

FEDERAL POWER LINES EXTENDED

Portland, Ore., June 2.—(P)—The federal government extended its huge Pacific northwest electrical system into southeastern Washington and northeastern Oregon yesterday. Power courses through an 87-mile, 115,000-volt line from Midway, Wash., to a substation at Walla Walla and on to substations at Pendleton and the Pendleton army air base. The extension also will provide power for the Columbia county, Wash., Rural Electric association when REA lines are completed in the county.

THE SPIRIT OF

by JOHN CLINTON

Did you ever slam shut the doors on your automobile with the keys inside the car? Me, too! Mrs. Clinton and I came out of the movies to get in the Hispano-Plymouth, last night and—off! There we were on the outside, and there were the keys inside!

Mrs. C. said: "All right, John, let's see your precious Union Minute Men get us out of this one!" Well I walked down to the Union Oil station and told the boys about it. One of 'em got a long wire and came back to the car with me. He twisted the wire under the window, and hooked the door handle—and presto!

Then, on top of that, he presented both Mrs. Clinton and me with a perfectly swell leather key-tainer that he had given him. Then he suggested we each carry keys to the car, and prevent future accidents!

Well, that made such a hit with me that I got down to let me give one of these swanky leather key-tainers to every reader of this column—free! No box-tops, no contests, no dimes, no sales slips—nuttin!

Just address a post card to John Clinton, Room 725, Union Oil Bldg., Los Angeles, and I'll send you a leather key-tainer with love and kisses, and the compliments of the Union Minute Men.

But I'd like to suggest that you write the card now, on accounts last time I offered my readers a gift, we got so many requests we had to make the late folks wait. And in the meantime, when you need a friend—stop at a Union Oil Station!

Borland-Erickson Betrothal Told At Sunday Tea

Announcement was made yesterday in Grants Pass of the betrothal of Miss Roberta Borland, daughter of Mr. and Mrs. R. F. Borland to George Erickson, newly elected football coach at Grants Pass for the coming year.

News of the approaching marriage was told at an informal afternoon tea held at the Borland home to a group of friends of the bride-elect by small candles on tiny cakes served to guests on individual trays. The rooms were arranged with bouquets of mixed summer flowers. The marriage will be an event of the summer months.

Miss Borland has been employed at the Medford Branch of the First National Bank in this city since February of this year, making her home at 822 South Oakdale street. Miss Kathryn Ford of this city assisted at the tea. Mr. Erickson's sister, Adella Erickson of Portland attended the announcement party.

8:00 p. m.—V.F.W. post and auxiliary, armory.

Graduates Warned To Fight Tyranny

Corvallis, June 2.—(P)—Chancellor F. M. Hunter warned graduating Oregon State college students yesterday against any compromise with tyranny.

"The temptation to think that there can be a compromise in the world between the doctrines of nazi-communism and democracy is a fatal error," Dr. Hunter said.

CITE TWO DRIVERS FOR COLLISIONS ON SATURDAY NIGHT

Two automobile accidents late Saturday night resulted in charges of driving while intoxicated and reckless driving being filed against operators of two of the machines.

Francis M. Glancy, 27, of Central Point was confined in the county jail today after his failure to raise \$500 bail on a drunken driving charge. He appeared in justice of the peace court this morning and asked for and was given until 2 p. m. Tuesday to enter a plea.

Glancy, according to city police, drove a car that struck a machine operated by Mrs. Warren Siebert of Ashland, on North Riverside avenue just north of the Jackson boulevard intersection shortly before midnight Saturday. Following the crash, according to the police report, Glancy ran and hid near the Bates Candy company, 624 North Riverside avenue, where he was found by Constable Nick Young and taken to the city jail, later being transferred to the county jail.

Glancy's car was traveling north on Riverside avenue and Mrs. Siebert's machine was moving south when the accident occurred, police said. Nobody was hurt, but both cars were damaged considerably.

Frank E. Neathamer of Talent was cited by city police to appear in city police court before noon Saturday on a charge of reckless driving, arising from an accident between his car and one driven by Ray Eugene Jackson of 539 West 10th street, at Crater Lake avenue and East Jackson boulevard.

Neathamer was traveling east on Jackson boulevard and Jackson was driving south on Crater Lake avenue, the two cars meeting at the intersection, police said. Both cars were badly damaged.

WHEAT GROWERS VOTE FOR QUOTA

Washington, June 2.—(P)—Growers of wheat joined producers of cotton and tobacco today in granting the agricultural department authority to control the sales of their crops this year.

In a nation-wide referendum Saturday, wheat farmers voted decisively for a departmental proposal to invoke the rigid marketing quota provisions of the 1938 farm act to keep the surplus production of this year's bread grain crop off the market until it might be needed.

Quotas on cotton and tobacco were approved in referendum held last winter.

NEW RESIDENCES UP MAY BUILDING

Permit applications for the construction of six new residences at a total stated cost of \$18,050 represented the largest share of Medford's \$20,600 building permit business last month, it was revealed in figures released from the city inspector's office today.

May of this year showed a good increase over the same period in 1940, when permits issued were valued at \$13,430, but a decline under April of 1941 when the total was \$60,125.

Besides the permits for six new homes last month, there were six applications made for permits to remodel residences at a total stated cost of \$2,250, and two permits for the remodeling of businesses at a total cost of \$300.

