

Craig Wood, Veteran Golfer Wins U. S. Open Championship

BEATS OUT SHUTE BY 3 STROKES IN GRUELLING PLAY

Texas Favorites Falter On Last Round—Gallery Of 10,000 Watch.

Fort Worth, Texas, June 7.—(AP)—Craig Wood was paid off in full today for long years of golfing hard luck.

Under a broiling sun and before galleries that totaled some 10,000 the 39-year-old veteran from Mamaroneck, N. Y., stole the U. S. open golf championship right out from under the noses of those Texans who had been sure this was going to be the Lone Star state's own golfing show.

Bracketed in a first-place tie at 36 holes with Denny Shute, 1940 champion Lawson Little, and Clayton Heafner, Wood broke that deadlock by matching par for the gruelling Colonial club course with a 70 on his morning card.

This afternoon, playing last among the men with a chance to take the title, he looked to be wavering occasionally but each time got back to par, closing out his round with a thrilling 30-foot putt on the home green that brought a ringing cheer from the banked ranks of spectators and gave him another 70.

With that 72-hole score, over what was a very tough par, the way, the big easy-going blonde beat Shute, who once nosed him out in a playoff for the British open title, by three strokes, and scored his second major triumph in two months after never having taken one before. Two months ago at Augusta, Ga., Craig captured the Masters title.

On that last time around the 7,005 yards of the Colonial course which proved so disastrous to the time-bred Texans. Wood went over par on only three holes and had the putting touch for three birdies to wipe out those losses.

Back of Shute, who was first after the opening round, tied for first at the halfway mark and even with Paul Runyan in second place with 18 to go, came large Johnny Bulla of Chicago and 135-pound Ben Hogan, who didn't hit his stride until this final day and then played 36 holes in two under par with a 68 and a 70 for 339. Bulla got that total out of a 72 and 71. Runyan, who was 71-75 for 291, tied with Herman Darron, a surprise contender, on a closing 74-71. Jug McSpaden, Gene Sarazen and E. J. (Dutch) Harrison, who shot two 71's, were bunched at 294; Dick Metz with Lloyd Mangrum and Ed Dudley at 295, and Sam Snead, Horton Smith and Henry Ransom, young Fort Worth pro, finished in a bunch at 298 with the low amateur, Harry Todd of Dallas.

Two of the strongest advance favorites, 1940 champion Lawson Little and P.G.A. titleholder Byron Nelson, posted 297's. Little losing all chance to repeat by blowing to a 79 on his third round. Others to break 300 were Vic Ghezzi, 298, and Gene Kunes of Philadelphia, 299, while Heafner, from a tie for the 36-hole lead, soared to 300 at the finish.

WHIRLAWAY WINS BELMONT STAKES

New York, June 7.—(AP)—Whirlaway, winner of the Kentucky derby and Freshman, today completed the trifecta by taking the Belmont stakes at Belmont Park.

J. Fred Roy's Robert Morris was second, three lengths back of the Derby-Freshman winner. Sonny Whitney's Yankee Chance was third, another five lengths farther back, and Robert Kleberg's Haho was last in the four-horse field. The time for the mile-and-a-half was 2:31, the slowest for the stakes in years.

For the first time since he began his amazing sweep of three-year-old honors, Warren Wright's little chestnut with the long tail ran a front race.

Salinas, Calif., June 7.—(AP)—Bill McMackin, bronze rider from Trail City, S. D., held the lead today in the national cowboy championship race of the Rodeo Association of America, for the second consecutive month.

Portland, Ore., June 8.—(AP)—Carl King, scout for the Detroit American league baseball club, disclosed today he had signed two pitchers—Clayton Shaw of Oregon State college, and Gordon Lieb, Salem Western International league club. Both left for the east last night.

CLEVELAND WINS WITHOUT FELLER DOING PITCHING

Cleveland, June 7.—(AP)—Jim Bagby, Jr., did the unusual today. He held the Philadelphia Athletics to four hits for a 6 to 2 triumph to become the first Cleveland pitcher other than Bob Feller to win a game in exactly two weeks.

The result kept intact the tribe's two-game margin over the second-place Chicago White Sox.

Irving Hadley, the New York Yankee castoff, was the victim of a 13-hit Cleveland attack led by Hal Trosky's fifth home run of the season.

Single scored Lou Boudreau. Philadelphia 2 4 2 Cleveland 6 13 0 Hadley, Potter (6), Dean (7) and Hayes; Bagby and Hemaley.

Chicago, June 7.—(AP)—Chicago's White Sox repulsed the Boston Red Sox challenge for second place in the American league by turning back Joe Cronin's slugging crew today, 5 to 4.

