.F. Bomber

The 3-ton Dodge tank truck pictured above supplied gasoline for this new Lockheed bomber just before it was flown to England for service in the R.A.F. These bombers are being turned out in mass production at the Lockheed plant in Burbank, California, and reach England within a week after they leave the factory. The Dodge truck has a tank of 2300 gallons capacity and each plane is equipped with two special fuel tanks for a flying range of 2200 miles across the Atlantic. Flights are made regularly.

invaded that country early in 1939.

The official announcement described the affair as an attempt on the life of Verlaci. News of this "criminal act," said the Tirana dispatches, was withheld until today, pending questioning of the prisoner.

King Vittorio Emanuele returned to Rome by air from Tirana on May 17 after a week's tour of the Albanian battlefronts where the Italians first fought the Greeks, then marched against the Yugoslavs.

STOCKS ADVANCE FOR WEEK SMALL

New York, May 24.—(P)—While the stock market registered a small net advance on the week, minus a split sign were about evenly split in today's brief session.

A few aircraft, steels, utilities, coppers, motors and specialties managed to attract a fair amount of bidding but many leaders were left to slumber on a lower shelf. A handful of isolated stocks lost 1 to more than 2 points.

The usual week-end apathy prevailed in boardrooms as many customers again took a lengthy holiday. Transfers of 160,260 shares compared with 140,540 last Saturday, both turnovers being the smallest since last August. The Associated Press average of 60 stocks was unchanged but up .2 of a point net on the six-day stretch.

WHEAT MEETING TUESDAY NIGHT

A wheat quota meeting will be held in the court house auditorium Tuesday, May 27 at 8 p. m. Fred Homes, chairman of the Jackson county agricultural conservation committee, announced yesterday.

RESIDENT EAGLE POINT SUMMONED

Roseburg, Ore., May 24.—(Sp)—Mrs. Taylor (Jane) Goade, 86, resident of Eagle Point, Oregon, died suddenly this morning while visiting relatives at Temmie. For the past four weeks she has been visiting grandchildren in Douglas county. She was born in Arkansas April 25, 1855, and came to Portland, Ore., about 1900 from Oklahoma, and later moved to Eagle Point, where she made her home for several years. Mr. Goade died in 1908. Mrs. Goade was a member of the Baptist church.

Surviving are a son, Barney Goade, Eagle Point, Ore., and a daughter, Mrs. Sophronia McDow, Yakima, Wash.

The body has been removed to the Douglas Funeral home and funeral arrangements will be announced later.

NORSE REFUGEE LECTURE JUNE 4

Speaking on "Europe Under Nazi Rule," Brynjolf Bjorset, Norwegian refugee, will lecture in Medford June 4 at the high school auditorium. Mr. Bjorset is being brought to Medford by the Jackson County League of Women Voters.

The Norwegian, a man of considerable importance in his own land before the Nazi invasion, is reported as making a most favorable impression in his various appearances in the west. His recent talk before the Commonwealth club of San Francisco was broadcast over a state-wide hook-up and his immediate audience was reported to be most enthusiastic.

Mr. Bjorset, both a business man and a reserve officer in the Norwegian army, was in the midst of events during the

When you need it, this big eight is practically TWINS

LIFT up the bonnet of this darling Buick and you see only one engine—a big, efficient valve-in-head straight-eight.

Look again—and you note that Compound Carburetion† gives it two carburetors—and what amounts to a dual personality.

One of those carburetors does all the work in casual, about-town, every-day driving, giving you a car that's easygoing on everything, from the way it handles to its consumption of gasoline.

But that other carburetor—hooked up to go to work any time you want top power and pull—that extra energizer steps up this nimble sweetheart into a regular giant of power, punch and ability!

It tings you lightly through tough going—because having that second carburetor is almost like having an extra engine to call on when you want it.

The net result? Well, see for yourself. See what it means in life and lift and un-failing response. See all this by putting a Buick through its paces for a brief half hour.

As to what it means beyond this—the records show that Compound Carburetion gives this '41 Buick a 10% to 15% edge in gas-economy over its predecessors of the same size!

Important? Sure is—especially when present prices on Buick make it the Number One all-round bargain of the year.

Just ask your dealer what one will cost delivered—and get two-in-one performance for your money.

†Available at slight extra cost on some Buick SPECIAL models, standard on all other Series.