HORSE SHOOTING CASE UNDER WAY

Trial of the damage suit of John M. Conner, 19, against J. B. Henry, both of the Greensprings mountain area, for \$500 punitive and \$400 general damages, for the alleged malicious shooting of two horses belonging to Conner last September 14, was begun in circuit court today, with selection of a jury.

The complaint alleges Henry shot and killed a Clydesdale gelding and a bay mare belonging to Conner, who, being a minor, is suing through his mother as guardian ad litem. The trial is expected to take the better part of two days.

The plaintiff is represented by Attorney W. M. McAllister and the defendant by Attorney Gus Newbury.

WHITE HOUSE IS SOLDIERS MECCA

Washington, June 2.—(P)—Between 1,200 and 1,500 service

men from nearby military posts and their friends tramped through the White House Saturday as sightseers, inaugurating Mrs. Franklin D. Roosevelt's plan to make this their exclusive privilege every Saturday.

Thousands of civilian tourists here for the holiday week-end were disappointed to find the doors closed to them.

Many, however, got in anyway, prevailing upon men in uniform to take them through Guards said several soldiers made three or four trips. Several "repeaters," including one who had ten young school girls in tow, were recognized and turned away.

SPEEDY PAROLES RAPPED BY COURT

Coeur D'Alene, Idaho, June 2.—(P)—Federal Judge C. C. Cavanaugh complained today that prisoners "are paroled from the penitentiaries so fast they hardly have time to learn to comb their hair" before reappearing in court on some other offense.

He said the road camp at Kookkia was "primarily for first offenders" and charged no judgment was used in the sending of men to Kookkia.

"Hardened criminals mingle with the beginners and such education is bad," said Judge Cavanaugh.

He made the statements after sentencing Austin P. Fagan to serve 10 months and pay a \$250 fine, leaving the attorney general to decide where Fagan would be sent.

It was a third court appearance for Fagan, accused of selling beer to Indians.

U. S. O. SOLICITORS START CAMPAIGN TUESDAY MORNING

Jackson county citizens will have their first opportunity to contribute directly to the national defense program starting Tuesday morning when solicitors in Medford and Ashland launch a three-day campaign to raise \$1,500, the county's quota in the National Defense, Inc. to raise \$10,765,000 to staff and operate 339 soldiers and sailors clubhouses which will be constructed with government money.

The Medford committee of the U.S.O., John P. Moffat chairman, will have over 100 community chest and other workers canvassing the city for \$1,000, Medford's quota of the \$1,500. Ashland workers will seek to raise \$500.

The campaign will end Thursday night, at which time the Medford committee expects to be over the top. Those not contacted by solicitors and desiring to contribute to the campaign have been asked to make their \$1 minimum checks out to Ralph Sweeney, Medford U.S.O. treasurer, and either mail them or leave them at the Jackson county Chamber of Commerce. Ashland contributions may be left at the First National Bank or the Daily Tidings.

Local solicitors are asked to obtain their receipt books at the chamber of commerce not later than 8:30 a.m. Tuesday. Districts will be assigned each solicitor when he picks up his book.

The government proposes to construct the 339 clubhouses adjacent to training camps, naval bases and defense centers for use of the service men when they are off duty. The clubhouses are designed to provide recreation, religious and educational facilities for the soldiers while they are off duty.

Marrying Parsons Share Prosperity

Portland, June 2.—(P)—The general business increase affected even the marrying parsons here in May.

The Multnomah county clerk issued 298 marriage licenses, topping all months since May of 1913 when 333 licenses were granted. Last May 223 were issued.

Clothing time for Too Late to classify Ads is 1:30 p. m.

BILL INCLUDES FUNDS TO DRILL 4,500,000 BOYS

Washington, June 2.—(P)—An appropriation of \$1,191,776, 000 for the labor department, federal security agency and related activities was sent to the house today by its appropriations committee. The legislation also provided for national defense training of more than 4,500,000 youths.

The total was about \$36,000, 000 more than the present appropriations but \$31,000,000 less than President Roosevelt had recommended in his budget message.

The committee, noting that rising employment had caused a shortage in recruits for the Civilian Conservation Corps, cut \$23,000,000 from budget estimates of \$270,000,000 for that agency. The CCC and the National Youth administration were among the agencies which Secretary Morgenthau suggested congress might "look at" in connection with his proposal that non-defense expenditures be reduced \$1,000,000,000.

JENNY DOLLY OF FAMOUS SISTERS ENDS OWN LIFE

Hollywood, June 2.—(P)—Jenny Dolly, 48, of the once-famous Dolly sisters dancing team, hanged herself in her luxurious apartment yesterday, police said.

Before strangling herself on a curtain rod with a brightly colored sash, said Detective Lieut. Byrn Diller, Miss Dolly telephoned relatives that she was ill. She left no note of explanation.

The twin sister, Roszika, with whom Jenny rose to world fame as a dancer, was en route from Santa Barbara to her Beverly Hills home and did not learn of the tragedy for several hours.

The Dolly sisters made their debut at the Keith Union Square theater in 1909. They toured the American vaudeville circuits, played Broadway, the Jardin de Paris, Piccadilly Circus in London, and returned to New York for the Ziegfeld Follies of 1911. During one engagement at the Moulin Rouge Theatre in Paris, they were paid \$1,200 a day.

Nod at Wheel Fatal

Salem, June 2.—(P)—Jeno Bean, 18, Mt. Angel, was killed today when his automobile left the Salem-Mt. Angel highway near North Howell. State police said Bean apparently went to sleep at the wheel. The car plunged over a 15-foot embankment.
