

22 AIR STUDENTS GIVEN EXAMS AT ASHLAND NORMAL

Final Flight Examinations Now Being Given at Medford Airport for Licenses

Southern Oregon College of Education, Ashland, June 6.—Twenty-two students enrolled in the Civilian Pilot Training course at the Southern Oregon College of Education have successfully passed their ground school examinations. The following 10 primary students took their final ground school examination from Inspector Leach, of the General Inspection Division of the Civil Aeronautics Administration: Charles Jack Hanel, Ashland; Chester Leonard Robertson, Eagle Point; Donald Roy Gillespie, Donald Reynolds Horn, Warren Alexander Liggett, Houston Rutledge Pitts, Jr., Donald Curry Stanley and Harold Hubert Stevens, Medford; Mary Jean Barnes, Phoenix; and Frank Leighton Blake, Camas, Wash.

The following 12 secondary students successfully passed their final examinations from Assistant Ground School Supervisor Little, of the Civilian Pilot Training Service: Myrtle Claire Adams, Merl Elbert Beagle, Edward Lewis Cate, William Milton Hawkins, George Robert Jensen, John Raymond Pratt of Ashland; George Eugene Gates, Jr., Roland Norris Rinsberger, Keith Devone Swisher, and Walter Earnest Wilmerwood of Medford; and Milton Kenneth McAuley and Allen M. Macabee, Jr., of Klamath Falls.

A compromise offer by the Restaurant and Caterers association was rejected before the vote on the strike. It would have granted the raise to all except waitresses and dishwashers who would receive a 20-cent increase.

K. F. RESTAURANT STRIKE IS VOTED

Klamath Falls, June 6.—A strike to enforce wage demands at nine Klamath Falls restaurants was voted last night, 248-2, by members of the Culinary Alliance, G. C. Tatman, secretary of the union, announced today.

Tatman said the strike would be called Saturday at 2 p. m. Other local eating houses, he said, had agreed to a new contract which grants increases of 50 cents a day on all classes of work, the new scale ranging from \$3.50 for waitresses to \$7 for male cooks.

A compromise offer by the Restaurant and Caterers association was rejected before the vote on the strike. It would have granted the raise to all except waitresses and dishwashers who would receive a 20-cent increase.

BALLOT TITLE FOR TEXTBOOK VOTE IS ARGUED IN COURT

Private School Attorney Claims Words Misleading; Referendum May Be Lost

Salem, June 6.—Attorney General I. H. Van Winkle's ballot title for referendum petitions against the 1941 law to loan textbooks to private schools was called "misleading and prejudicial" today by Attorney Robert Maguire of Portland, in arguments before the state supreme court.

The suit was brought by State Sen. Rex Ellis (R-Umatilla) and State Rep. Allan G. Carson (R-Marion), authors of the law.

Maguire, objecting to the word "private" in the short ballot title, said the title should read "bill to lend textbooks to pupils attending standard elementary schools." The attorney general's title said "bill providing for free textbooks for private elementary schools."

The court took the case under advisement. If the court should rule that the title is misleading, the referendum would be unsuccessful, since there would be insufficient time before the June 13 deadline to circulate new petitions.

"The purpose of the law," Maguire said, "was to place all children on a par with relation to educational advantages, and not to favor private schools, as has been contended by some opponents of the act."

He said the law would improve school standards.

Van Winkle argued that his ballot title was based on content of the law.

"The validity of the law or the sponsorship of the referendum measure is not at issue at

this hearing," the attorney general said.

The referendum against the law was filed by the Association Against Public Taxes for Private Schools, of which C. A. Rice of Portland, former Portland school superintendent, is president.

CHINESE CHOKE IN CHUNGKING RAID

Chungking, China, June 6.—Many Chinese suffocated in a large underground shelter last night during a five-hour Japanese air raid on this provisional Chinese capital.

Authorities banned publication immediately of the number of dead. There was no explanation how so many persons could have been overcome.

Residents were kept underground by the Japanese raiders who made one of the longest raids of the year on Chungking.

ARGENTINA EMBRACES AMERICAN SOLIDARITY

Buenos Aires, June 6.—Argentina apparently abandoned today her lukewarm attitude toward intercontinental defense by inviting military leaders of seven American nations, including the United States, to tour her defense establishments.

Brazil, Paraguay, Uruguay, Bolivia, Chile, Peru and the United States were asked to send delegations, headed if possible by war ministers, to this country July 9 when Argentina celebrates her 125th anniversary of independence from Spain.

Army Planes Land On Ice in Arctic

Point Barrow, Alaska, June 6.—Two army bombers came down yesterday on an Arctic ocean ice field in what was believed here to be the northernmost landing ever made by United States military planes.

The Douglas medium bombers taxied down on a level stretch of ice which had been marked off seven miles north of this most northern tip of American territory.

Atlantic City, N. J. (U.P.)—Police are searching for a thief who can't eat meat and who smokes cigars. He's the prowler who was interrupted while looting a hotel room. In fleeing he left behind his false teeth, horned rim spectacles and a cigar butt.

DEATH TO PIONEER OF AUTO INDUSTRY

Detroit, June 6.—(U.P.)—Louis Chevrolet, 62, pioneer motor-car designer and in his earlier days one of the greatest of all racing automobile drivers, died at his home here today. He had been in poor health for several years and in retirement for nearly a decade. He is survived by his widow and one son.

Chevrolet was born in Switzerland on December 25, 1878. On May 20, 1905, he drove a Fiat racing automobile over a measured mile at Sheepshead Bay, New York, in 52.8 seconds for a new world's record. He regarded as his greatest achievement, however, the designing and building of two consecutive

Indianapolis speedway winners—in 1920 and 1921—the first driven by Chevrolet's brother, Gaston, and the second by Tommy Milton.

Gaston Chevrolet was killed at the Los Angeles speedway in a collision late in 1920.

SUMMER SESSION AT SOCE OPENS MONDAY

Southern Oregon College of Education, Ashland, June 5.—(U.P.)—The first summer session at the Southern Oregon College of Education will begin with registration at 8:15 Monday, June 9. Students are urged to enroll at this time owing to the short six-weeks period of study.

Beginning students will find beginning classes offered. Advanced students and candidates for the bachelor of science degree in elementary education will find liberal offerings in the fields of education and liberal arts.