The victory evened the series at one game apiece and snapped Boston's winning string at six. Boston 4 9 0 Chicago 5 12 0 Wilson, Fleming (6) and Pytlak; Smith and Tresh.

St. Louis, June 7.—(AP)—The Yankees were forced to come from behind with a five-run rally in the ninth today to defeat the scrapping Browns, 11 to 7. Catcher Bill Dickey's single with the bags loaded provided the winning runs and drove Johnny Allen, fourth St. Louis pitcher, from the mound. New York 11 13 2 St. Louis 7 8 1 Gomez, Chandler (5), Stancu (9), and Dickey; Munchief, Kramer (3), Caster (6), Allen (9), Trotter (9) and Ferrell.

Detroit, June 7.—(AP)—The Detroit Tigers victimized Steve Sundra and Vern Kennedy for nine runs in two innings to erase an early deficit and take a 10 to 6 decision today from Washington, their second victory in a row over the hapless Senators. Washington 6 11 1 Detroit 10 13 1 Sundra, Kennedy (7) and Early; Corsigan, McKain (2) and Tebbetta.

SAN DIEGO RALLY BEATS PORTLAND

San Diego, Calif., June 7.—(AP)—San Diego drove Byron Speece to the showers with a four-run outburst in the third inning today to defeat Portland, 6 to 3, and retain its slender hold on a Coast league first division berth. A triple, two doubles, a single and a wild pitch produced the quartet of runs.

Catcher Annunzio of Portland and Manager Durst and Haslin of San Diego were banished from the game in the fourth for protesting Umpire Jordan's decisions.

Score: R. H. E. Portland 3 11 1 San Diego 6 10 1 Speece, Callahan and Annunzio, Schulz, Herbert and Salkeid.

Oakland, Calif., June 7.—(AP)—Henry Phippen, Oakland right-hander, pitched three-hit ball and his team defeated Los Angeles 5 to 0 today for its second victory out of five games in the series.

Los Angeles 0 3 1 Oakland 5 8 0 Stine and Collins; Phippen and Conroy.

Hollywood, June 7.—(AP)—Hollywood clinched its third straight series of the Pacific Coast league baseball wars today, capturing a 7-4 decision over San Francisco for their fourth victory of the week.

Score: R. H. E. San Francisco 4 10 2 Hollywood 7 10 0 Sents and Ogdowski; Osborne and Dapper, Brenzel.

RACIN' RAY SETS UNOFFICIAL HIGH SCHOOL 440 MARK

Johnson Goes Distance In :48 Flat At Compton Meet—Finishes Fifth.

Although Medford's Racin' Ray Johnson finished fifth in the 400-meter race at the Compton (Cal.) junior college invitational track and field meet Friday night, the Tiger speedster flashed over the distance in 48 seconds flat, two-tenths of a second faster than the national interscholastic 440-yard dash record of 48.2, according to a telegram received from Coach Bill Bowerman.

Bowerman wired that Johnson, running in lane six, was "badly boxed at the turn and could not get through." An Associated Press message from Compton said that Johnson finished about 20 yards behind Grover Klemmer of the University of California, who won the race in :46.5. The world's record for the 440 is :46.4, tied by Klemmer in the Coast conference meet recently.

Running second to Klemmer was Cliff Bourland of the University of Southern California, with Kerns of the same school third. Eugene Little of the University of Nebraska was fourth. Trailblazing Johnson across the finish line was Johnny Watcher of Pasadena (Cal.) junior college, 1941 national junior college quarter-mile champion. Seventh was James Herbert of the New York Grand Street boys' A. A.

Johnson, three-time Oregon prep 440-yard dash champion, was timed in the Compton race by Coach Bowerman. Although he ran the distance under the national high school record, the mark is, of course, entirely unofficial and will not count as a new prep figure.

New Vault Record. Compton, Calif., June 7.—(AP)—Earl Meadows stood off in the shadows of the pole vault pit and watched in undisguised awe and perhaps a trace of sadness. He was watching "that man" in action, the man who not only had beaten his accepted world pole vault record time and time again, but who repeatedly had thumbed his nose at the height they used to call the 15-foot ceiling.

Meadows' 14 feet, 11 inches stands as the official world mark. It was great when he and his teammate at Southern California, Bill Sefton, set it in 1937. Today that mark is puny. Cornelius Warmerdam made it look even more insignificant Friday night. Warmerdam, the nearest thing to a real, live jack-in-the-box-stalk, rose to even greater heights while Meadows looked on.

