Date Set—June 18 has been set as the date on which the state unemployment compensation commission will hold an educational meeting for the public here. Place and hour of the meeting have not yet been announced.

To Meeting—A. Z. "Tubby" Dean, Medford Pontiac dealer, will leave by train tonight for Portland where tomorrow he will attend a meeting of all Pontiac dealers in this zone. Dean planned to return Saturday.

Cloudy—The weather at Crater lake national park this morning was cloudy, it was reported by short wave radio. Only six inches of snow remained on the ground at headquarters building, the broadcaster said. The temperature rose to a maximum of 66 degrees yesterday and dropped to a minimum of 33 this morning.

Mopped Up—An acre fire in sugar pine trees east of the Blue Ledge road in the Applegate district of the Rogue river national forest was mopped up this morning by two guards and Lee Port, district ranger. The blaze, attributed to a lightning strike late Saturday, was discovered late yesterday and two guards were sent to the scene immediately from the Star ranger station.

Last Call—Final call was issued today to those expecting to take merit system examinations June 21 for positions of employment officers and statisticians with the state unemployment compensation commission. All applications must be received at the Portland office by Saturday. Full information is available at the employment office here, 45 North Fir street. Klamath Falls is the nearest city to Medford where the written examination will be given.

MEDFORD'S CO. A
IN PHOTOGRAPH

A large photograph showing all of the personnel of Company A, 188th infantry, is now on display in the front show window of the Jackson County Chamber of Commerce. The names are listed so that each member can be identified easily.

The picture was mounted and the lettering done by Harry Hinman, advertising manager of Mann's. The photograph was sent to the Mail Tribune for publication by 1st Sgt. George F. Lindley but the print was not of the proper sort for clear newspaper reproduction.

Company A is Medford's own army unit. Before being called into the regular army, it was a national guard company. The company's regular station is Camp Murray, Fort Lewis, Wash. Now, however, it is on maneuvers near King City, Cal.

WEIR HUFFY, QUILTS
STEEL INSTITUTE

New York, June 5.—(P)—Dow, Jones & Co., financial news agency, said today Ernest T. Weir, chairman of the National Steel corporation, had resigned as a director of the American Iron & Steel Institute and that the company itself had withdrawn from membership in the institute. Weir was for many years a member of the institute board and served as the organization's president during the year ended May 30, 1940.

Weir was in New York today but efforts to obtain some comment from him on his reported resignation were not immediately successful.

Informed steel men, however, said Weir had been at odds with other important elements in the industry ever since National Steel company this spring took the initiative in granting a 10 cents an hour wage increase in response to demands of the CIO Steel union.

GRASS AND DEBRIS
ARE FIRE HAZARDS

Medford property owners were asked by Fire Chief Roy Elliott today to clear their land of all tall grass, rubbish and other material that presents a fire hazard. Grass, the chief said, should be cut back from homes and buildings. The cut grass and all other material should be burned in a safe place away from buildings, the fire should not be left unattended and should be put out completely at nightfall, he explained.

Oregon Cannery
Increase Wages

Salem, June 5.—(P)—The state wage and hour commission announced today that Oregon cannery had agreed to increase minimum wages for male canners from 50 to 55 cents an hour, and for women workers from 37½ to 42½ cents. The increase will be effective June 9.

Craterian Showing
Broadcasting Film

When "The Great American Broadcast," opened at the Craterian theatre last night, that sensational trio of "Tin Pan Alley," Alice Faye, John Payne and Jack Oakie, scored another outstanding hit. Cesar Romero is starred with them.

"The Great American Broadcast" is the tuncful story of radio broadcasting keyed to a gay note. Skillfully reflecting the mood of the period, the picture, a substance used to fix dyes. The tiny insects are a serious pest which attack gladioli and will turn a field of healthy green onions to a silvery appearance within 10 days.
