

**INTEREST SHOWN
IN COMING TALK
BY NORSE AUTHOR**

Widespread interest is being shown in the lecture appearance here next week of Brynjolf Bjorset, Norwegian refugee. He will speak Wednesday at 8 p. m. in the high school auditorium under sponsorship of the Jackson County League of Women Voters.

League officials point out that due to the increasing tension in international relations, Mr. Bjorset's lecture is especially timely. The speaker has traveled widely, is an author and economist of note and former president of the famous Academic society of Norway and former general manager of the Cooperative Credit society there.

After graduating from the Royal Norwegian Institute of Technology, Mr. Bjorset served with the Dutch East Indian government. Interested in people and their governmental struggles, he was in Turkey at the time of the uprising of the Young Turks under Kemal Pasha, lived in Syria for a time and has been a close student of the Arabs and Jews in Palestine.

War rumblings sent the traveler back to Europe, already with the knowledge that Nazism was spreading both in the Far East and in Europe. He returned to his native land in January of 1940 just before the Nazi invasion, and he was placed in charge of volunteers at Elverum.

Following the fall of Norway, Mr. Bjorset escaped and took ship for America. The boat was captured by Germans and Bjorset was returned to Norway for questioning by the Gestapo. Taking advantage of his knowledge of friction between the various German factions, Bjorset escaped and made his way to this country.

With this knowledge and experience as a background, Mr. Bjorset will speak on "Europe Under Nazi Rule—And After" and tell how he believes a Europe of democratic cooperation will emerge from the war. Tickets for the lecture may be obtained from league members, Pruitt's Music store or at the door the evening of the lecture.

**DRIVING LICENSE
RENEWAL IS EASY**

Residents in this area may obtain driver's license renewals at temporary offices at the City hall, the office being open daily beginning Monday for the convenience of local residents who wish to renew their driver's license, due before July 1 of this year.

Persons who hold current driver's licenses and who are under 70 years of age may renew their licenses by filling out the application form and paying the \$1.50 fee.

Those required to take the examination are persons 70 years of age and over; those who were not licensed during the period July 1, 1939, to June 30, 1941, and persons with physical disabilities. The Oregon driver's license examination consists of a test on the Oregon motor vehicle laws, an eye test, a test on ability to understand road signs, and the driving demonstration.

Examinations will be conducted Saturdays as usual until further notice.

Mrs. Kenneth Denman will be the license clerk on duty daily in the City hall.

**2 Rifles Stolen By
Front Door Entry**

Two rifles, each valued at about \$12.50, were stolen from the show window of the J. E. Powell gun shop, 114 North Front street, some time Friday night by a burglar who entered the store by breaking out a portion of the glass in the front door.

City police discovered the broken glass at 4:45 a. m. Saturday and immediately notified the owner of the shop. Powell told police that a .32-20 Winchester and a .22-caliber Remington bolt action rifle were missing from the show window.

**Ensign Roberts Now Member
Of 'Golden Dragon Domain'**

Ensign R. S. Roberts, son of Mr. and Mrs. D. D. Roberts, 32 Rose avenue, has mailed his parents the certificate showing that he is a member of the "Domain of the Golden Dragon," having successfully crossed the 180th meridian.

An elaborate certificate granted those who cross the meridian by air, the awarding grants Ensign Roberts mythical rights as a member of the "Dragon" domain. He crossed the meridian at an altitude of 7,000 feet while a member of patrol squadron 24, U. S. navy, June 5, 1940. He is with the navy in the Philippine Islands.

The parents also have in their possession the certificate granted by the president of the United States nominating and appointing Richard S. Roberts an ensign in the U. S. navy, August 19, 1939. The certificate was dated February 26, 1941.

Incidentally, their older son, Dale Roberts, of San Francisco and a member of the intelligence department in the U. S. government crossed the meridian Feb. 19, 1931 on the U.S.S. California State while bound for Callao, Peru, and Valparaiso, Chile. The certificate is entitled "Imperium Neptune Regis" and like the other,

Ensign R. S. Roberts

grants the holder certain "sole and mysterious rights" as a member of the organization.