Warmerdam brought the crowd to its feet with a high mark of 15 feet, 5 1/4 inches. He already had them in an uproar with a vault of 15 feet, 4 1/4 inches. Both were better than his previous high, set six weeks ago at 13 feet, 2 1/2 inches. Grover Klemmer of California outlived a box thrown around him and outran Cliff Bourland and Hubert Kerns of University of Southern California and Gene Little of Nebraska to win the featured 400-meter race in 46.5 seconds—better than the 46.8 record held by John Woodruff of Pitt since 1939.

Albany, June 7.—(AP)—Kamp fer Brothers market here was picketed today by the Butchers and Meat Cutters union, and union spokesmen said the firm's markets at S. A. and Eugene also were picketed.

REESE'S MISPLAYS TOPPLE BROOKLYN FROM RACE LEAD

Brooklyn, June 7.—(AP)—Pee Wee Reese's error on Frank McCormick's roller in the eighth inning today started a painful chain of events that resulted in the Cincinnati Reds beating the Dodgers 8 to 3 and dumping the locals off the top of the National league standing.

The Dodgers were leading 3 to 2 in a tight duel between Luke Hamlin and Bucky Walters when the Dodger shortstop made his second misplay of the game. Two were out at the time. Before the third out finally came the Reds had scored six unearned runs, knocked Hamlin from the hill and sewed up the game.

Outstanding in the shambles that followed Reese's error was a homerun by Ernie Lombardi with two aboard.

R. H. E. Cincinnati 8 12 2 Brooklyn 3 7 3 Walters and Lombardi; Hamlin, Kimball and Owen.

Boston, June 7.—(AP)—The Chicago Cubs got only five hits today but their timing was perfect as they took the series opener from the Boston Braves, 5 to 1.

R. H. E. Chicago 5 5 0 Boston 1 7 1 Passeus and McCullough; Erickson, Lamanna, Tobin and Masi.

Philadelphia, June 7.—(AP)—Veteran Cy Blanton yielded eight scattered hits and fanned seven batters as Philadelphia took a 2 to 0 game from the Pittsburgh Pirates at Shibe Park today.

R. H. E. Pittsburgh 0 8 1 Philadelphia 2 7 0 Lanning and Lopez; Blanton and Warren.

New York, June 7.—(AP)—Jimmy Brown, Coaker Triplett and Terry Moore each blasted four hits today as the St. Louis Cardinals waded into four Giant pitchers for 19 hits and an 11-to-3 victory that boosted them into the leadership of the National league.

R. H. E. St. Louis 11 19 1 New York 3 8 3 Nahem, White and Mancuso; Melton, Adams, Brown, Wittig and Danning.

LEGION JUNIORS START PRACTICE

Riney Cook, coach of Jackson county's American Legion junior baseball team for the past three years, yesterday issued a call for players to report for the first official practice session of the season at the high school park at 9 a. m. Tuesday. All boys in the county, who did not reach their 17th birthday by January 1 of this year, were invited by Coach Cook to be on hand for the drills, and tryout for the club.

Included with the Jackson county team in the southern Oregon district are Marshfield and Roseburg junior legion teams. Each club will play the other two teams twice. No date has been set for the local teams' first game.

Coach Cook expects the following players to form the nucleus of a winning nine: Hal Adams, catcher; Charlie Jandreau of Ashland, pitcher and third base; Bob Smith of Jacksonville, pitcher and infielder; Southpaw Howard Parker of Eagle Point, pitcher; Bud Provost of Ashland, first base; Don Fawcett, second base; Jack Swaryck of Jacksonville, short

stop; Bob Davis, third base; Marion Hardy of Jacksonville, leftfield and Steve Dippel, centerfield.

Other players Coach Cook plans to rely on are Dale Brugger, infielder; Dick Fawcett, outfielder; Mark Marquess, short stop, and Homer Sullivan, catcher.

Lost from last year's club because of their ages were Bill Reed and Cato Wray, pitchers; Lee Reynolds, short stop; Mickey Miller, first base, and Harold Fawcett, outfielder.

NEW INFELDERS, CATCHER CALVERT TO JOIN CRATERS

With Billy Calvert due to join the club today and two unidentified infielders from Portland also slated to sign contracts and step into action immediately, the Medford Craters will present a strengthened lineup when they go against the Hills Creek Hillbillies in a regular Oregon State league contest at Hills Creek this afternoon.

Calvert, dynamic little catcher who worked behind the plate in every game played by the University of Oregon Webfoots this spring, mailed his signed contract to Manager Lou Sauer Friday. He will meet the team in Hills Creek and return to Medford with the others players after the game. With Calvert on hand, Slater will probably be used as a second-string receiver.

Manager Sauer and Murray Marley, treasurer of the Medford Athletic association, left here Friday night for Portland where they expect to sign a pair of infielders recommended by Billy Ross, last year's skipper of Jack and Jill Tavern's State league club. Identity of the players is not known.

