

GRIFFIN CREEK RANCH ACQUIRED BY BIERMAS FOR FUTURE RESIDENCE

Mr. and Mrs. J. R. Bierma of 38 Myrtle street plan to move soon to their recently-acquired 40-acre ranch, known as the Durham place, in the Griffin creek area. The ranch was acquired in an even trade of their own property with Mrs. Esie Durham of 820 North Central avenue, owner of the farm.

Acquisition of the ranch, Mr. Bierma said, fulfills a dream he and Mrs. Bierma have had for several years. Since their children have grown up, married and moved away, Mr. and Mrs. Bierma have longed for a place in the country where they could occupy themselves with growing things and the children could visit them, Mr. Bierma said.

Mr. Bierma said that the Durham ranch was found particularly suitable to their needs and wishes. There is a large seven-room residence on the property and this is now being renovated and modernized. Ten acres of the land are devoted to a family orchard of all kinds of fruit trees, ten acres are now under cultivation to corn and 20 acres are in laurel wood.
