

PERMIT TO WORK IS REQUIRED FOR THOSE UNDER 16

May Secure Permit After
Application to State Bu-
reau Labor, Investigation

Under state and federal regu-
lations no one under 16 years
of age may be employed with-
out a permit. C. H. Gram of
Salem, state labor commissioner,
told the Mail Tribune late yes-
terday after he had conferred
at a luncheon-meeting with
packing house men here.

To be eligible for employment
persons 16 to 18 must have a
permit and the permit is pro-
cured by applying to the bureau
of labor at Salem. Mr. Gram
emphasized. The bureau makes
an investigation of each case
before issuing the permit, he
added. The commissioner also
pointed out that under no cir-
cumstances may anyone under
18 years of age work at certain,
specified jobs that are consid-
ered hazardous.

Application forms for work
permits for minors may be ob-
tained at the state employment
service office, 45 North Fir
street. Mr. Gram said. He em-
phasized that a birth or bap-
tismal certificate must accom-
pany the application.

Mr. Gram was accompanied
by his chief deputy, W. E. Kim-
sey, who is in charge of the
labor bureau's Portland office.

FEDERAL WORKERS SET LUNCH MEET

The Southern Oregon Federal
Business Men's association will
hold a luncheon-meeting in the
Cave Shoppe cafe, Grants Pass,
at 12 noon next Thursday.

Principal speaker will be Carl
Massie, Grants Pass postmaster
and president of the Oregon
Postmasters' association. Mr.
Massie will talk on "National
Defense Savings Bonds." After
the luncheon he will take the
group on a "follow-a-letter-
through-the-mails" tour at the
Grants Pass postoffice.

All members were asked to
notify Edward P. Cliff, supervi-
sor, Siskiyou national forest,
Grants Pass, if they plan to at-
tend. R. A. Work, Medford, is
president of the association.

No Fireworks

Seattle, June 6—(AP)—No fire-
works may be sold in King
county this coming Fourth of
July, or henceforth. County
commissioners ruled so yester-
day. The sale or unregulated use
of fireworks have been banned
in the city here for many years.

Chronic Prisoner

Phoenix, Ariz. (UP)—Back in
1929, the name "Herman Ellis"
first appeared on the Phoenix
police blotter—and if the gen-
darmes had been able to fore-
tell the future they would have
saved a lot of ink by leaving the
35-year old Indian in jail. He
has been back 124 times since
that time.