Before leaving here Friday evening, Manager Sauer said that Bob Fox, smooth-working right-hander, would pitch against the Hillbillies, with 18-year-old Willard Smith in reserve.

Hills Creek, which is tied with Bend for fourth place in the loop standings, having won one and lost one, will probably have Bun Kelsay on the pitching rubber. This year's Hills Creek club, managed by Monroe Dean, is rated the strongest ever to represent the little mill town.

Other State league games today find Eugene at Klamath Falls, Toledo at Bend and Albany drawing a bye.

It was announced by E. E. McKinney, secretary of the Medford Athletic association, that the Craters would tangle with Manager Red Talbot's Dorris, Cal. Lumberjacks in an exhibition game under the fairgrounds park lights next Wednesday night at 8:30. Dorris, a member of the Northern California league, recently lost to the State league Klamath Falls Pelicans by only a 6 to 5 score in an exhibition game.

SOFTBALL GAMES TO OPEN JUNE 17, ON 2-NIGHT SKED

Softball, far from being dead in Medford, came from its winter hibernation at a meeting Friday night when tentative plans were drawn to form an eight-team league and schedule games for two nights a week under the lights at the high school stadium. Present plans call for opening games to be played Tuesday night, June 17.

Six team managers signified their intentions of entering clubs in the loop. They were: Catholic Men, represented by Ray Lewis; Timber Products, by Jim Boyle; Jennings Tire, by Ray Fyler; Bear Creek Orchards, by Heinie Bohl; Medco, by Louie Kircher and Murray's Maid-Rite by Murray Bell. With openings for one or two more outfits, anyone desiring to enter a team was asked to contact Sam Jennings before next Tuesday night, at which time the final meeting prior to the league opening will be held at Jennings Tire company at 8 o'clock. All team managers were asked to be present at the meeting with their entrance fees.

It was decided to limit players to local talent, with no out-of-town pitchers brought in to bolster one or two clubs. The managers went on record as feeling that softball fans were more interested in watching local boys play, than outsiders.

Should local interest warrant, more than two nights will be used each week. It was reported. However, present plans call for action only on Tuesday and Friday evenings, with two games to be played each night on one diamond in the center of the field. Under the new setup eliminating the importation of outside performers, the managers believe the teams will be much better matched than in previous years because no one or two clubs will boast a star pitcher.

It was also planned at the meeting to operate a league of young players, who will play their games at twilight. Any Boy Scout troop or other organization, wishing to sponsor such a youthful nine, is asked to get in touch with Sam Jennings this week.

A drive to sell season tickets is expected to get under way late this week.

NEWSOM DEMOTED AND FINED \$5000

Detroit, June 7.—(AP)—The Detroit News said today that Louis Norman (Buck) Newsom, 1940 world series pitching hero of the Detroit Tigers, had been fined \$5,000 by owner Walter

O. Briggs for "failure to get into proper condition."

Newsom was notified of the fine several days ago, the paper asserted. Two days ago the big right-hander was demoted from starting hurler and assigned to bullpen duty.

The News said the fine equals the highest ever assessed in baseball, Babe Ruth having paid the amount in 1925 when suspended by the New York Yankees for "general misconduct."

Boostered by the acquisition of Pitcher Steve Crippen and Outfielder Billy Piche, the league-leading Medford Rogues will tackle second-place Grants Pass Merchants in a regular Southern Oregon loop fracas at the high school park at 2:30 this afternoon. In the other circuit contest, Crescent City plays at Rogue River.

Crippen, ex-Crater pitcher, who has been turning in win after win for Yreka, Cal., in the Northern California league, will start on the Rogue rubber, according to Manager Paul Hoffard. Paul Hess, unbeaten in three S. O. L. starts, will be held in reserve, as will Lefty Al Wimer, who hurled for the Uni-

The Rogue infield will be slightly revised for today's game. Hoffard said, with young Jack Swaryck playing short-stop and Orv Hampel taking care of first base. Johnny Gitzon will be on second and Riney Cook on third, with Harold Fawcett in left and Skipper Hoffard in right. Hal Adams will do the receiving.

Grants Pass, whose only defeat in league play was at the hands of the Rogues earlier in the season, will have Chuck Ostrom, fireballing right-hander, on the firing line. Ostrom's last start resulted in a two-hit, 4-2 victory over Crescent City.

ASK ARMY DELAY CALL FOR FELLER

Cleveland, June 7.—(AP)—Manager Roger Peckinpaugh of the Cleveland Indians believes "it wouldn't be too much out of line" to ask a short deferment if Bob Feller is called into the army in August.
